## **Chapter 1 - Administrative Services Division**

## **Weapons Training - Maintenance - Procedure**

### **100.1 RANGE PROCEDURES**

Employees shall adhere to the following Range procedures:

- (a) Personnel must wear soft body armor, and approved eye and ear protection while on the line during an actual course of fire.
- (b) "Check in" on arrival at the range with the Armorer for weapon inspection and ammunition issue.
- (c) Weapons will be cleaned prior to arriving at the range.
- (d) Weapons and magazines will be brought to the range unloaded, unless otherwise specified on the sign up sheet.
- (e) Only ammunition issued or approved by the Rangemaster will be carried on the range.
  - 1. Ammunition will be issued after check in and inspection.
  - 2. Loading of weapons and magazines will be on the direction of Rangemaster only.
- (f) No alcoholic beverages will be on the range nor consumed by shooters at any time. Any personnel, who have the odor of, or is under the influence of an alcoholic beverage, will not be allowed on the range under any circumstances.
- (g) A qualified "Rangemaster" will be present on the range at all times, when the range is being used for firing.
- (h) "Rangemasters" will not shoot, unless a second non-shooting, qualified range officer assumes command.
- (i) "Rangemasters" shall be held responsible for any violation of Range Safety Rules.
- (j) Range rules must be strictly enforced for the safety of all participants and possible observers. Violations will be immediately brought to the attention of the Rangemaster. Continuous violations, or those of a grievous nature, will result in immediate expulsion from the range, and notification of the Chief of Police.

### **100.2 RANGE SAFETY PROCEDURES**

Employees shall adhere to the following Range safety procedures:

- (a) All weapons are assumed to be loaded at all times.
  - 1. While on the range all handguns will be carried loaded and holstered. All rifles/shotguns will be carried unloaded with the action open unless otherwise directed by the Rangemaster.
  - 2. Only ammunition issued or approved by the Rangemaster will be carried on the range.
- (b) Never let the gun muzzle cover anything you are not willing to destroy.
- (c) Be sure of your target; SAFETY is the responsibility of all shooters.

- (d) Fire only when authorized by the Rangemaster.
  - 1. Firing will commence with a short audible signal.
  - 2. Firing will cease at anytime a long audible signal is heard.
    - (a) If there is a question of safety or any other reason - a cease fire signal shall be given.
- (e) Reloading shall only be done on the firing line with the weapon pointed down range unless otherwise directed by the Rangemaster.
- (f) Dry firing or inspection of weapons allowed only with the authorization of the Rangemaster or Armorer.
- (g) Do not go downrange until the line is cleared by the Rangemaster.
- (h) Misfires and weapon malfunctions will be handled as an "in-service" or "live fire" condition, and cleared by the participant. When all safe attempts to identify the problem, and clear the weapon have been made, then assistance from range personnel must be requested.
- (i) On completion of the designated course of fire, the shooter shall execute a safe unload of the weapon. Personnel will leave the range with a safe unloaded weapon unless otherwise directed by the Rangemaster.
- (j) Before going back in service, RELOAD following safe loading procedures. If you are leaving the range, and immediately returning to service, advise the Rangemaster, and a secure area will be provided for the purpose of reloading.

### **100.3 CLEANING AND MAINTENANCE OF WEAPONS**

#### 100.3.1 FIELD STRIPPING PROCEDURE

Glock semi-auto Pistols:

- (a) Make the weapon SAFE
  - 1. Remove magazine from weapon
  - 2. Lock slide to the rear and visually and physically inspect weapon to ensure it is empty
  - 3. Allow slide to go forward
- (b) Disassembly Procedure
  - 1. Place muzzle in a bullet trap
  - 2. Pull the trigger once and remove finger from the trigger guard area
  - 3. Move the slide approximately 1/8" to the rear and depress the slide lock on both sides of the frame
  - 4. With the slide slightly retracted and both sides of the slide lock pulled down, push the slide assembly forward and remove it from the receiver.
  - 5. Grasp the recoil spring assembly, compress it about ¼ inch and remove it.

6. Grasp the barrel by the bottom lug and lift it clear of the slide.

#### Sig Sauer Semi Auto Pistols

- (a) Make the weapon safe
  1. Remove magazine from weapon
  2. Lock slide to the rear and visually and physically inspect the weapon to ensure it is empty.
- (b) Disassembly procedure
  1. With the slide locked to the rear, rotate the takedown lever clockwise until it stops.
  2. Pull the slide slightly rearward to disengage the slide catch lever, keeping hold of the slide assembly.
  3. Guide the complete slide assembly forward and off the receiver.
  4. Push the recoil spring guide forward slightly and lift from the rear to remove the recoil spring guide assembly from the slide.
  5. Remove the barrel from the slide by pulling it upward slightly and to the rear.

#### Smith & Wesson semi-auto pistols:

- (a) Make the weapon SAFE
  1. Remove magazine from weapon;
  2. Lock slide to rear and inspect weapon to make sure it is empty;
  3. Allow slide to go forward.
- (b) Disassembly Procedure
  1. Pull the trigger once and remove your finger from the trigger guard area;
  2. Move the slide approximately 1/8" - 1/4" to the rear and depress the barrel stop on both sides of the frame with your thumb and forefinger;
  3. Holding the stops down - allow the slide to return forward sliding off the frame being careful to trap the recoil spring and guide with your hand;
  4. With slide upside down, compress recoil spring and lift out recoil spring and guide assembly;
  5. Remove the barrel by lifting up on the barrel lug.

#### AR-15 Semi-auto rifles

- (a) Make the weapon safe
  1. Remove magazine from weapon.
  2. Visually and physically inspect the chamber to ensure it is empty.
- (b) Disassembly Procedure

1. Press bolt catch and allow bolt to go forward position
2. Press on rear takedown pin from left to right until the upper receiver rotates freely on the front pivot pin.
3. Pull the charging handle to the rear and remove it and the bolt carrier assembly.
4. Remove the Firing Pin Retaining Pin (looks like a small cotter pin)
5. Tip front of bolt carrier assembly up and allow firing pin to drop out.
6. Rotate cam pin ¼ turn and remove it.
7. Pull bolt assembly from carrier assembly.

#### 100.3.2 CLEANING AND LUBRICATION

##### Glock semi-auto Pistols:

###### (a) Cleaning and lubrication

1. Using a proper size brush bore with a small amount of solvent, push it all the way through the chamber and out the muzzle end of the barrel. Heavy fouling may require multiple passes. Push dry patches through the bore until they come out clean.
2. With a small brush (toothbrush), clean the lug areas, feed ramp, and outside surfaces of the barrel.
3. Using compressed air and/or rags, remove all residue and solvent until surfaces are dry. Put aside.
4. Inspect slide for any obvious fouling. Holding the slide with firing pin channel up to prevent solvents from entering, clean the breach face and extractor area with the toothbrush. Take care to scrub under the extractor hook.
5. Brush down the slide grooves, the ejection port area, and all other surfaces.
6. When satisfied all residue and solvent has been removed, set aside.
7. Inspect the recoil spring/guide rod assembly for wear and obvious fouling. Using a cloth or brush, clean all surfaces.
8. When satisfied all residue and solvent has been removed, set aside.
9. Use the brush to clean the receiver, including slide guide rails, trigger bar, and trigger assembly. Be certain all residue and solvent has been removed prior to reassembly.
10. Lightly lubricate the barrel, barrel hood, barrel lug, and the inside of the slide where the barrel hood contacts the slide. Apply a small amount of lubricant on either the frame rails or inside the slide grooves. Place one drop of lubricant just under the connector hook (refer to diagram in the cleaning area). Once the slide is replaced on the receiver and the action worked several times, the lubricant will be evenly distributed along the slide grooves and frame rails.

(a) Cleaning and lubrication

1. Soak a patch with solvent and push it through the bore from the chamber end and out past the muzzle.
2. Allow the solvent to soak for a while to loosen residue and soften carbon deposits.
3. Using a proper size bore brush with a small amount of solvent, push it all the way through the chamber and out the muzzle end of the barrel. Heavy fouling may require multiple passes.
4. Push dry patches through the bore until they come out clean.
5. Clean the recoil spring guide assembly with solvent and a soft brush (toothbrush).
6. Inspect slide for any obvious fouling. Using the toothbrush and holding the slide with the firing pin channel up to prevent solvents from entering, brush the breach face, extractor hook, slide grooves, and firing pin hook. Ensure the aforementioned parts are free of dirt and residue.
7. Wipe the frame and grip module assembly with a soft cloth.
8. Use cotton swabs to clean hard to reach areas. Pay special attention to the frame rails, takedown lever, and slide catch lever.
9. Apply a light coat of oil to the frame rail slots of the slide. Lightly oil all external parts. Do not lubricate the striker assembly. Lubricate the frame rails with a light coat of oil. Apply oil to accessible functioning parts.

Smith & Wesson semi-auto pistols:

(a) Slide Assembly

1. Brush barrel bore with brass brush and solvent. Using a cloth patch, swab bore until clean;
  - (a) Special attention to chamber case rim;
  - (b) Rotate brass brush to clean this area.
2. Clean bolt face with fiber brush and solvent;
  - (a) Attention to remove powder build up;
  - (b) Particular check area beneath extractor claw.
3. Brush rails on slide with fiber brush and solvent;
4. Wipe off all surfaces with dry cloth to remove extra solvent.

(b) Frame Assembly

1. Brush rails on receiver using fiber brush;
2. Attention to trigger well for particulate accumulation;
3. Check magazine well for residues;

4. Wipe off all surfaces.
- (c) Magazines (once a year or as needed)
  1. Depending on usage, wipe off residues with a clean dry cloth;
  2. Use extreme care if disassembled, all oils and solvents must be wiped clean before reassembly.
- (d) Lubrication Points
  1. Frame before reassembly
    - (a) One drop of lubricant on each of the four slide rail tabs;
  2. Barrel
    - (a) One drop of lubricant on the forward edge of the barrel hood.
    - (b) One drop on the barrel near the muzzle - use fingers to evenly spread lubricant.

#### AR-15 Semi-auto rifles

- (a) Cleaning and lubrication
  1. Using the proper size bore brush with a small amount of solvent/CLP, push it all the way through the chamber and out the muzzle end of the barrel. Heavy fouling may require multiple passes.
  2. Using a chamber brush with a small amount of solvent/CLP, insert into chamber and rotate to loosen/remove fouling.
  3. Push dry patches through the bore until they come out clean. You may need to use a dry patch and your finger to clean chamber fully.
  4. Using a brush and a small amount of solvent/CLP, clean the inside of the upper receiver, especially the channel where the charging handle rests.
  5. Clean upper receiver using rags or patches
  6. Using a brush and small amount of solvent/CLP, clean the lower receiver, especially the hammer assembly and surrounding area.
  7. Use patches/rags and/or compressed air, clean and remove excess solvent/CLP from the hammer assembly.
  8. Lightly lubricate a patch and push it all the way through the chamber and out the muzzle.
  9. Lightly lubricate the charging handle, bolt assembly, bolt carrier, and bottom catch of the hammer.

#### 100.3.3 REASSEMBLY AND FUNCTION CHECKS

##### Glock semi-auto Pistols:

- (a) Reassembly
  1. Grasp the barrel by the bottom lug and place it back into the slide

# Renton Police Department

2. Place the recoil spring/guide rod assembly back into the proper position. The larger end seats against the bottom barrel lug, into a semi-circular "half-moon" cut on the barrel lug.
3. Line up the slide grooves with the frame rails and push the slide onto the receiver. If you encounter resistance, check again to see if the rod is completely seated, centered, and parallel.

(b) Function check

1. Place muzzle of unloaded weapon into bullet trap.
2. Pull the trigger of unloaded weapon once and let it reset.
3. Rack the slide and repeat trigger pull and reset to confirm function check.

#### Sig Sauer Semi Auto Pistols

(a) Reassembly

1. Verify the pistol is clear of all foreign matter.
2. Insert the barrel into the slide.
3. Insert recoil spring guide assembly into the slide.
4. Ensure the takedown lever is rotated clockwise fully to the stop.
5. Guide the slide onto the frame rails from the front.
6. Retract the slide fully to the rear. Engage the slide catch lever to lock the slide in the open position.
7. Rotate the takedown lever counter-clockwise until horizontal.
8. Press the slide catch lever to release the slide.

(b) Function check

1. Place muzzle of unloaded weapon into bullet trap.
2. Pull the trigger of unloaded weapon once and let it reset.
3. Rack the slide and repeat trigger pull. Repeat trigger pull and reset to confirm function check.

#### Smith & Wesson semi-auto pistols:

(a) Slide Assembly

1. Install barrel in slide
2. Install recoil spring guide assembly, making certain that the guide is centered and at the lowest point against the barrel lug.

(b) Slide to Frame

1. Hold the slide and recoil spring firmly in one hand, move the rear of the slide onto the frame rails. Continue moving the slide onto the frame until the slide is fully rearward before allowing the slide to return to the closed position;

# Renton Police Department

- (c) Work slide back and forth to spread lubricant, then wipe off excess from weapon.
- (d) Function check
  - 1. Place muzzle of unloaded weapon into bullet trap.
  - 2. Pull the trigger of unloaded weapon once and let it reset.
  - 3. Rack the slide and repeat trigger pull and reset to confirm function check.

#### AR-15 Semi-auto rifles

- (a) Reassembly
  - 1. Verify the rifle is clear of all foreign matter
  - 2. Insert the bolt assembly into the bolt carrier with the extractor oriented towards the ejection port.
  - 3. Insert the cam pin through the top of the bolt carrier into the bolt assembly and turn it ¼ turn.
  - 4. Insert the firing pin through the back of the bolt carrier into the bolt assembly.
  - 5. Install the firing pin retaining pin.
  - 6. Install the charging handle into the upper receiver channel.
  - 7. With the bolt assembly in the extended position, place the bolt carrier assembly into the charging handle/upper receiver channel.
  - 8. Push forward until charging handle locks into place.
  - 9. Rotate the upper and lower receivers back together and push rear takedown pin back into place.
- (b) Function check
  - 1. Place muzzle of unloaded weapon into bullet trap.
  - 2. Pull the trigger of unloaded weapon once and let it reset.
  - 3. Pull the charging handle and repeat trigger pull and reset to confirm function check.

## **100.4 LOADING AND UNLOADING PROCEDURES OF WEAPONS**

### 100.4.1 SAFE LOADING

- (a) From the holster or locker storage (unloaded):
  - 1. Lock slide to the rear (keep finger off trigger);
  - 2. Insert full (recommended 16 rounds) magazine;
  - 3. Draw the slide to the rear and "slingshot" forward to load a round or push down on slide stop to release slide;
  - 4. Holster the weapon by using the strong thumb to push forward on the rear of the slide, keeping the slide in battery;

# Renton Police Department

### Supplemental Procedures

#### *Weapons Training - Maintenance - Procedure*

---

5. Remove magazine, leaving weapon holstered, and top it with one additional round filling to recommended 16.

(a) If the weapon is loaded and unloaded frequently, the round in the chamber should be rotated to avoid damage to the case rim.

(b) SERVICE READY CONDITION - Holstered

1. 1 round in the chamber;
2. 16 rounds in the magazine.

#### 100.4.2 SAFE UNLOADING OR CLEARING

(a) From the holster:

1. Remove the magazine from the weapon in holster;
2. Draw weapon pointed in SAFE direction;
3. Pull the slide to the rear rapidly ejecting the chambered round, (Do not catch the ejected round);
4. Lock slide to the rear and visually inspect the chamber and magazine well;
5. Release the slide;
6. Holster a SAFE weapon or SECURE in storage.

(b) From a secure location

1. Remove the magazine and lock slide open;
2. Inspect chamber and magazine well;
3. Release the slide;
4. Holster the weapon, ready for SAFE loading.

#### 100.4.3 COMBAT RELOADING PROCEDURES

(a) SPEED Reload - (2 or 3 seconds), the weapon has been fired empty (slide locked open), or while still in battery, the shooter has chosen to refill to capacity;

1. Weapon is lowered from line of sight (approximately 4");
2. INDEX a new magazine from pouch;
  - (a) Magazine is held with floorplate in heel of hand with index finger along the forward edge;
  - (b) Index finger checks for loaded magazine and proper alignment.
3. As new magazine is "indexed", push mag release button dropping the used magazine;
4. Cant weapon slightly to aid insertion of the new magazine;
5. If necessary, depress slide stop to chamber a round;

# Renton Police Department

## Supplemental Procedures

### Supplemental Procedures

#### *Weapons Training - Maintenance - Procedure*

---

- (b) TACTICAL Reloading - (4 or 5 seconds), time and cover are both available to the officer. Rather than discard a partially depleted magazine, it can be saved and used at a later time but allow the officer to continue with a fully loaded weapon.
  - 1. Index a new magazine from the pouch;
  - 2. Place this magazine between the index and middle finger of the weak hand;
  - 3. Position the hand below the magazine in the weapon;
  - 4. Release depleted magazine catching it with the weak hand using the thumb and index finger;
  - 5. Insert fresh magazine into the weapon using the heel of the weak hand;
  - 6. Place the depleted magazine in a pocket and NOT back in the pouch.

#### **100.5 MALFUNCTION DRILLS**

##### 100.5.1 TYPE 1 - FAILURE TO FIRE

- (a) The striker has fallen and the weapon did not fire.
- (b) CORRECTIVE ACTION
  - 1. TAP with the heel of the weak hand striking the bottom of the magazine to ensure it is properly seated;
  - 2. RACK the slide to the rear and "slingshot" forward, to extract and load a round;
  - 3. READY - Back on target - evaluate.
  - 4. BANG pull the trigger if necessary.

##### 100.5.2 TYPE 2 - FAIL TO EJECT (STOVEPIPE)

- (a) The weapon has fired. An expended casing has lodged in the ejection port.
- (b) CORRECTIVE ACTION
  - 1. IDENTIFY - a visible casing is usually obstructing the front sight;
  - 2. With the weak hand grasp rear of the slide. Invert the weapon by rotating towards the weak side. Rack the slide to the rear allowing the casing to fall out the ejection port;
  - 3. "Slingshot" the slide forward to load a new round;
  - 4. Pull trigger to fire weapon.

##### 100.5.3 TYPE 3 - FAILURE TO EXTRACT (DOUBLE FEED)

- (a) The weapon did not extract the casing after firing. The slide has stripped a round from the magazine, jamming it into the expended casing that is in the chamber.
- (b) CORRECTIVE ACTION
  - 1. IDENTIFY - tilt the barrel up and to the side to allow visual inspection through the ejection port. Jammed round should be visible;

2. TAKE COVER! Reduce your exposure;
3. Lock the slide to the rear;
4. Release the magazine, stripping it out with the weak hand;
5. Drop the slide on the jammed round;
6. Insert new loaded magazine from pouch;
7. "Slingshot" slide to clear malfunction and chamber a new round;
8. Pull trigger to fire weapon. If the weapon did not clear it will take more to correct the problem than a field situation allows a secondary weapon may be an alternative.

#### **100.6 AMMUNITION COUNT - FIREARM MAGAZINE LABELED WITH AMMUNITION COUNT AND OFFICER IDENTIFICATION**

All commissioned members shall label each of their department authorized firearm magazine(s) with an accurate ammunition count and their name and/or badge number.

- Quartermaster will make a label maker or labeling equipment available upon request for personnel to label each of their department authorized firearm magazine(s) (both pistol and rifle magazine(s)).
- Ranger master and training team should periodically inspect officer's firearm magazine at range training to verify labeling is accurate.
- Officers should use each range training to confirm their firearm magazine ammunition counts are accurate and are labeled correctly.

Example:

1st magazine – round count should include all rounds in the magazine including the round chambered in the firearms. (17 rounds in magazine + 1 round chambered) would be labeled as 18 total rounds.

2nd magazine – round count would reflect what is in the magazine. (17 rounds in magazine) would be labeled as 17 total rounds.

3rd magazine – round count would reflect what is in the magazine. (17 rounds in magazine) would be labeled as 17 total rounds.

## Quartermaster Supply System

### 101.1 STRUCTURE

- (a) The Equipment Committee will recommend uniform and personal equipment specifications to the Chief of Police for approval prior to implementation.
- (b) The Administrative Services Division will appoint and supervise a department Quartermaster.
- (c) The Quartermaster is responsible for obtaining bids for all covered items, managing uniform/equipment stock, determining serviceability, and issuing or return items in accordance with this procedure.

### 101.2 ITEM REPAIR AND REPLACEMENT POLICY

- (a) The department will replace serviceable items which are deemed necessary to replace due to promotion or demotion.
- (b) Any serviceable item meeting current department specifications, which is returned to stock for any reason, may be reissued.
- (c) Optional items must originally be purchased by the member, however, their replacement will be issued.

### 101.3 PROCEDURE

- (a) Members shall submit all items for repair/replacement directly to the Quartermaster.
- (b) Upon receipt, the Quartermaster:
  - 1. Inspects the item for serviceability and whether the item, if unserviceable, is to be repaired or replaced.
  - 2. If the item is deemed unserviceable, retains the item and either forwards a purchase authorization to the member or issues a temporary replacement for the item (if necessary) and provides for its repairs, or
  - 3. If the item is deemed serviceable, submits the item to the Administrative Services Division Commander and if he/she concurs, returns the item to the member with an explanation.
  - 4. A supervisor may direct members to replace specific unserviceable items.

### 101.4 UNIFORMS/EQUIPMENT FOR NEW-HIRE COMMISSIONED PERSONNEL UNIFORMS

The Quartermaster maintains a list of issued and approved uniforms and equipment.

## Preparation of Lesson Plans

### 102.1 DEPARTMENTAL LESSON PLANS

Preparation for all departmental training classes will include the development of lesson plans by the instructor. Lesson plans will be developed by the instructor, reviewed by the training coordinator, and approved by the Chief of Police.

### 102.2 PREPARATION OF LESSON PLANS

- (a) Lesson plans for department training must follow the attached format (See attachment: Lesson Plan Format.pdf) and be submitted for approval at least ten working days before the training is to occur. It is important for staff to be afforded the opportunity to review the contents of the training prior to the course beginning and allow time for any required changes to be made.
- (b) The lesson plan format includes the following:
  1. A face sheet for hi-lighting the author, training topic, approval, schedule, instructors, etc.
  2. Job Task analysis - What job tasks are being addressed by the training
  3. Goals and Objectives - What are the goals and objectives of the training
  4. Lecture (if applicable) - Description/outline of lecture content
  5. Demonstration (if applicable) - Description of any demonstrations
  6. Practice Drills (if applicable) - Description of any practice drills
  7. Practical Testing (if applicable) - Description of any practical testing exercises.
  8. Other informational areas may be included as necessary depending on the training to be accomplished (e.g. listing of resources, reference materials, etc.)
  9. All materials are to be submitted with the lesson plan for review by the training coordinator and approval by command staff.
  10. A sign-up sheet will be published by the training coordinator and the completed roster should be included in the final submission after instruction has been given. Attendance and test scoring will be monitored by the instructor and submitted to the training office on completion of classes.

# Electronic Home Detention Court Commitment Procedures

## 103.1 PURPOSE

All Renton Municipal Court commitments, where jail time is ordered, will be recorded, tracked, stored, signed off with time served, and returned to the court after completion by the Renton Electronic Home Detention Coordinators.

The steps for completing this process are as follows:

## 103.2 IN CUSTODY COMMITMENTS

- (a) After sentencing, a copy of the completed Renton Municipal Court commitment showing appropriate sentencing information will be faxed by Renton Municipal Court to the SCORE Jail. A copy will be faxed to the EHD office or placed in the court EHD mailbox.
- (b) EHD will record the commitment, documenting pertinent defendant information for tracking and any future disposition inquiries.
- (c) Defendants will be screened for EHD eligibility and contacted at SCORE, if necessary.
- (d) At the completion of jail time, or the payment of a fine, the commitment will be documented appropriately with completion information by the EHD Coordinators and returned to the Renton Municipal Court to be placed in the defendant's case file.

## 103.3 OUT OF CUSTODY COMMITMENTS

- (a) After appearance in Renton Municipal Court, where jail time is ordered, defendants will contact the EHD Coordinators, in person or by phone, to schedule jail time and inquire about EHD eligibility.
- (b) A completed Renton Municipal Court commitment will be left in the court EHD mailbox by the Renton Municipal Court Specialist.
- (c) The EHD Coordinators will document the commitments with the appropriate assigned jail report date and return a copy to the Renton Municipal Court Specialist to be placed in the defendant's case file.
- (d) The Renton Municipal Court commitment will be recorded in the computer showing name, cause number, jail report date, and other pertinent information, to allow tracking and answering of any inquiry questions.
- (e) The EHD Coordinators will process the defendant, enroll them in the Renton Electronic Home Detention Program, and sign off the commitment showing time served after completing the sentence, and return the commitment to the court.
- (f) If the defendant is not eligible for Home Detention, or not able to participate in the EHD Program for any reason, the commitment will be filed under the appropriate scheduled jail report date to ensure the defendant complies with the order. If the defendant does

not report, as scheduled by the EHD office, the commitment will be returned to the court so a warrant can be issued.

- (g) If the defendant reports to serve the sentence at SCORE, the commitment will be tracked, documented properly by the EHD Coordinators after time is served, and returned to the court to be recorded and placed in the appropriate case file.

## Review Board

### 104.1 PURPOSE AND SCOPE

The Review Board is a committee that reviews and recommends disciplinary action to the Chief of Police for employees involved in traffic collisions, vehicle damage, missing equipment, and other on-duty mishaps. There are specific guidelines that the committee is to follow, see *Review Board Rules*.

### 104.2 COMMITTEE STRUCTURE

The committee consists of a chairman, alternate chairman, two members of staff, one alternate staff member, two Guild representatives, one alternate Guild member, and a secretary. See Review Board Binder for the current list of members and guidelines.

#### 104.2.1 REVIEW BOARD SECRETARY

The role of Review Board Secretary is record keeper and scheduler. Currently this is a duty of the Chief of Police's Administrative Assistant.

### 104.3 MEETING FREQUENCY

The committee usually meets on odd months (e.g., Jan, Mar, May) in the afternoon of the second Thursday. Special meetings can be scheduled by the chairman.

Make sure that Conference Room B is scheduled at 2:00 p.m.

### 104.4 CASE FILES

The Review Board case files are in the bottom drawer of the pedestal cabinet behind the Administrative Assistant's chair. They contain the following:

- (a) Committee procedures and member duties
- (b) Current list of members
- (c) List of pre-set meeting dates for the year
- (d) Record sheets for employees
- (e) Work sheets for the committee

### 104.5 INCIDENT REVIEW

After an incident takes place, an electronic file is forwarded through the chain of command as well as the Review Board Secretary. These should be in the electronic file under the next Review Board date. The original documents should also be forwarded to the Review Board Secretary. The original is then sent to the Chief for sending the incident to the Review Board. If you have only received a hard copy, make sure you scan it yourself and put it in the proper folder.

- (a) About 10 days prior to the Review Board date process the paperwork as follows.
- (b) There is a folder on I:Review Board. A folder has been created for each date that the Review Board meets for the year.

1. In the appropriate dated folder, create additional folders for each Review Board incident by using the next number from the previous Review Board (e.g., RB-09-10, RB-09-11).
  2. On each of the original incidents, write the assigned Review Board number at the top.
  3. Move the PDF documents that have been sent to your email into the appropriate folder.
- (c) Pull up the last Review Board Memo from the previous month's folder and use it as a mask for the current one.
1. Email the Review Board Hearing Memo to all Review Board Members as well as those on the list.
- (d) Email all review board members AND each person with a case on the Review Board, a copy of the Memorandum list of cases.
1. Email just the review board members the electronic copies of each case.
- (e) Complete a blue Review Board file folder for each incident. These folders can be found in file cabinet 4 in the Supply room.
1. I:ReviewBoard:reviewboard labels. Make new labels for each file.
  2. On the left of the folder, put a copy of the Review Board Memo.
  3. On the right will go the original Review Board packet of information.
- (f) Lost Equipment Found Example: Electronic and hard copy of a case of an employee who has lost equipment. The equipment was found prior to the Review Board Meeting.
1. The case is sent back to the supervisor via the Chief.
  2. If a number has been assigned, it is voided and the employees name does not go on any memorandums or lists (revise memorandums if necessary).
- (g) The Thursday before the Review Board meeting (seven days prior), post a copy of the most current memo on the bulletin board in the Officers' Workroom.

On the day of the Review Board Meeting, pull any discipline within two years from the employees personnel file. Hold the stack for the Chairman who will request the stack. When they are finished with the information, these can be shredded.

- (a) The Review Board Binder and past RB cases are not available to the Board Members to view. They are considered "meeting minutes," and are kept in case of any legalities.
- (b) The pending blue Review Board folders as well as past discipline will be given the chairman for the meeting.

The Review Board will review and discuss the incidents, decide if behavior was "appropriate" or "inappropriate" and make any recommendations for further action.

#### **104.6 AFTER THE MEETING**

After the meeting, the chairman will compile the results of the discussion for the secretary to process. He/she will then return to the secretary the rough copy for the secretary to re-create, or he/she will send an electronic copy that has already been completed.

- (a) If it is your responsibility to fill out the form, pull up the template and fill it out appropriately. Save to the proper electronic folder.
  - 1. Make three photocopies of the typed results.
  - 2. File a copy in the Review Board jacket with the handwritten results.
  - 3. Place the original printed results in a sealed envelope addressed to the specific officer and place it in their mailbox.
  - 4. Place the remaining two copies in the pending folder of the Review Board files and mark your calendar for seven days from the time the results have been completed.

On the eighth day after the Review Board Hearing, or after officers are notified:

- (a) Check with the chairman to see if any appeals have been received.
  - 1. If an officer appeals his case within seven days, the process is repeated for that case.
  - 2. If no appeal has been received, continue here.
- (b) Use one copy to create memo for disciplinary recommendations from the chief.
- (c) The remaining copy is posted, MINUS THE RECOMMENDATION, on the bulletin board in the Officers' Workroom.
  - 1. Cut off and shred the "recommendation" portion off the bottom of the typed results prior to posting.
- (d) Using samples from the Review Board electronic folder such as Review Board Counseling, Review Board Reprimand, etc. create memo for the Chief to sign.
  - 1. Include a copy of the Review Board's decision with the memo and submit to the Chief for his/her signature.
- (e) When signed, put a copy in the Review Board file of the decision and the letter to the employee.

If no discipline is required, the original memo goes to the employee, and a copy to the Review Board file. Nothing goes to the personnel file.

If discipline is required:

- (a) Complete the memo to the Commander requiring discipline, attach the Review Boards decision, and the memo to the employee. The blue folder will continue to stay in your possession until you receive a memo from the Commander stating that the discipline has been completed.
  - 1. A copy of the discipline goes into the Review Board file, and the personnel file.

#### **104.7 APPEAL PROCESS**

If an appeal is received within seven days, the chairman will call a special meeting to review the case again with the officer present.

When typing the meeting memo, be sure to consult the Review Board Rules. There are to be different Board members present for the second review (usually the alternates).

Be sure to put a copy of the memo in the RB jacket and note the appeal on the individual's record sheet in the Review Board Binder.

The process starts again.

#### **104.8 HOUSEKEEPING**

- (a) The Review Board Log is divided into information and current employees. Former employees and retirees are in a separate book in the pedestal drawer.
- (b) Review Board files are kept for six years plus current. Anything on major incidents (disciplinary) are also in the individual's personnel file.
- (c) In January, purge the Review Board drawer of the oldest files - anything past six years.
- (d) In the Review Board Log, match the purged RB jackets with the incident in the book.
  1. In the right hand margin, next to the incident being purged write "destroyed" and the date.
  2. On the I drive under Destruction of Records you will need to list which files you are going to destroy using the same type of information from previous years.

## Lethal Force Review Board Procedure

### 105.1 MISSION STATEMENT

It is the mission of the Renton Police Department Lethal Force Review Board to thoroughly investigate lethal force applications by department members, while maintaining focus on the rights of the officer(s), the integrity of the Department and the trust of the public.

### 105.2 RESPONSIBILITIES AND CRITERIA

- (a) The Chief of Police will schedule a meeting of the Lethal Force Review Board (LFRB) after each lethal force application by a department member.
- (b) The LFRB will convene within 30 calendar days after the completion of the investigation.
- (c) The LFRB convenes to investigate and review the use of lethal force and make findings as to the adherence to department policy during the incident. The LFRB will then make recommendations to the Chief of Police.
- (d) The LFRB will review and discuss reports and evidence available to include listening to all communications regarding the incident.
- (e) The LFRB may call witnesses deemed necessary, including detectives and officers. If civilians are called, they cannot be compelled to attend.
- (f) The subject(s) of the inquiry may call mutually agreed upon expert witnesses to testify at the hearing.
- (g) The LFRB will discuss and review all information provided to the Review Board.

### 105.3 COMPOSITION

The LFRB will consist of five members, appointed by the Chief of Police. At least one of the board members will be a Renton Police Officer's Guild member. It is vitally important that the LFRB be comprised of members who are exceptionally well versed in current deadly force case law and department policy. Because of this, member appointments should be long term and only changed when necessary.

Other department members who have an interest in the process, such as RPOG, Range Master, DT Instructors, EVOG Instructors may be allowed to attend as observers. Assigned Board Members would still be free to take testimony from these individuals. Observers will not participate in the findings and recommendations process. The Chief will assign a Chairperson on the LFRB.

### 105.4 DETERMINATIONS

The LFRB shall make findings of facts and conclusions as to the circumstances surrounding any reviewed lethal force application. Once the LFRB has adjourned a hearing, the Chair will ensure a preliminary report is prepared and delivered to the Chief within 30 calendar days. The following is a framework of what the report may contain, but is not limited to the following:

- (a) Summaries of the incident and Board's deliberations.

## Supplemental Procedures

### Supplemental Procedures

#### *Lethal Force Review Board Procedure*

---

- (b) Recommendations regarding equipment, tactics and/or policies.
- (c) Determination of the below listed questions and other questions necessary to make proper findings and recommendations:
  - 1. Was the force necessary to protect the member or others from what he/she reasonably believed was an imminent threat of death or serious physical injury?
  - 2. Did the member use deadly force to capture/seize a dangerous suspect having probable cause to believe that the suspect had committed a crime involving the infliction or threatened infliction of death or serious physical injury?
  - 3. Did a reasonable effective alternative to the use of force appear to exist to the officer?
  - 4. Was the amount of force used reasonable to affect the lawful purpose intended by the officer?
  - 5. Did the actions of the officer contribute to the need to use lethal force?
  - 6. If feasible, was a warning verbalized by the member?

#### **105.5 FINDINGS AND RECOMMENDATIONS**

Once the LFRB has concluded the hearing(s) they are asked to make a finding whether the application of lethal force was found to be:

- (a) Reasonable; the member's actions were within department policy and procedures. No further actions to be taken or the Board may submit recommendations.
- (b) Not Reasonable; the Board has identified a policy violation; a policy failure, a training deficiency, or the use of lethal force was unintentional. Recommendations may include:
  - 1. Refer to Internal Investigations.
  - 2. Refer to the Training Unit for corrective action or re-training in specific areas.
  - 3. Refer to Professional Standards Division for policy review.

If members of the LFRB have dissenting opinions regarding any part of the findings and recommendations, those members may submit their dissent in an addendum to the Board's report.

To conclude the LFRB process, the Chief will review the findings and recommendations of the LFRB and take the following steps:

- (a) Concur with the findings, close the matter and file documentation according to the records retention schedule.
- (b) Not concur with the findings and assign appropriate person(s) to investigate specific issues or concerns.
- (c) Notify involved members, in writing, of the findings and recommendations of the LFRB.

If the application of deadly force resulted in a death, the Chief will delay his final determination until after an inquest is completed.

## Extended Policy - Specialty Assignments

### 106.1 POLICY

It is the policy of the Renton Police Department to regularly rotate the assignment of personnel in order to provide opportunities for individual growth, improve job satisfaction, improve performance, fulfill career goals, and to broaden the overall experience level of the Department.

Each Division Commander having an assigned specialty position shall establish and maintain a current personnel rotation schedule for all officers and sergeants assigned that position.

Upon the successful completion of an eighteen-month evaluation period, an officer will be assigned the rotation of January 1st of the (fourth, fifth, sixth, eighth) calendar year after initial assignment to the (insert specialty here) Division.

The Commander of the member's Division, subject to the approval of the Deputy Chief, may extend members from rotation.

An extended status is assigned at the discretion of the Deputy Chief and Division Commanders with the approval of the Chief of Police, and may be revoked upon written notice to the individual involved. In such an event, the individual shall be:

- (a) Reassigned to the Patrol Operation's Division if their originally scheduled rotation date has passed; or
- (b) Retained in their current division until the originally scheduled rotation date.

### 106.2 PURPOSE

There are times when the benefit of allowing an employee to remain beyond their normal rotation significantly outweighs normal protocol. Reasons for an extension are wide ranging, but include the division's need to maintain a member's high level of expertise, specialized training, organizational knowledge, performance, and leadership ability.

### 106.3 PROCESS

Members completing their normal rotation in January may be considered for an extended status for an additional year. Subsequent one year exemptions may be granted as outlined below.

At least six months before a member is scheduled to rotate out of the Division, the Division Commander and Sergeant(s) will evaluate the Division and determine:

- (a) If any member(s) currently extended should remain for an additional year and;
- (b) If any member who is concluding their normal year rotation within the next year should be considered for an extended status.

The overall needs of the organization will be weighed against the policy.

In considering a new or continued extension, the focus will be on the anticipated needs of the Division and Department, as well as the members adherence to the following standards.

#### **106.4 PERFORMANCE STANDARDS**

Members wishing to be considered for an extension or maintain an extended status are also expected to be Division role models by maintaining the highest standards of performance. Areas of consideration are:

- Adhere to the Renton Police Department's Core Values and Department Mission Statement.
- Conduct themselves in a manner which supports teamwork by constructively assisting and cooperating with other members, divisions, ranks and outside agencies.
- Be productively engaged in the Department's work while on paid time.
- Demonstrate a willingness and aptitude to train and mentor less experienced members assigned to the Division.
- Find constructive ways to handle differences.
- Avoid open unproductive, repeated complaints about Department and City administration, policies, and procedures. Discuss complaints with supervisors in a constructive, respectful manner. Suggest practical, constructive alternatives and be willing to contribute to realistic solutions.
- Positive, professional attitude, appearance.
- Represent the Division in a positive manner.

#### **106.5 SPECIFICALLY IN INVESTIGATIONS**

- Consistently be available for, and respond to, call-outs and in-custody interviews on weekends.
- Actively assist and cooperates with other members, divisions and outside agencies.
- Demonstrate a strong work ethic by conducting thorough investigations with the ultimate goal of charging or apprehending suspects while producing clear, readable and well organized cases.
- Expected to prepare and present court cases in a manner, which most effectively supports successful prosecution.
- Find innovative ways to assist with ongoing, formal training related to their area of expertise, knowledge, training or skills.

## Use of Force Policy: TASER Conducted Electrical Weapon

### 107.1 POLICY

The TASER X26 and X2 Conducted Electrical Weapons (CEW) are incorporated into the department's policy on use of force.

### 107.2 TRAINING AND QUALIFICATION PRIOR TO USE

Department members will receive training and pass a qualification exercise prior to carrying or using the TASER CEW. The training plan will be in accordance with factory guidelines, approved by the department, and given by a certified TASER CEW instructor.

Department members who carry or use the TASER CEW will also be required to successfully complete training and requalification at least annually.

### 107.3 MAINTENANCE OF RECORDS

- (a) The Administrative Services Division will keep records on training and qualification of each member, and a record of each TASER CEW, as already required per General Orders.
- (b) After a TASER CEW application, the Training Unit will be notified so a download can be done of the TASER CEWs dataport.
  - 1. As soon as practical, the officer will notify a supervisor to put the TASER CEW out of service and forward it to the Training Unit for download. The patrol supervisor will issue the officer a spare TASER CEW from the sergeant's locker.
  - 2. The supervisor receiving the CEW will ensure that an email is sent to the Training Unit advising that a download is required.

### 107.4 DEPLOYMENT OF TASER CEWS, CARTRIDGES AND BATTERIES

- (a) Only department-issued TASER CEWs, TASER CEW cartridges, and TASER CEW batteries will be authorized for use.
- (b) Officers should perform an operational check of the TASER CEW at least once per rotation. For the X26, the check should be conducted by removing the cartridge and running one complete five-second spark cycle, then checking the CID to ensure sufficient battery capacity. For the X2, the check should be conducted by pressing the ARC switch for at least two-to-three seconds to determine that the unit sparks, then checking the CID for faults and battery capacity. The battery should be replaced when it has less than 20% capacity remaining.
- (c) The department will issue green, 25-foot extended-probe cartridges for use in the field. Spare CEW and cartridges will be stored in the patrol sergeant's locker.

##### **107.5 APPLICATION OF THE TASER CEW**

When the TASER CEW is applied by firing probes, it is an intermediate level of force. Firing probes at a person should be considered a higher level of force than a non-probe “drive-stun” application to the same targeted area of the body.

Use of force must be in compliance with state law, Chapter 324, 2021 Laws and RPD use of force policy.

A non-probe drive-stun application to a primary target area is considered a pain-compliance technique commensurate with hard, empty-hand strikes.

- (a) The TASER CEW is authorized for use against aggressive dogs or other animals.
- (b) The preferred target area for probe deployment will normally be the lower center-of-body mass, ideally with one probe above and one probe below the beltline. The preferred target area for drive-stuns will normally be a large muscle group below mid-torso, ideally at a motor nerve “pressure point”. Members will not purposely target the head, neck or genitals except in circumstances manifesting substantial danger of death or serious bodily injury to any person.
- (c) The TASER CEW will not be used:
  - 1. In the presence of explosive or flammable chemicals or fumes.
  - 2. Except in circumstances manifesting substantial danger of human death or serious bodily injury, the TASER CEW will not be used on:
    - (a) Obviously pregnant women;
    - (b) Infirm or very elderly persons;
    - (c) Very young children
- (d) The application of the TASER CEW will be in compliance with all state and federal laws and department policies regarding the use of force.

##### **107.6 SUSPECT CARE FOLLOWING USE**

- (a) Embedded probes may be removed at the scene by a department member only if:
  - 1. The member has been trained in the safe removal of the probes, AND
  - 2. The probes are not embedded in the person’s head, neck, or genital areas.
  - 3. The member should ensure that no part of the probe remains in the subject’s body.
- (b) Probes embedded in the person’s head, neck, or genital areas will be removed by qualified medical personnel.
- (c) All subjects who have been struck by probes or who have received an electrical discharge from the CEW should be assessed by qualified medical personnel prior to booking or being released.

#### *Use of Force Policy: TASER Conducted Electrical Weapon*

---

A peace officer shall also render aid at the earliest safe opportunity in accordance with RCW 36.28A.445, to any person injured as a result of the use of force. Chapter 321, 2021 laws, (SB 5066, 2021).

#### **107.7 USE OF FORCE REPORTS**

- (a) Since the TASER CEW is a weapon, it is already covered by the mandatory reporting requirements.. Any application of the TASER CEW must therefore be reported as a Use-of-Force Report.
- (b) In addition to the written report, any firing or application of the TASER CEW will be reported verbally to the supervisor as soon as practical following the application.
- (c) Force has been applied by means of the TASER CEW whenever:
  - 1. A probe strikes the person, even if no electricity is conducted; OR
  - 2. Any electricity is conducted to the person, even if no probes hit; OR
  - 3. Probes are fired at a person, even if no probes hit or no electricity is conducted

See use of force policy 300 for state reporting requirements.

#### **107.8 COLLECTION OF CEW EVIDENCE**

- (a) Expended probes, wires, cartridges, and at least one AFID tag from each fired cartridge should be collected and submitted in to evidence whenever:
  - 1. Probes are deployed at a person, regardless of whether any probes contact the subject or electricity is conducted
  - 2. If it is not possible to recover one or more of these items, the circumstances must be documented in the report of the officer deploying the CEW.
- (b) Probes which strike a person will be considered a blood-contaminated sharp object and should be cautiously handled and appropriately packaged. Recovered probes should be carefully placed sharp-tip-first into the round probe bays in the front of the expended cartridge. Place tape over the front of the cartridge to contain the probes.
- (c) Care should be taken to ensure the cartridge and wires are packaged as closely as possible to their fired state. The wires should not be stretched-out or manipulated more than necessary.

## Gifts and Gratuities

### 108.1 PURPOSE AND SCOPE

This policy applies to any item of value received by an employee in the course of their duties.

### 108.2 POLICY

- (a) Department employees shall not accept any gift or other item if it appears that the person offering the gift is trying to influence the employee.
  - 1. Several gift/gratuity situations are prohibited.
    - (a) Soliciting or receiving any thing of monetary value that would, to a reasonable person, appear to have been accepted with the intent to give or obtain special consideration or influence.
    - (b) Using or attempting to use their official position for a purpose that is for the private benefit of the Department employee or any other person.
    - (c) Soliciting or accepting any gift or gratuity from other Department employees if such items would adversely affect the actions of the employee in connection with police operations.
    - (d) Offering or agreeing to purchase any item of private property from a non-criminal justice employee, when the contact with the owner or agent of the owner is as a result of the employee performing his/her Department duties, without Department approval. This prohibition to purchase specifically includes firearms and real property.
    - (e) Becoming financially or otherwise indebted to any other employee to the extent that work performance is affected.
    - (f) Soliciting any personal notoriety and/or award or soliciting or accepting any reward for services rendered incident to their position or duty as an employee of the Department.
    - (g) Soliciting or accepting free admission to the theaters and other places of amusement for themselves or others, except in the line of duty.
  - 2. Employees receiving prohibited gifts or gratuities are required to report and document such items.
    - (a) Through a memo to chain of command.
- (b) Employees may accept the following unsolicited items unless it would appear to a reasonable person that the item had been offered with the intent to influence the employee's official actions.
  - 1. Advertising or promotional items valued at \$25 or less.
  - 2. Items valued at \$25 or less that are placed in a common area where they are shared with coworkers.
  - 3. Items with an aggregate value that does not exceed \$50 from a single source in a calendar year.

11. Anonymous purchases of food for an individual officer, with the total value of \$10 or less.

## Extra-Duty Employment

### 109.1 POLICY

Department members may engage in extra-duty employment where a government, profit-making, or non-profit entity has an agreement with the City of Renton and the Renton Police Department for law enforcement officers who are able to exercise police powers. All commissioned officers are authorized to work extra-duty law enforcement employment unless otherwise directed by the Chief of Police or his designee. Probationary officers may work extra-duty assignments after earning solo patrol status, with the approval of their division commander.

- (a) Extra-duty services which may be approved include:
  - 1. Private business security;
  - 2. Traffic control and pedestrian safety;
  - 3. Crowd patrol;
  - 4. Routine law enforcement for public authorities;
  - 5. Plainclothes assignments.
- (b) Extra-duty employment will not be approved when officers are requested to work under the following circumstances:
  - 1. Any occupation of a menial nature, when in uniform or otherwise identified as an officer, which would tend to lower the dignity of the police service.
  - 2. As a process server, bill collector, or any other employment which may require the use of police power for a private purpose.

### 109.2 COMPENSATION, HOURS AND RESPONSIBILITIES

Officers working extra-duty employment are considered employees of the City of Renton Police Department. The City of Renton, who is reimbursed by the extra-duty employer, compensates department members for extra-duty employment. Officers shall comply with all department policies and procedures while working in an extra-duty capacity.

- (a) The rate of compensation for extra-duty employment is articulated in the agreement between the City of Renton and the Renton Police Officers' Guild;
- (b) The City of Renton indemnifies members engaged in extra-duty employment;
- (c) Work hours for all extra-duty employment must be scheduled in a manner that does not conflict or interfere with the member's performance of their primary duties;
- (d) Officers engaged in extra-duty employment may be requested to respond to emergency calls for service and are expected to leave their extra-duty employment in such situations.

## Assigned Take Home Vehicle Use Policy

### 110.1 PURPOSE AND SCOPE

The Department provides a take home vehicle program for all commissioned and some non-commissioned personnel. The city of Renton reserves all rights governing the use of department vehicles and has established a policy that regulates use of department vehicles in order to maintain a system of accountability and efficiency in operations.

All members who choose to participate in this program shall understand that authorization and use of an assigned vehicle can be revoked at any time by action of the Chief of Police or his/her designee when it is determined to be in the best interest of the City or if the member has failed to comply with departmental rules or regulations. Any violation of this policy is cause to remove an assigned vehicle from a member and shall not preclude additional disciplinary action.

### 110.2 RESIDENCY AND DISTANCE REQUIREMENTS

- All members who choose to participate and are assigned a take home vehicle under this program, must live within a straight line distance of 30 miles from the City.
- Members who live outside of the 30 mile distance effective January 1, 2018, will be allowed to participate in the program under a “grandfather” clause. However, should the members choose to relocate even further from the City they would fall under the paragraph below.
- Members who live outside this boundary may leave their assigned take home vehicle at City Hall or seek approval from the Chief of Police for an alternate parking location when the vehicle is not in use. Examples of alternate parking locations could be a secured area such as a police or fire station within the 30 mile radius or other state or local owned facility where there is secured parking.

### 110.3 SECURITY AND STORAGE

- Unattended vehicles shall be locked at all times. Members are responsible for checking the security of weapons and computers in the vehicle. Members should remove all weapons and sensitive police equipment prior to maintenance.
- Members who are on vacation in excess of two weeks or otherwise absent for an extended period of time, shall leave their assigned marked take home vehicle at City Hall for use by other members.
- Members who park their vehicle in front of or near their homes should park in a reasonably safe location that enhances the security of the vehicle through natural or artificial lighting.

### 110.4 UNSCHEDULED USE OF VEHICLES

- Personnel utilizing their vehicle for any other purpose than normally assigned duties shall notify their supervisor. Training, court appearances, maintenance, or other work related travel needs are acceptable uses.

# Renton Police Department

## Supplemental Procedures

### Supplemental Procedures

#### *Assigned Take Home Vehicle Use Policy*

---

- Members shall use discretion, but may on occasion stop if necessary while traveling to or from the city to complete a personal task as long as it is within a reasonable distance along their route of travel. However, members shall not purchase alcoholic beverages while traveling in a department vehicle.

#### **110.5 AUTHORIZED PASSENGERS**

- Members operating an unmarked department vehicle may occasionally drop off or pick up a family member while traveling to or from work if it's within a reasonable distance along their route of travel. Members should get approval from their supervisor if there's a need to transport a passenger other than a family member outside of official business or duties.
- Members will comply with all passenger restraint requirements as required by law.

#### **110.6 ISSUANCE OF AN ASSIGNED TAKE HOME VEHICLE**

Members may be assigned a take home vehicle based on availability and department needs to maintain operations and efficiency. The Department will attempt to assign a vehicle to a commissioned officer upon the successful completion of the Field Training Officer Program and with the authorization of a supervisor. Non-commissioned members may be assigned a take home vehicle on the successful completion of training and the authorization of a supervisor.

#### **110.7 COLLISIONS, DAMAGE, MISUSE AND MAINTENANCE**

- Any time a vehicle is involved in a traffic collision regardless of how minor, a supervisor shall be notified immediately. An investigation will be conducted consistent with our current policy.
- Any damage to a vehicle, not caused by a collision, shall be immediately reported to a supervisor. An investigation into the damage will be initiated consistent with our current policy.
- Any administrative investigation that determines a member has abused or misused a vehicle could result in a disciplinary action which may include loss of an assigned take home vehicle.
- In the event of a collision or extended maintenance, the member will be expected to find alternative means to travel to work. While on duty, the member may be assigned a department vehicle from the fleet (i.e., Spare).
- It is the responsibility of the member to schedule routine maintenance.

#### **110.8 ENFORCEMENT ACTION**

- When driving to and from the city, members should exercise discretion in becoming involved in enforcement action except in those circumstances where a potential threat to life or serious property damage exists.
- Members may render aid to a stranded motorist when deemed prudent.

- When reasonable, members shall notify dispatch of their actions and take into consideration safety issues of being outside the city, in an unfamiliar location, and alone.

#### **110.9 ASSIGNED TAKE HOME VEHICLE RULES**

- Each member shall be responsible for the care and cleanliness of their assigned vehicle. This expectation includes the interior and exterior of the vehicle and any assigned equipment within the vehicle.
- Department supervisors will be responsible for periodic inspections of vehicles assigned to employees to insure compliance with the intent of this policy. All department vehicles are subject to inspection at any time by a supervisor and there is no expectation of privacy with respect to the vehicle or its contents.
- Commissioned Personnel shall carry a firearm, ballistic vest and police identification with them when operating a marked vehicle.
- Employees operating a marked Renton police vehicle shall be dressed in their uniform of the day at all times while in operation of the vehicle, with equipment and resources necessary to take enforcement action.
- Officers shall have their police radios on when in the vicinity of Renton and surrounding agencies and if necessary respond to emergency calls. The member shall notify the dispatcher that they are responding.
- There shall be no modification of vehicles in either performance or appearance without approval from the Chief of Police.
- The member is responsible for any fees such as tolls, camera enforcement, parking citations, incurred outside the city limits or while traveling off-duty to or from the city. Any tolls incurred during on-duty activity will be reported to their supervisor and will be reimbursed if unavoidable.
- Members may purchase a "Good to Go" pass at their own expense.
- Members who are on light duty shall not operate a marked police vehicle until they are cleared to return to work and can safely operate a motor vehicle as documented by a doctor or other health care professional. Any deviance to this rule must be approved by the Chief of Police.
- Under no circumstances will vehicles be operated by employees who are under the influence of alcoholic beverages or any substances that would impair driving ability.
- Commissioned Members with mobile computers shall be logged in as they enter the city limits and may log off when they leave the city limits after shift.
- Members are responsible for fueling their vehicles with city provided fuel.
- The use of a hand held cellular phone is discouraged while operating a department vehicle. Members are encouraged to use a hand free device while operating a vehicle.
- Law Enforcement has an exception in the rules governing the use of HOV lanes. However, members shall not use HOV lanes while commuting to or from work. HOV lane use shall be limited to on-duty use only.

## Code of Conduct

### 111.1 PROCEDURE

The department's Code of Conduct Policy also provides a uniform means of recognizing actions or performances by members of the Police Department which are exceptional.

When a department member performs a meritorious act which is perceived to be worthy of greater recognition than afforded by a Letter of Commendation:

The nominating member will:

- Complete a separate Commendation Report for each person involved.
- Submit the approved report to the candidate's immediate supervisor.

The candidate's immediate supervisor will:

- Request review of the report by the involved member, for purposes of accuracy.
- Submit the approved report to the Employee Recognition Board, via normal chain of command.

The involved member will:

- Review the Commendation Report for accuracy.
- Return the corrected and/or approved report to the supervisor or command officer from whom he/she received it.

The involved member's command officer will:

- Review the Commendation Report.
- Initial the report.
- Forward the report through the chain of command to the Chief of Police.

The Chief of Police will:

- Bring the Commendation Report to staff for review.
- Obtain a consensus recommendation from staff as to which, if any, award the candidate should be awarded (the staff recommendation is non-binding upon the Chief of Police).
- Return the Commendation Report to the submitting person, should approval be denied or accomplish one of the following:
  - Personally present or delegate the presentation of one of the following awards:
    - Distinguished Service Medal and Certificate;
    - Meritorious Service Medal and Certificate;
    - Superior Tactics and Response Service Medal and Certificate;
    - Life Saving Medal and Certificate;

- Maintain the approved Commendation Report permanently in the member's personnel file.

#### **111.2 LETTER OF COMMENDATION**

When a department member performs a commendable act, which is perceived to be worthy of a Letter of Commendation. Any other member of higher rank or position than the member to be commended may submit a Letter of Commendation on behalf of that member, via the normal chain of command, to the Chief of Police.

- No copy shall be provided the member at this point.

The Chief of Police, upon receipt of the Letter of Commendation, will either:

- Cause the Letter of Commendation to be placed in the member's personnel file, with or without additional comment;
- Provide the member with a copy;
- Return a copy of the letter to the member's commanding officer for presentation; or
- Return the letter to the submitting party, via the appropriate chain of command:
  - When the letter contains insufficient information;
  - When the incident lacks merit; or
  - When the incident is believed to be worthy of consideration for a higher award.

#### **111.3 TYPES OF AWARDS**

##### **111.3.1 MEDAL OF VALOR**

The Medal of Valor will be awarded to department members for acts which meet all of the following conditions:

- When the act conspicuously displays extreme courage, beyond the normal demands of police service;
- When failure to take such action would not justify official censure;
- When substantial risk to the member's physical safety actually existed, and the member was unquestionably conscious of this imminent threat;
- When the objective was logically believed to be of sufficient importance to justify the risk taken; and
- When the member accomplished the objective, or was prevented from doing so by incurring a disabling injury or death.

##### **111.3.2 DISTINGUISHED SERVICE MEDAL**

The Distinguished Service Medal will be awarded to department members for acts which meet all of the following criteria:

# Renton Police Department

## Supplemental Procedures

### Supplemental Procedures

#### *Code of Conduct*

---

- When the member manifests outstanding courage in the performance of duty under circumstances less than those required for the Medal of Valor;
- When a serious risk to the member's physical safety actually existed, or when there was substantial reason to believe that such a risk was present;
- When the act indicated that the member was conscious of the imminent danger to his/her personal safety, or when a reasonable and prudent person would normally assume such a danger was present;
- When the objective was reasonably believed to be of sufficient importance to justify the risk taken; and
- When the member accomplished the objective, or was prevented from doing so by circumstances beyond his/her control.

#### 111.3.3 MERITORIOUS SERVICE MEDAL

The Meritorious Service Medal will be awarded when there is sufficient evidence of outstanding performance of duty on a single occasion, or meritorious performance over a period of time, notwithstanding any consideration of the member's physical safety.

#### 111.3.4 SUPERIOR TACTICS AND RESPONSE (STAR) MEDAL

The STAR Medal will be awarded to members who, through exceptional tactics, act to successfully control or resolve a critical incident, thereby setting a standard for safety and professionalism to which all officers should aspire.

#### 111.3.5 SERVICE AWARD

- For the purpose of this award, a “critical incident” shall refer to any rapidly unfolding and dynamic incident where the suspect is armed and the ability or intent to use lethal force is present but not readily apparent.
- “Exceptional tactics” shall include utilization of proper tactics and appropriate force which mitigated the level of danger to the officer and which were directly responsible for preventing the incident from escalating to a deadly force situation.

#### 111.3.6 LIFE SAVING MEDAL

The Life Saving Medal will be awarded to members who saved the life of another person. Factors for consideration are:

- The member was aware of the seriousness of the situation.
- The member acted purposely.
- The member did not carelessly create the situation causing the need for them to act.
- If the member had not acted, it was more likely than not the person would have died.
- The member rescued a person from what would have otherwise become a life threatening situation.

##### 111.3.7 PURPLE HEART MEDAL

The Purple Heart Medal will be awarded to members who receive a severe injury, in the line of duty that is intentionally inflicted by an adversary or during an intentional assault upon the member.

##### 111.3.8 LETTER OF COMMENDATION

The Letter of Commendation will be awarded when there is sufficient evidence of meritorious performance of duty on a single occasion, notwithstanding any consideration of the member's physical safety that does not merit the awarding of a medal.

#### **111.4 CITIZEN RECOGNITION POLICY**

The effective investigation, prosecution, and reduction of crime cannot be accomplished by the police without the support and cooperation of the citizens whom they serve. Each citizen must recognize his obligation to the community and his shared responsibility for its welfare. The Department seeks to further the acceptance of these duties through recognition of those citizens whose actions have contributed to the apprehension of criminals, the prevention of crime, or the safety of the community.

When a private citizen performs an act perceived to be deserving of Department recognition, any department member may request the recognition on behalf of the private citizen by submitting a written request to the Chief of Police via the chain of command.

Upon receipt of the request, the Chief of Police will evaluate the request, and accomplish one of the following:

- Request that the Mayor present a "Police Honor Citation";
- Issue a "Certificate of Appreciation";
- Return the request to the submitting member, via the appropriate chain of command;
- In the absence of adequate documentation; or
- When the substance of the incident is not deemed worthy of official or further recognition.

Classes of Awards and Commendations for private citizens:

- The Civilian Medal of Heroism will be awarded to a private citizen who performs an act of valor involving serious risk of personal injury or death.
- The Civilian Medal of Gallantry will be awarded to a private citizen who makes an exemplary contribution, or performs an outstanding act of service to the community which promotes the advancement of law enforcement.
- The Civilian Community Service Award will be presented to an individual or organization for assistance with a singular event or on-going project which aids the Police Department in the accomplishment of its mission.

#### **111.5 AWARD BAR FOR YEARS OF SERVICE WITH THE DEPARTMENT**

In an effort to recognize City of Renton Police Department employee years of service, employees are authorized to wear a designated ribbon on their uniform once they have 10 years of service

with the City. The service bar is blue centered and flanked by gray, and to be worn in the same manner as other department recognized ribbons. At 20 years of service a silver star will be placed in the center of the ribbon. At 30 years of service a second silver star will be placed in the center of the ribbon.

## Discipline System

### 112.1 PURPOSE AND SCOPE

Discipline is the responsibility of each individual. A well-disciplined police force is one that voluntarily and ungrudgingly conforms to all rules and orders.

The Renton Police Department employs a structured disciplinary system to be followed in case of alleged or suspected violations of Department rules, orders, City of Renton ordinances, Civil Service Rules, or any applicable state or federal statute by members of the Renton Police Department. This procedure is meant to assure the prompt and thorough investigation of complaints, clear the innocent, establish the guilt of wrongdoers, and facilitate fair, suitable, and consistent disciplinary action.

Discipline will generally be administered in a progressive fashion (i.e., from minimal to maximum). The seriousness of the incident, the circumstances surrounding the incident, the employee's past disciplinary records, the employee's past work performance, the overall negative impact on the organization the incident caused, and the prognosis for future similar problems will all be taken into consideration in the administration of discipline.

### 112.2 DISCIPLINARY ACTION

Upon conclusion of an investigation, if it is apparent that an employee is guilty of a rule violation, and disciplinary action is appropriate, discipline will be administered as follows:

- (a) Counseling/Training - If the employee misconduct is minor, consisting of only a minor procedural mistake or inappropriate judgment, employees, as a general rule, will be counseled or given appropriate training.
  - 1. The Administrative Services Division shall be responsible for developing and conducting in-service training for Police Department employees designed to further their knowledge and understanding of proper and effective police methods and techniques. The training should foster positive and constructive techniques for improving employee productivity, effectiveness and morale. The Department may mandate remedial training for employees found to be deficient in some necessary skills.
- (b) Written Reprimand - If the employee misconduct is serious or is part of a continuing pattern of behavior involving repeated minor misconduct or mistakes, employees as a general rule will be reprimanded. Reprimands will contain charges (what rules have been violated) and specifications (description of the conduct that constituted the rule violation). Reprimands will be part of an employee's personnel file.
- (c) Loss of accumulated time - If the employee misconduct is serious, or is part of a continuing pattern of behavior involving repeated serious misconduct, the employee may be recommended for loss of accumulated time. Recommendations for loss of accumulated time will be implemented according to current Civil Service Rules.
- (d) Recommendations for suspension/demotion - If the employee misconduct is very serious, or is part of a continuing pattern of behavior involving

repeated serious misconduct, employees may be recommended for suspension/demotion. Recommendations for suspension/demotion will be implemented according to current Civil Service rules.

1. Recommendations for suspension or demotion will include charges and specifications for the particular offense. Suspensions/demotions will become a part of an employee's personnel file.
- (e) Recommendation for dismissal - If the employee misconduct is so serious that continued employment is no longer appropriate or is part of a continuing pattern of behavior involving repeated serious or very serious misconduct, employees as a general rule will be recommended for dismissal. Recommendations for dismissal will contain charges and specifications for the particular offense. Dismissals will be implemented according to current Civil Service rules.

Actions that carry possible loss of accumulated time up to recommendation for dismissal will trigger an internal investigation.

#### **112.3 SUPERVISORY ROLE AND AUTHORITY**

In the disciplinary process, the role of the supervisor is:

- (a) To observe the performance, conduct and appearance of members, and detect those incidences when commendations or disciplinary actions are warranted;
- (b) To investigate allegations of employee misconduct, when within the scope of their activity and responsibility;
- (c) To recommend the most effective methods of discipline, taking into consideration the behavior history and personality traits of the personnel under their supervision;
- (d) To implement the disciplinary action approved by the Chief of Police.

Supervisors or command officers who personally observe employee misconduct have the authority to exercise limited disciplinary action.

- (a) If the misconduct is very minor, such as a minor mistake, departure from procedure, or the exercise of inappropriate judgment, the supervisor may take immediate corrective action in the form of coaching or counseling. Notification to a superior is optional. The employee's misconduct and the corrective action taken should be documented by the supervisor;
- (b) If the misconduct is serious, and the supervisor believes that a reprimand is appropriate, a memorandum explaining all of the details of the situation and outlining the supervisor's decision to reprimand, should be submitted to the supervisor's Division Commander. A reprimand should be prepared by the Division Commander and issued to the employee following review through the chain of command. Command officers, who are considering issuing a reprimand, are strongly encouraged to internally confer with their superior prior to issuance of the reprimand to insure the appropriateness and consistency of their actions;
- (c) If the misconduct is very serious and the supervisor believes that a suspension, demotion, or dismissal may be appropriate, a police/citizen complaint form should be

completed and forwarded as a sealed document to the Deputy Chief. The complaint is logged, and then assigned, per Chapter 52.

1. In these situations, supervisors should immediately, but internally, advise their superior of the circumstances surrounding the incident and any action they have taken;
2. If a supervisor believes it is necessary to relieve a member from duty because the conduct observed is extremely serious, or the officer is unfit for duty due to intoxication or other reasons, supervisors may make an emergency suspension for up to one day with pay to allow the investigative process to begin and higher authority to be informed.

#### **112.4 DISCIPLINE - PROCEDURE**

- (a) In the event of a "sustained allegation", the Chief of Police shall review the investigation (including all investigative materials and recommendations), and shall perform one of the following:
  1. Provide written notification to the accused member of the intended disciplinary action, affording that member a five-day period to request either a personal review by the Chief of Police (in the members presence), or a review by the disciplinary Review Board. The request must be in writing to the Chief of Police. In addition, the member shall be advised that if the Chief of Police grants a review, any subsequent review by the Board is waived.
  2. Order that the disciplinary Review Board be convened.
- (b) The Disciplinary Review Board shall convene within 15 days of the member's request, or if no such request is made, within 15 days of the receipt of the Chief's order to convene.
- (c) The Disciplinary Review Board shall:
  1. Review and investigate reports, statements and material concerning the original allegation of misconduct, or any other allegation of misconduct, which may be discovered as a result of the investigation;
  2. Hear the testimony of witnesses, and also summations of the accused member and/or the Department representative;
  3. Enter into executive session to discuss the testimony and investigative material presented for the purpose of:
    - (a) Deciding by a majority vote whether disciplinary action is or is not appropriate;
      1. In accomplishing this objective, the Board shall consider only that information or material presented to the Board in the presence of both the principal member and the Department representative.
    - (b) Deciding by a majority vote what disciplinary action, if any, shall be recommended to the Chief of Police;

1. In this stage of the procedure, the Board may consider the principal member's official disciplinary history in determining the severity of the recommended disciplinary action.
- (c) Forward to the Chief of Police and to the accused member, within five days of the conclusion of the hearing, the Board's specific recommendation as to disciplinary action.
- (d) Upon receipt of the Disciplinary Review Board's recommendation, or if the Board had not been ordered to convene and the accused member's five-day period to request the Board's review has expired, the Chief of Police shall render, in writing, his/her final decision.
  1. Copies of all disciplinary action taken against a member shall be placed in the member's personnel file and in the Department's internal investigation file.

#### **112.5 DISCIPLINE - APPEAL PROCEDURE**

- (a) With the exception of reprimands, a member shall have the right to appeal any disciplinary action imposed by the Chief of Police or his/her designee to the Civil Service Commission as provided for in the Commission's rules, regulations, and procedures.
- (b) A member of the Renton Police Officer's Guild shall have the right to request review, by the disciplinary Review Board, of any intended action, except reprimands, by the Chief of Police or his designee.
  1. The Disciplinary Review Board shall consist of three members of the Police Department, all of whom shall be the rank of Sergeant or above.
    - (a) Two selected by the Chief of Police;
      1. One of which is designated as the Department Representative;
    - (b) One selected by the appellant;
  2. Both the appellant and the Department representative shall have the right to cross-examine any witness who testifies.
    - (a) The Board may exercise discretion as to the acceptance or rejection of any testimony by a non-department member who refuses to cooperate in the process.
  3. The Board shall sit as an informal Review Board, and as such, strict rules of evidence shall not apply. The Board's Department Representative shall rule on admissibility of all evidence and testimony, except as may otherwise be limited by this document.

#### **112.6 DISCIPLINE - DISMISSAL**

- (a) An employee's personnel file is the property of the employer.
- (b) Personnel files are confidential, but are subject to due process.
- (c) Contents of a personnel file may be released upon agreement between the employer and employee.
- (d) Any disciplinary action, such as suspension or written reprimand charges and specifications, will be entered in the concerned employee's personnel file.
- (e) Employees may review anything placed in their personnel file.
- (f) Records of disciplinary actions will be maintained in the employee's personnel file, in accordance with current labor practices and records retention laws:
  1. Written reprimands shall be removed from the employee's personnel file after two years at the employee's written request (if no reoccurrence of misconduct).
  2. Records of serious discipline shall be removed from the employee's personnel file after five years at the employee's written request (if no reoccurrence of misconduct).

## Peer Support Program Policy (SOP)

### 113.1 POLICY

The purpose of this policy is to establish procedures to ensure that all officers are free from any physical, emotional, or mental condition that might adversely affect the exercise of peace officer powers.

The situations and demands specific to law enforcement can cause effects from both acute and accumulated workplace stress. This precipitates the need for employees to have support for both personal and professional crisis situations and general work stressors.

The Renton Police Department recognizes that these stressors can affect the abilities of its employees to provide proper and professional services to the community. The Department also recognizes the value of the individuals it employs and wishes to provide various avenues of help depending on the needs of the employee.

The goal of the Peer Support Program is to prevent and/or lessen the potential negative impact of stress upon police department employees by providing emotional support, information and assistance.

### 113.2 PROCEDURE

- (a) A critical incident is any event, on duty or job related off-duty, involving actual or threatened death or serious injury, which has the potential to create a sense of fear, helplessness, horror or general distress, or an event that is overwhelming to the natural defenses of a department member. Furthermore, a Peer Support Team (PST) offers the department member a sounding board for personal life crises.
- (b) The Peer Support Team shall consist of volunteer Peer Support Team Members (PSTM). These volunteers will be trained to provide support and reassurance to a fellow department member who has experienced a critical incident and/or are in crisis.
- (c) The Chief of Police grants PSTM's departmental confidentiality to encourage the use of such effective support services. Renton Police Department Peer Support policy may be affected by the levels of attorney-client privilege or work product and confidentiality that apply to PSTM's by law as well as legally-imposed limitations to confidentiality. PSTM's shall not be asked to give information about members they support. The only information that command staff or any department member may receive about peer support cases is the anonymous statistical information regarding the utilization of a Peer Support Program.
- (d) It is the policy of the Renton Police Department that trained PSTM's will assist all department members involved in a traumatic incident or other related personal crisis.
- (e) A Peer Support Team Member (PSTM), commissioned or non-commissioned, is a specifically trained colleague, not a counselor or therapist. The Peer Support Team Member will be comprised of department members who have been specifically trained in stress management, critical incident stress and crisis intervention techniques. The peer support program can augment outreach programs such as employee

assistance programs (EAP) but not replace them. PTSMs should refer cases that require professional intervention to a Mental Health Professional (MHP).

- (f) Only those department personnel officially designated by the Chief of Police as Peer Support Team Members prior to the incident may claim confidentiality in their communications with other Department members, randomly when acting in a Peer Support capacity (per RCW 5.60.060 [6][a]);
  - 1. Exceptions to the issue of confidentiality are in the following cases:
    - (a) The employee admits to current and continuing physical abuse of a child or domestic partner;
    - (b) The employee threatens physical harm to themselves or another person;
    - (c) The employee admits to having committed a crime as defined by law; or
    - (d) As otherwise required by law.
- (g) Peer Support assistance shall not interfere or conflict with administrative procedures such as: Tactical critiques; Investigations; Review boards; Assigned meetings, etc. The peer support program is not an alternative to discipline. A PSTM will not intervene in the disciplinary process, even at an employee's request.
- (h) A Peer Support Program Coordinator should be identified whom has a block of time devoted to program logistics and development. This individual would coordinate referrals to MHPs, collect utilization data, and coordinate training and meetings. PSTMs should be required to advance their skills through continuing training as scheduled by the program coordinator.
- (i) Confidentiality cannot be maintained when an employee shares information with a PSTM who is subpoenaed to testify unless covered under RCW 5.60.060[6][a] Peer Support Group Counselor, "Applies to law enforcement peer counselors only".
- (j) PSTMs should be trained to be sensitive to role conflicts that could affect future decisions or recommendations concerning assignment, transfer, or promotion. PSTMs cannot abdicate their job responsibility as officers by participating in the program.

#### **113.3 STATEMENT OF UNDERSTANDING**

- (a) PSTMs understand that their position is voluntary. Team members will make time and efforts to participate in the Peer Support Program; it is understood that they make themselves available for co-workers. At times when directed by the Chief of Police a PSTM may be compensated at an hourly overtime rate per Renton Police Officers' Guild Contract.
- (b) Most team member-employee interactions will occur during day-to-day operations and will not significantly affect the Team Members' work assignments. Should the PSTM become involved in an extended peer counseling it is the responsibility of the Team Member to seek his/her supervisor's approval. No names or personal identifiers of the employee will be given to the supervisor.
- (c) The PSTMs supervisor should report negative job performance caused by peer support duties to the Team Coordinator for discussion and resolution.

- (d) The Peer Support Program is a function of, and managed by the Renton Police Department. It is the responsibility of the Team coordinator to manage the program and ensure that the Chief of Police is kept informed as to status of the program.
- (e) The Chief of Police will designate the Peer Support Team Coordinator. After PST candidates have been identified by their peers and have attended basic peer support training they will be designated by the Chief of Police as Peer Support Team Members (PSTMs). Upon completion of peer support training all PSTMs shall be covered under RCW 5.60.060[6][a] Peer Support Group Counselor. "Applies to law enforcement peer counselors only".
- (f) All individual contact with a member of the PST must always be initiated from the member seeking assistance (or a delegate chosen by that member). A communication system should be established to activate the PST.

#### **113.4 SELECTION OF MEMBERS**

The process for selection of members to the peer support team will be as follows:

- (a) Nominations from each division (command staff, commissioned and non-commissioned) will be made by those working in that unit.
- (b) Employees nominated will be contacted by the team coordinator to determine their desire to serve in the capacity of a peer counselor.
- (c) The names of those nominated and who agree to serve if selected will be assigned to fill positions on the team.
- (d) The Team Coordinator will be selected by the Chief of Police.

#### **113.5 TEAM MEMBERSHIP DURATION**

- (a) Team Members will serve as peer counselors for as long as the wish, unless it adversely impacts the member's regular duty assignments and corrective action and counseling has not resolved the issue.
- (b) Team Members can ask to be placed on "secondary responder" status, which means all other Team Members would be utilized prior to their being called to a scene. Also, their name would be removed from the contact list as being available for non-incident counseling.

#### **113.6 PEER SUPPORT TEAM SERVICES**

The following services may be provided but not limited to:

- (a) Confidential place to talk
- (b) Critical Incident Stress Management
- (c) Referrals to Mental Health Professional (MHPs)

#### **113.7 PARTICIPATION REQUIREMENTS**

- (a) Conduct - Peer Support Team Members shall provide comfort within an atmosphere of extreme credibility and confidentiality.

- (b) Confidentiality - In the course of providing this service, a Team Member may be privy to confidential statements and remarks that are intended to be trusted to them alone. For confidentiality to be considered, the Peer Support Team Member must be acting in that capacity. The following guidelines shall be adhered to with regard to confidentiality, except when superseded by law:
  - 1. All conversations with employees and/or their families are considered to be totally confidential except when required by law.
  - 2. When a contact is made with a Peer Support Team Member that Team Member must clearly state that they are a member of the Peer Support Team and that the conversation will be held in strict confidence unless the situation requires mandatory reporting by law.
  - 3. Team Members shall not release any information to the news media or public concerning matters involving their action as a team member.
  - 4. Any conversations between a Team Member and police department personnel may be shared only with the expressed permission of the employee.
  - 5. Conversations that a Team Member has with the general public are NOT confidential as it would be outside the scope of the program.
- (c) Critical Incident Defusing - After a critical incident, Peer Support Team Members may provide Critical Incident Defusing for employees.
- (d) Follow-up - After a contact or a defusing, Team Members are expected to follow up on that contact within a week and suggest further support if needed.
- (e) Referrals - Any time a Team Member feels that a situation is above their training level they should refer the employee to someone with the needed expertise in that area. A resource list is available to all Team Members.
- (f) Contact Reporting - The Team Coordinator shall be informed of the fact that a contact has been made by a Team Member. The Team Coordinator will keep track of how often the peer support program is being used. No additional written documentation will be completed or retained by any member of the Peer Support team regarding any contact.
- (g) Termination from the Peer Support Team - A Team Member may be terminated from the Peer Support Team for violation of any stated participation requirements. If a violation of the requirements is reported, the Team Coordinator will notify the Chief of Police and conduct an inquiry into the situation. Such inquiry will be completed within two weeks and the results will be given to the Chief of Police along with a termination recommendation. Termination from the team will be done by the Chief of Police. Breach of confidentiality will be grounds for immediate termination.

#### **113.8 CONTRACT CRITERIA**

A Peer Support Team Member response is recommended for, but not limited to the following circumstances:

## Knife Policy

### 114.1 PURPOSE

The purpose for this SOP is to establish guidelines for selection, carry, safe handling and proper use of police utility knives.

### 114.2 POLICY

To provide guidelines on the selection of departmentally-approved police utility knives, how and when knives may be carried and used in order to increase safety.

### 114.3 DEFINITION

There are two types of knives that can be categorized as a police utility knife: a fixed blade knife, with a fixed blade and a fixed handle; and a folding knife, in which the blade mechanically folds into the handle.

### 114.4 PROCEDURES

#### (a) Authorized Use

1. The Department recognizes the need for its officers to be properly equipped to handle a wide variety of duty responsibilities. Department members may carry police utility knives as authorized by this policy and consistent with their duty assignment.
2. The police utility knife is intended solely for the purpose of carrying out the general duties of police operations; its use as a defensive or offensive weapon is authorized only in exigent circumstances.

#### (b) Authorized Blades and Carry Requirements

1. Folding and fixed blade knives shall have a blade no longer than four inches, measured from blade tip to handle. For tactical deployment the Division Commander, or their designee, can authorize longer lengths to meet situational needs.
2. Police utility knives, while being worn on duty, shall be secured in a sheath (fixed blade knives) or in the folded position (folding blade knives). In order to maximize security and retention of police utility knives, they will be worn in the least obtrusive manner possible. Folding blade knives shall be secured in a pouch, with some level of retention, or inside a pocket or other uniform compartment, with only the pocket clip portion of the knife above that visible. Fixed blade knives will also be concealed from public view and will be secured in a sheath. For tactical deployment the Division Commander, or their designee, can authorize modifications to this policy for specific purposes.

#### (c) Compliance and Safe Handling

1. Compliance: All utility knives carried on-duty by department members shall comply with state law unless waived by law for police use. Additionally, all utility

knives and methods of carry and concealment shall be subject to the approval of designated supervisory or command personnel.

2. **Safe Handling:** Officers shall handle the police utility knife in an appropriate and safe manner so as to ensure the safety of themselves, fellow officers and general public. Officers shall not exhibit or handle the knife in a careless or alarming manner.

(d) **Use as a Weapon**

1. The police utility knife is not intended for use as a weapon and officers are discouraged from using it in that capacity. However, it may be used in defensive or offensive capacities under exigent circumstances. Under such circumstances, it will be deemed a use of deadly force, and subject to the department's use of force policy.

## **Chapter 2 - Investigations Division**

## Minimum Staffing

### 200.1 STAFFING LEVELS

The Investigations Division will require a minimum number of investigators present for duty at any given time to ensure safety and to respond to the needs of the community.

- (a) Should the number of investigators present for duty be less than the emergency staffing level, the supervisor shall hold over or call in whatever number of investigators may be necessary to attain at least emergency staffing.
- (b) The investigations supervisors shall determine the number of investigators in excess of emergency staffing needed for any particular time period and are authorized to require their presence on an overtime basis.
- (c) The investigations supervisors will maintain a duty roster for all investigators for a period of at least four months in advance of the current date.
- (d) Minimum staffing does not apply to holidays.
- (e) Investigations supervisors may authorize flex time on an individual basis as long as there is reasonable coverage.

#### 200.1.1 DEFINITIONS

**Minimum staffing** - A minimum of four investigators (including the supervisor) will be scheduled for duty per section for the days that section is scheduled to work.

**Emergency staffing** - An investigations supervisor may not schedule emergency staffing (three investigators) without prior consent, but should any watch be at minimum staffing level, and any one investigator become ill, injured, or for any other reason is unable to perform his/her duties, the continuance of an emergency staffing status is authorized, but not mandated.

## Fire Investigations

### 200.1 PURPOSE

In order to fix responsibility for proper arson investigation and to establish a firm working relationship between Fire Investigators of the Renton Fire Department and the Renton Police Department, the following policy governing reporting and the investigation of suspicious fires is hereby established.

### 200.2 REPORTING

It will be the responsibility of the duty Fire Investigator to obtain a police case number on all suspicious fires.

- (a) The case report number can be obtained from the Police Department in the following ways:
  - 1. A police officer at the scene of the fire.
- (b) A copy of the Fire Investigators Scene Report and follow-up sheets will be filed with the Police Department front counter to be processed in the police case.
  - 1. Data entered by the front counter.
    - (a) POLICE - Enter entire report including the narrative.
    - (b) FIRE - Enter all BUT narrative. COPY narrative and send to police front counter along with report.
    - (c) ORIGINAL reports to RENTON POLICE DEPARTMENT FILES.
- (c) Case assigned per Case Management System by Police Investigations.

### 200.3 FOLLOW-UP PROCEDURES

- (a) The Detective Sergeant will review and forward the case to a detective as:
  - 1. An information case;
  - 2. An assignable information case; or
  - 3. An assigned case.
- (b) The police investigator will contact the Fire Investigator assigned the case as soon as possible after receiving the case.
- (c) All supplemental reports generated by the Police Department will be forwarded to the Fire Prevention Bureau and Police Investigations.
- (d) All additional reports generated by the Fire Prevention Bureau will be forwarded to the Police Department front counter for distribution to Investigations and case jacket.
- (e) Police Department and Fire Prevention Investigators will coordinate efforts to efficiently solve the case.

## Pawn Shop

### 201.1 PURPOSE

Many items pawned at pawn shops are later determined to be stolen. The items are not always stolen from within the City limits of Renton. Although the Renton Police Department does not have jurisdiction over the item, we do have a responsibility to help the victim retrieve their property.

### 201.2 GENERAL PROCEDURES

- (a) The following procedure will be followed when a detective receives a stolen hit on an item stolen from the Renton jurisdiction:
  - 1. Notify the pawn shop the item is a reported stolen.
  - 2. Serve the pawn shop with a Stolen Property Hold/Intent to Seize Order form (RPD310).
- (b) The following procedure will be followed when a detective receives a stolen hit on an item stolen from a jurisdiction outside of Renton:
  - 1. Notify the jurisdiction from which the item was reported stolen.
  - 2. Notify the pawn shop the item is stolen.
  - 3. Place a temporary hold on the item for the agency having jurisdiction if requested.
  - 4. Advise the pawn shop and the agency that any further issues related to the item must be coordinated between the pawn shop and that agency.

### 201.3 REQUESTS FOR CIVIL HEARING

Parties who have items seized have a right to a civil hearing and may request one by submitting their request to the Chief of Police in writing. Upon receipt of the request the detective will:

- (a) Make two copies of the entire case relating to the stolen item.
- (b) Send a copy to the City Attorney.
- (c) Send a copy to the City Hearing Examiner.
- (d) Testify at the hearing upon request.

## Automated Fingerprint Identification System

### 202.1 GENERAL PROCEDURE

Fingerprints are considered evidence and the responsibility of the Evidence Technician to process. In order to maintain consistency in the process the following procedure will be adhered to.

- (a) The case detective will fill out the King County AFIS Lab Request for Latent Print Examination/Processing form, and submit it with the latent print/s. The Evidence Technician will log the latent print cards out to King County AFIS in the evidence property management computer system.
- (b) If the latent is on duplicast, the print must be photographed with the 1:1 camera and the duplicast returned to evidence.
- (c) The Evidence Technician will transport all AFIS prints to the Regional AFIS Lab and return the goldenrod copy of the AFIS sheet to the Evidence Room.
- (d) AFIS will review the prints, make their evaluation and mail their report of findings to the Renton Police Department, to the attention of the assigned case Detective.
- (e) The Evidence Technician picking up the prints from AFIS will be responsible for returning the paperwork and prints to the Evidence Room.
- (f) The Evidence Technician will file the white AFIS sheet in the main case file.
- (g) Prints returned from AFIS will be returned to evidence the same as any other evidence.

## Major Crimes Call Out

### 203.1 PURPOSE

Investigations Division personnel are called to investigate and process the crime scene at major crimes. Detectives are trained in crime scene processing and investigative techniques. When detectives are called to respond to these incidents, it is important the response is a coordinated effort to most effectively bring the incident to a successful conclusion.

### 203.2 GENERAL PROCEDURES

Detectives will abide by RPD policy 327 (Major Incident Notification) Policy Chapter 6 (Investigations Operations and the following procedures when responding to a major crime call-out:

- (a) Detectives will receive a call that they are needed for a major crime.
- (b) All detectives called will respond to the station for a briefing and assignment if no other instructions are provided at the time of the call out (Code Red).
- (c) Detectives will be assigned to the investigative or crime scene team.
- (d) The supervisor will coordinate continued interaction between the two teams.
- (e) The administrator will oversee the incident and coordinate with other administrators and press liaison personnel.
- (f) Outside agency requests (prosecutor, coroner, crime lab) will be made by the supervisor on scene.

### 203.3 RESPONSIBILITIES

#### 203.3.1 INVESTIGATIVE TEAM

- (a) The team leader and/or Investigative Supervisor is responsible to direct the investigative team.
- (b) Responsible for the investigation of the crime.
- (c) Attempt to locate suspect(s).
- (d) Interrogate suspects(s).
- (e) Interview witnesses.

# Traffic Unit Serious Injury, Possible Fatal and/or Fatal Collision Investigation

## 300.1 PURPOSE

The traffic unit will be responsible for the investigation of all collisions that involve fatal or serious injuries that are likely to become fatal.

- (a) A minimum of three traffic officers will respond to a traffic call out.
- (b) The first traffic officer on the scene will assume command of the traffic investigation until relieved by the Traffic Sergeant or Traffic Investigator.
- (c) As in all traffic collisions the care of the injured is primary; traffic control if needed will be established to prevent further collisions, to preserve evidence, and to prevent entry of unauthorized personnel into the crime scene.
- (d) If alcohol and/or drugs is suspected, blood should be drawn at the scene by medic personnel if possible. If it cannot be accomplished at the scene, an officer will accompany the suspect to the medical facility and get a blood draw.
- (e) Personnel assigned to photograph the scene will ensure that the units digital camera is taken to the scene.
- (f) The primary investigator will insure that all evidence is photographed and proper measurements are recorded.
- (g) Statements will be taken at the scene if sufficient traffic personnel are present. If not, names, addresses and home/work telephone numbers will be taken as well as a brief synopsis of what witness can testify to and their location.

## 300.2 PRIMARY INVESTIGATOR'S DUTIES

- (a) The officer will record upon his/her arrival initial observations of the conditions at the scene relevant to the investigation to include persons and/or equipment at the scene.
- (b) Location of involved vehicles as well as the location of responding emergency units.
- (c) Type of locality.
- (d) Roadway surface and configuration as well as roadway conditions to include construction in area.
- (e) Lighting and weather to include air temperature.
- (f) A cursory search of the area should be made noting collision damage, skid marks, and relevant evidence that should be photographed and will establish the acts or reactions of the involved vehicles prior to and after the initial impact.
- (g) Investigator should keep in mind that all collisions are different and unique and that the one common element is that in all collisions three impacts occur.
  - 1. Vehicle vs. vehicle or fixed object.
  - 2. Occupants impacting vehicle interior or other occupants.

## Animal Control

### 301.1 PURPOSE

The purpose of this SOP is to define the role and responsibility of the Animal Control Officer with the City of Renton, and the policy of Animal Control in general.

### 301.2 SICK AND INJURED ANIMALS

- (a) The Animal Control Officer will respond to sick and injured animals during normal working hours. The Animal Control Officer will make an evaluation as to the extent of the injuries or sickness of the animal. The following will be taken into consideration:
  - 1. Severity of the injuries or illness.
  - 2. Transportability.
  - 3. Availability of the owner.
- (b) After an evaluation is done, the Animal Control Officer will make a decision as to what course of action to take. Choices of action can include:
  - 1. Rendering aid.
  - 2. Tranquilize and transport.
  - 3. Transport to the owners residence.
  - 4. Transport to a local veterinarian for aid.
  - 5. Transport to the emergency after hour animal care facility.
  - 6. Euthanize.
- (c) At all times the amount of suffering the animal will have to endure will be considered before making any of the above decisions.
- (d) During hours when the Animal Control Officer is not working, members of the Renton Police Department will be called upon to respond to sick and injured animals. The same set of alternatives are at their disposal. The following is a list of local veterinarians that are available to assist members with these types of incidents:(Please contact them in this order)Eastside Veterinary Associates1700 NE 44th StRenton WA 98056425-276-4100Blue Pearl Emergency Vet4208 Lind Ave SWRenton, WA 98057206-905-4494
- (e) If a decision is made to take the animal into custody and transport, the animal should be transported in the Animal Control Vehicle.
- (f) The following are guidelines for specific animals and situations:
  - 1. Barking Dogs
    - (a) Make a report of the violation on an AEGIS report, use code 3740 and request a copy go to Animal Control. Note if dog was barking when you got there and if owner was contacted while you were there.
  - 2. Dog and cat bites

### Supplemental Procedures

#### *Animal Control*

---

- (a) Make a report of the violation on an AEGIS report, use code 3700 and request a copy go to Animal Control. Take photographs of injury (before dressing is applied if possible). Obtain copy of proof of vaccines. If owner is not able to secure animal for ten days in a secure area, the animal needs to be transported to the kennels at the City Shops. Secure the animal in a kennel by itself and lock the kennel. Notify Animal Control Officer and the Patrol Services Supervisor that the animal is quarantined in the kennel.

#### **301.3 STRAY ANIMALS**

- (a) The Animal Control Officer responds to calls of stray animals. Once the animal is taken into custody the animals can be dealt with in one of the following ways:
  1. Check the animal for a Renton Animal License, microchip, or other identification and contact owner.
  2. Impound the animal to Eastside Veterinarian Associates, located at 1700 Ne 44th St, and notify Animal Control if this was done by an officer. Animal Control will attempt to identify/contact the owner if known.
  3. As soon as possible, Animal Control will notify a volunteer Animal Placement Coordinator of the impound. The Animal Placement Coordinator will assist in efforts to identify the animals owner using various resources including social media. The Animal Placement Coordinator will also begin looking for a place for the animal to go if the owner cannot be identified during the stray hold period, which will be a minimum of 72 hours.

#### **301.4 EUTHANIZE**

At times animals will have suffered injuries that will require euthanasia to prevent further suffering. In that event, the Animal Control Officer will; the animal needs to be put to death in a humane fashion.

- (a) Transport the animal to a veterinarian office for the purpose of evaluation and euthanasia of the animal. The decision to transport the animal rests with the Animal Control Officer. If the animal cannot be transported without first administering medication, arrangements will be made to have the medications transported to the scene to be administered by a veterinarian.
- (b) Another alternative is to call a commissioned officer to the scene and have them dispatch the animal with a firearm.
- (c) If the Animal Control Officer is not available or has called a commissioned officer to the scene and the animal needs to be euthanized with a firearm, the officer needs to comply with current reporting policy for this action.

#### **301.5 RENDERING**

- (a) Animal Control Officers are called upon to pick up dead animals from the roadway and on citizen's property, or as a result being euthanized due to severe injuries. These animals, depending on the size, are bagged and transported to the city Animal Control

shed and are placed in the freezer. These animals are removed at a later date by a private contractor.

- (b) Individuals requesting that their deceased animal be cremated may:
  - 1. Take animal to local veterinarian.
  - 2. Take animal directly to Seattle/King County Humane Society.
- (c) Renton Animal Control Officers will not assist in any animal cremation or the handling of remains or ashes.
- (d) Renton Animal Control Officers will only respond to dead animal pick up requests from local veterinarians if it is an injured stray brought to them by a resident. These types of requests will be referred to private businesses who provide this service. The following is a list of businesses that provide this service: S. Morris Company/c/o Steve Morris P.O. Box 997687 Seattle, WA 98199 425-784-4055

#### **301.6 ANIMAL CONTROL PHONE**

- (a) A separate phone line is dedicated to the Animal Control office. This phone is used to take messages from citizens when Animal Control is not on duty or a citizen wishes to report a non-emergency situation.
- (b) Normally all requests for Animal Control will be handled through the 911 phone system. Non-emergency and informational calls for animal control services should be made to the AC business line at 425-430-7550. Types of non-emergency calls that are acceptable for the business line are:
  - 1. Lost animal (owner reporting a lost animal or inquiring if one has been found).
  - 2. Barking dog complaint.
  - 3. Requests to have trap set.
  - 4. Advising of dead animal location.
  - 5. Questions about the city animal ordinance.
  - 6. File reports of animal cruelty.
  - 7. Report nuisance wildlife.
- (c) The voice messages on this line are to be cleared at the beginning of each shift by the on duty Animal Control Officer. Information from these messages will be prioritized and the Animal Control Officers will plan their day accordingly.
- (d) When the Animal Control Officer is going to be off duty for an extended period of time (vacation, illness, etc.) the Patrol Services Supervisor will ensure that the phone messages are cleared in a timely manner and that the outgoing message reflects that the Animal Control Officer is on an extended absence.

#### **301.7 KENNEL**

- (a) Animal Control Officers at times may be required to temporarily place animals in a holding area. An animal kennel is located at the City of Renton Maintenance Shop for

this purpose. A shed is located next to the kennel and is equipped with food supplies and other equipment necessary to care for the animals.

- (b) A log of all animals placed in the kennel is located in the Animal Control Vehicle. This log includes the following:
1. Date placed in kennel.
  2. Purpose for placement.
  3. Description of animal.
  4. Scheduled release date.
  5. Date released
  6. Person (or agency) released to.
  7. Case number.
- (c) The following are reasons that animals may be held in the City kennel:
1. Temporary hold of stray animals As soon as possible, these animals will be transported to the Eastside Veterinarian Associates for the remainder of the stray hold period.
  2. Dangerous animal involved in bite of human and held for 10 day quarantine period.
  3. Dangerous animal involved in other police department investigation and held pending investigators release authorization.
- (d) Animals can be removed from the kennel under the following conditions:
1. Owner has been located.
  2. Quarantine period has ended successfully and owner is located.
  3. Investigator authorizes release.
  4. Euthanized due to temperament or other noted problem.
  5. Transfer to another facility
- (e) In the event that an owner is located, an Animal Control Officer or an Animal Placement Coordinator will coordinate the release.
- (f) Responsibility of feeding animals while they are in the City of Renton kennel rests on the Animal Control Officer. The Animal Control Officer will monitor the needs of the animals while they are in the custody of the City. Food for kenneled animals is kept in the shed next to the kennel.
- (g) Animals requiring special food needs may require the purchase of such items from other sources.
- (h) On occasion animals may need to be kept over a long period of time and feeding of the animals will need to be done when the Animal Control Officer is not on duty (weekends, vacation, etc.). It is the Animal Control Officer's responsibility to coordinate the feeding and care of the animals during their absence. This can be done in several ways:

1. On-duty traffic personnel (Parking Enforcement Officer, Motorcycle Officer, Accident Investigator, Supervisor).
  2. On-duty patrol personnel (K-9 Officer, Patrol Officer).
  3. Approved overtime.
  4. Volunteers
- (i) At the discretion of the Animal Control Officer, quarantine may be done at the owner's resident. The Animal Control Officer may conduct the quarantine of animals that have been involved in an incident of biting. In the absence of the Animal Control Officer, the Investigating Officer can quarantine the animal. The Investigating Officer will need to complete a RPD476 form and give the yellow copy to the owner of the quarantined animal if possible. If the owner is unable to secure the animal, or lives outside the city or the owner is unknown, the animal will be kept at the Kennel at the City shops or at Eastside Veterinarian Associates for the required 10 days. Once the quarantine time is complete and the animal appears to show no signs of rabies it may be returned to the owner. If the animal shows signs of rabies the Animal Control Officer will notify the victim of the bite and advise the victim of the need to receive medical attention. The animal will be destroyed by either the Animal Control Officer, or a local veterinarian. The animal will be submitted for testing to the King County Health Department.

#### **301.8 ANIMAL LICENSING**

- (a) The selling of the licenses is coordinated through the City of Renton Finance Department.
- (b) All transactions regarding purchasing of licenses is handled through the City of Renton Finance Department.
- (c) Animal Control Officers will not sell or take in any funds for the purchase of animal licenses.
- (d) The Animal Control Officers should hand out the applications and refer the citizen to the Finance Department to pay for and obtain the license and tag.
- (e) The City of Renton Animal License is valid from the date of purchase for one or two years thereafter depending on which license was purchased.
- (f) At the beginning of each licensing period the Finance Department orders license tags for dog and cats separately.
- (g) Animal License information (e.g., owner, description of animal, address, license number) is maintained by the City of Renton Finance Department.

#### **301.9 WILD ANIMALS**

- (a) Animal Control Officers will respond to wild animal calls. Non-emergency wildlife calls can be handled as any other animal call.

- (a) Investigators will use the device only if they have received the proper training and the interception is authorized by an administrator.
- (b) The device will be maintained in the Special Enforcement Team's office which is a locked office when the investigators are not present.

## Use of Direct Response Vehicles

### 401.1 PURPOSE

When authorized, Special Operations Division personnel may use City vehicles for: Commuting to and from assigned duties, To facilitate call-outs, For informant contacts, For work related emergencies responses. The vehicles will be used for duty related activities only. No personal use is authorized, except for commuting to and from work.

### 401.2 PROCEDURE

(a) SPECIAL OPERATIONS DIVISION PERSONNEL

1. Make arrangements for maintenance and repairs;
2. Be responsible for weekly washing and cleaning the vehicle on off-duty time;
3. Be responsible for the safe operation of the vehicle;
4. Be mindful the vehicle is not built as a "police package" and cannot be driven the same as a patrol car in pursuing suspects;
5. Have An operable radio in the vehicle at all times. The radio is to be turned on except when not practical;
6. When off for one week or more, the vehicle will be left at a city facility and the keys left with the supervisor.

(b) SPECIAL OPERATIONS DIVISION SUPERVISOR

1. Insure maintenance schedules are kept;
2. Insure the proper care of vehicles;
3. Maintain availability of vehicles when personnel are gone for a week or more.

## Landlord Notification

### 402.1 PURPOSE

R.C.W.59.18.075 sets forth circumstances under which law enforcement agencies must notify landlords or property management that an illegal drug or substance was seized from their property.

Any law enforcement agency which makes a seizure of any legend drug, controlled substance or imitation controlled substance, shall make a reasonable attempt to discover the identity of the landlord and shall notify the landlord in writing, at the last address listed in the property tax records and at any other address known to the law enforcement agency, of the seizure and the location of the seizure of the illegal drugs or substances.

### 402.2 PROCEDURE

(a) SPECIAL OPERATIONS DIVISION INVESTIGATOR

1. Review all narcotic related cases to determine if a violation of R.C.W.69.41, 69.50 or 69.52 has occurred.
2. If a violation of any of the above statutes has occurred, the investigator will forward to a Community Programs Coordinator the address and date of the seizure.

(b) COMMUNITY PROGRAMS COORDINATOR

1. Research all available records for owners or managers of the property.
2. Complete a letter of notification to the landlord or management of the property that includes the address and date of the seizure and then forward to the division commander for signature.
3. Mail original letter of notification to the landlord or management of the property and send a copy to records for the case file.

## Seizure and Forfeitures

### 403.1 PURPOSE

RCW 69.50.505, RCW 9.41, RCW 10.105.010 sets forth the circumstances under which law enforcement agencies may effect a civil seizure "administratively" (e.g., prior to filing a complaint for forfeiture with a court). Generally there is sufficient latitude in the provisions to effect an administrative seizure under any conditions likely to be encountered. However, seizing property without prior court process is the civil equivalent of arresting a person without a warrant; the probable cause for the seizure has not undergone prior judicial examination. The law requires records be kept on all items seized and forfeited and reports made to the state on converted and sold items.

### 403.2 ADMINISTRATIVE SEIZURES

- (a) All criteria set forth for seizing property in RCW 69.50.505, RCW 9.41, and RCW 10.105.010 must be met prior to seizing any property. The case report will include the probable cause for seizing each item.
- (b) Access to the property is governed by the laws of criminal search. If the owner or possessor refuses to surrender the item, then a court order shall be obtained and reasonable force may be used to accomplish the seizure.
- (c) All financial proceeds shall be seized and processed as follows:
  1. The proceeds shall be inventoried by no less than two detectives.
  2. The owner shall be given a cash receipt for all financial proceeds seized.
  3. The financial proceeds shall be delivered to the Unit Supervisor for verification and sealed with the forms attached.
- (d) All conveyances shall be seized and processed as follows:
  1. Upon seizing the conveyance, it must be thoroughly searched and its contents inventoried. All articles not part of the conveyance and not having evidentiary value or not subject to separate forfeiture action shall be removed and returned to the owner without delay. Accessories, jacks, and maintenance tools are considered part of the conveyance. Installed phones, radios, tape/disc players, etc., are also part of the conveyance. Tapes/discs found loose are not part of the conveyance. An inventory of all items discovered shall be made on a property report and maintained with the case.
  2. Seized aircraft should not be moved without the assistance of a qualified pilot.
  3. Upon satisfactory showing, conveyances shall be released to innocent registered owners or lien holders prior to initiating forfeiture proceedings. Quick release of a conveyance is merely an expeditious means of resolving seizures which, if pursued through forfeiture proceedings, would ultimately result in the release of the conveyance.
  4. Administrative forfeitures shall be initiated as soon as possible.

#### **403.3 JUDICIAL SEIZURES**

- (a) Prior to filing the complaint of requesting the court order the detectives shall:
  - 1. Establish probable cause for the seizure.
  - 2. Determine what items are to be seized and their location.
- (b) The detective shall coordinate with the prosecutor in order to prepare a petition and request a court order for the seizure.
- (c) The court order shall be presented to the owner or the party maintaining control of the property at the time of the seizure.

#### **403.4 HANDLING OF SEIZED PROPERTY**

- (a) All seized property will be logged on an evidence form and will be handled as evidence until disposed of.
- (b) Seized property will not be used for department use until it is forfeited.
- (c) Seizure hearings will be set without delay after receiving a request for a hearing.

#### **403.5 RECORDS**

- (a) Records of all seized property will include the following:
  - 1. Description of the property.
  - 2. Identity of owner if known.
  - 3. Market value of property at the time of seizure.
  - 4. Date seized.
  - 5. Evidence number.
  - 6. Disposition.
  - 7. Disposition date.
- (b) Records of all forfeited property will include the following:
  - 1. Description of the property.
  - 2. Identity of prior owner if known.
  - 3. Value of the property at the time of seizure.
  - 4. Amount of proceeds realized for the disposition of the property.
  - 5. Disposition date.
- (c) A report of records of forfeited property will be filed with the state each calendar quarter.

## Search Warrant Operations

### 404.1 OPERATIONAL PLAN

State law, Chapter 320, 2021 laws (HB 1054, 2021) prohibits "no knock warrants." *An officer may not seek and a court may not issue a search or arrest warrant granting an express exception to the requirement for the officer to provide notice of his or her office and purpose when executing the warrant.*

All search warrants shall be accomplished with the use of an operation plan/format. This operational plan shall include, but not be limited to, the following:

- (a) Identity of suspects and associates who may be encountered in the investigation. Photographs of each individual should be available.
- (b) A detailed description of locations which will be searched in the investigation.
- (c) Identification and description of all suspect vehicles which may be countered.
- (d) The potential for violence of any suspect, any weapons, dogs, or other dangers which may be posed to members.
- (e) Arrest or duress signals (both verbal and visual).
- (f) A contingency plan.
- (g) A copy of the signed search warrant.
- (h) Recorded radio channel to be used.

### 404.2 SEARCH WARRANT - DOCUMENTATION

In addition to the signed search warrant, all search warrant operations shall require the completion of an operational plan and a risk analysis form. The search warrant must be approved by the unit supervisor. Additionally, the operational plan and risk analysis form must be signed off by the case investigator, the investigator in charge of the risk analysis and operation plan (if a different case investigator) and the unit supervisor. The absence of any signature confirming acceptance of the packet will preclude the commencement of the operational briefing until any concerns are resolved and the signatures are obtained.

### 404.3 SEARCH WARRANT - OPERATIONAL BRIEFING

The briefing will include a review of the operational plan/format, a review of the search warrant, the assignment of personnel to investigative tasks, an introduction of all investigation members to one another, and if applicable, a photograph and current location of any involved informant. A "brief-back" (affirmation of individual roles) is encouraged.

### 404.4 SERVICE PROCEDURE

- (a) If the circumstances indicate the probability of dangerous persons, the division commander will determine if a SWAT Unit will be used to conduct the raid.

- (b) It is recommended that the jail be notified when a large number of arrests are anticipated. Jail pre-booking forms should be filled out prior to transporting the subjects to jail.
- (c) Arrest and search warrants will be served at a residence by a minimum of four investigators accompanied by uniformed officer(s) from the agency of jurisdiction. Exception to this procedure will require prior authorization by the unit supervisor.
- (d) Plainclothes officers shall wear a jacket or coat which clearly represents them as police officers when serving arrest and search warrants. A cap with appropriate identification is also recommended. Exception to this procedure must receive prior approval from the unit supervisor. In all cases, the question of officer safety will be the prevailing issue, in conjunction with the mission and goals of the unit.
- (e) Protective body armor shall be worn by each investigator and shall be worn beneath the arrest/raid jacket.
- (f) The unit supervisor will notify Valley Communications and the patrol supervisor in the jurisdiction the warrant is being served prior to the execution of the warrant.
- (g) Prior to entering the location, the officers will knock and announce their identity as police officers and their possession of a search warrant. Officers will give the person a reasonable amount of time to open the door. Each case will have to determine how much time that is. The key is no property or contraband is worth the trauma experienced by those involved in a shooting incident. Safety is of utmost importance.
- (h) When a search is conducted of a residence, the unit supervisor or case investigator will direct the activities of the team members insofar as assigning search assignments, evidence finders, photographers, custodians, and prisoner custody, etc.
- (i) All searches should be followed up with a second search by a team of at least two officers. Officers are encouraged to wear protective gloves during the search.
- (j) Prior to leaving the location, a copy of the search warrant and a complete inventory of property seized will be left in a visible location. Officers shall make reasonable attempts to secure the location prior to leaving.
- (k) A debrief of the search warrant process is highly recommended when time and circumstances allow. The session should evaluate both positive and negative observations by all members involved.
- (l) All investigators will be equipped with the following equipment during any raid-like situation.
  - 1. Raid jacket and body armor shall be worn (cap additionally recommended);
  - 2. Issued duty weapon;
  - 3. Extra ammunition (as a general rule), a minimum of two reloads of ammunition should be available to the investigator;
  - 4. Handcuffs;
  - 5. Flashlights;
  - 6. Available communications equipment.

## Special Operations Investigative Fund

### 405.1 PURPOSE

The purpose of this section is to provide guidelines for the use of the Special Operations Investigative Funds controlled by the Special Operations Division. This fund is to be used for expenditures necessary to conduct investigations of criminal activity.

### 405.2 ACCESSIBILITY

- (a) The Special Operations Division Commander is responsible for the maintenance and control of the Special Operations Investigative Fund.
- (b) The Special Operations Division Commander and/or the Special Enforcement Team Sergeant are responsible for disbursements from the Special Operations Investigative Fund.
- (c) This Special Operations Investigative Fund is closely monitored to ensure cash is readily available. When there is a need to replenish the fund, a written request must be forwarded to the Finance Department by the Special Operations Division Commander.

### 405.3 CRITERIA FOR USE

- (a) Authorized Expenditures - Authorized expenditures are those that directly or indirectly assist and/or contribute to an investigation of criminal activity.
  - 1. Expenditures that may be paid from the Special Operations investigative Funds include:
    - (a) Narcotic and dangerous drug buys;
    - (b) Pimping and prostitution cases;
    - (c) Informant expenses;
    - (d) Apartment, motel rental and expenses;
    - (e) Alcohol/liquor investigations and purchases;
    - (f) Operative expenses including gas, cover charges, emergency equipment, phone rental, postal, parking, etc.;
    - (g) "Props" related to undercover investigations;
    - (h) Various undercover criminal investigations not related to vice/narcotics investigations; e.g., extortion;
    - (i) Gambling.
  - 2. The purchase of alcohol for consumption during an investigation is a justifiable expenditure. Excessive expenditures on alcohol will not be approved.
  - 3. The Special Operations Division Commander will have the final decision on what expenditures qualify.
- (b) When justifiable expenditures are made, it is the responsibility of the officer to obtain a receipt, unless it would expose his/her cover.

- (c) Unauthorized Expenditures - Unauthorized expenditures are those that do not directly or indirectly assist and/or contribute to an investigation of criminal activity. Some of these would include personal supplies, meals, or gas.

#### **405.4 ACCOUNTING**

The following procedure will be used by Department personnel in requesting money for either advance or reimbursements from the Special Operations Investigative Fund.

- Fund Advance - The officer requesting moneys from the fund will fill out the Investigative Fund Voucher. The sheet will be given to the Special operations Division Commander or the Special Enforcement Team Sergeant for approval. If approval is given, the Special Operations Investigative Fund sheet will be kept by the Special Enforcement Team Sergeant as a permanent record of the transaction. Each transaction will have a number and be entered in the journal. The officer will then receive the requested funds.
- The expenditure portion of the investigative fund voucher will be filled out by the officer requesting funds indicating what the money will be used for:
  - Informant payment;
  - Purchase of evidence;
  - Miscellaneous expenses.
- In the case where some of the approved moneys are expended for payment to a confidential informant or a reward offer, a special receipt must be signed. The informant number will be placed on the investigative fund voucher.
- All receipts will be attached to the voucher sheets for audit purposes.

#### **405.5 FUND AUDIT**

The fund will be audited monthly by the Special Operations Division Commander. The journal and cash on-hand, must tally to ensure proper accounting. At any other unannounced time, the Chief or his designee may audit the fund. The City auditor shall audit the fund a minimum of once a year.

## Pen Register/Trap and Trace

### 406.1 PURPOSE

The 1998 Washington State Legislature enacted a pen register/trap and trace statute which took effect June 11, 1998. Enclosed is a manual giving an overview of the law, technology, and uses of these tools. The law and required paperwork for these devices is complex and technical. Failure to comply with all the technical requirements of the statute can lead to suppression of the information obtained and suppression of all the fruits of that information. In other words, a faulty court authorization or no authorization can destroy an entire case. Even if it doesn't, it causes serious problems for an investigator who must wall off the legally obtained evidence from the evidence tainted by a violation of RCW 9.73, and for any prosecutor later dealing with the investigation or case.

### 406.2 PROSECUTOR'S OFFICE POLICY

Effective June 15, 1998, the following office policies apply:

- (a) The Chief Deputy of the Fraud Division is ultimately responsible for insuring that court-approved pen register and/or trap and trace orders are sought only in appropriate situations and that all technical requirements of Ch. 9.73 RCW are complied with.
- (b) Only deputies who have been specifically designated by the Chief Deputy of the Fraud Division may approve applications and orders for pen registers and/or trap and trace.
- (c) This office will not automatically defend orders that were approved by a deputy who is not on the designated list, or that were not approved by this office at all.

Whenever possible, non-emergency questions and applications should be presented to the Fraud Division during normal business hours. Telephone numbers and E-mail addresses are listed below.

### 406.3 OVERVIEW

A pen register records all numbers dialed from a phone. A trap and trace identifies the originating phone for all incoming calls to a phone.

There are easier, better alternatives in many situations. Long distance or cell phone billing records can provide much or all of the same information as a pen register, although not in as timely a manner. Caller ID or the \*57 feature can provide the same information as a trap and trace, if the recipient of the call is cooperating with the police.

These devices can be very helpful in locating witnesses, suspects, fugitives, runaways, and people who have been kidnapped. They can identify coconspirators and provide evidence of the relationship. They also can provide investigative leads.

Our statute is modeled on the federal statute, 18 USC 3121-3127, with four important additional requirements:

- (a) We must show probable cause that the device will lead to evidence or finding certain people.

## Supplemental Procedures

### Supplemental Procedures

#### *Pen Register/Trap and Trace*

---

- (b) We must show (not just state) that the device is likely to produce evidence relevant to an ongoing criminal investigation.
- (c) We can obtain installation for only one, or at most two, 60-day periods.
- (d) Our superior court judges must file an annual report with the Administrator for the Courts. Therefore the system established in each county should facilitate easy and accurate annual reporting by the judges.

#### **406.4 USES**

Pen register/trap and trace can be critical investigative tools:

- (a) To locate people in kidnapping/runaway/extortion cases and to provide leads to identify and apprehend criminals in those cases.
- (b) To locate defendants and missing children in custodial interference cases.
- (c) To locate both charged and uncharged fugitives.
- (d) To identify and locate potential suspects or witnesses.
- (e) To show telephone links among co-conspirators.
- (f) To identify a computer hacker and to build a case.
- (g) To provide important investigative leads in an investigation. For a good example, see *State v. Gunwall*, 106 Wn.2d 54 (1986).
- (h) Although the telephone companies and police have a regular way of dealing with the typical threatening or harassing telephone calls, these devices can be employed in egregious cases.

#### **406.5 TECHNOLOGY**

- (a) **Wired Phone:** When someone makes a telephone call, two "messages" are sent to the telephone company's switching equipment. The numbers dialed are used to place the call and to make any record needed for billing purposes. These numbers can be captured by use of a pen register attached to a particular telephone line. The pen register will show the date and time the telephone is taken off the hook, all numbers and symbols dialed, and the date and time the telephone is placed back on the hook. The second set of numbers sent to the telephone company switching equipment is the numbers which identify the telephone making the call. This feature is the basis of the called party's ability to identify the calling telephone number via Caller ID or the use of the "\*57" feature. This information can be gathered for every call to a particular telephone line by a trap and trace device. In most cases in King County, this "device" is actually a special program executed by the telephone company's computer switching equipment.
- (b) **Cell Phone:** When someone makes a cell phone call, two "messages" are sent to the telephone company's switching equipment. The numbers dialed are used to place the call and to make the record needed for billing purposes. These numbers can be obtained by a search warrant or subpoena directed to the cell phone company. The second set of numbers sent to the telephone company switching equipment is the numbers that identify the telephone making the call. This feature is the basis of the

called party's ability to identify the calling telephone number via Caller ID or the use of the \*57 feature. This information can be gathered for every call to a particular telephone line by a trap and trace device. In most cases in King County, this "device" is actually a special program executed by the telephone company's computer switching equipment. The number identifying the cell phone also can be used to locate the phone. The cell phone provider can determine the location of the cell being used whenever the phone is on. There are devices which can then determine the exact location of the phone, once the general area of the cell is known.

#### **406.6 ALTERNATIVES TO A COURT ORDER**

- (a) By the Telephone Company
  - 1. The telephone company can install both a pen register and a trap and trace without a warrant to protect itself and its customers from hackers, toll fraud, extortionate calls, harassing calls, etc. 18 USC 3121 (b); RCW 9.73.070; State v. Rilgy, 121 Wn.2d 22 (1993).
  - 2. Law enforcement usually can obtain this information from the telephone company if there is a criminal investigation. Don't be perceived as having made the telephone company your agent to avoid having to get a court order.
- (b) Caller ID/\*57 Whenever possible, the preferred way for police to accomplish a trap and trace is to use Caller ID and/or \*57, called a customer-originated trace. Caller ID or \*57 can be used when the person receiving the call is cooperating with the law enforcement. To use \*57, break the connection with the caller you want to trace, obtain a dial tone, dial \*57, and follow the directions given on the telephone in response to \*57. You must dial \*57 before making or receiving another call. The calling number can be made available and subscriber information can be provided on an emergency basis, even for a non-published listing. For additional information, consult the U.S. WEST Law Enforcement Agency Guide. The Guide is in a light-blue notebook.

#### **406.7 BY COURT ORDER**

Ch. 217, Laws of 1998

- (a) Superior Court Only.
- (b) Application under oath by a law enforcement officer:
  - (c)
    - 1. Identity of officer and officer's agency.
    - 2. Statement that information likely to be obtained is relevant to an ongoing criminal investigation being conducted by the agency. [Same as federal requirement.]
    - 3. Showing that information likely to be obtained is relevant to an ongoing criminal investigation being conducted by the agency.
    - 4. Showing of probable cause that device will lead to:
      - (a) "Obtaining evidence of a crime, contraband, fruits of crime, things criminally possessed, weapons, or other things by means of which a crime has been committed or reasonably appears about to be committed" or

7. Finding of probable cause that device will lead to obtaining evidence or location of person per 2,c, above.
8. State identity of telephone customers and suspect, if known.
9. State number and physical location of telephone, if known.
10. State offense being investigated.
11. Order may direct phone company to assist, if requested in application.
12. Order good for not to exceed sixty days.
13. Can be extended only under extraordinary circumstances:
  - (a) One extension with a showing that probability of success is higher than under the original application;
  - (b) Additional extensions only with a showing of "high probability" that information sought is "much more likely to be obtained" and "there are extraordinary circumstances such as direct and immediate danger of death or serious bodily injury to a law enforcement officer."
- (d) Secrecy: The order [and logically the application?] are sealed until otherwise ordered by the court, and telephone company employees are directed not to disclose. Language is identical to 18 USC 3123(d)(1). In federal practice all documents are sealed.
- (e) Practice tip: Order should also order telephone company to provide subscriber information on all telephones identified by the pen register/trap and trace. The application should contain justification for this part of the order.
- (f) Telephone Company must be reasonably compensated for its assistance.
- (g) Judges must file an annual report.

#### **406.8 WITHOUT A COURT ORDER IN EMERGENCIES**

- (a) Joint determination by law enforcement officer and prosecutor.
- (b) Reasonably determine probable cause to believe that there is an emergency threatening immediate danger of death or serious bodily injury.
- (c) There is not time using due diligence to obtain a court order, but there are grounds to obtain a court order.
- (d) Must obtain an order within 48 hours.
- (e) If no order within 48 hours, must stop using device when:

1. Have obtained information needed;
  2. Judge denies application; or
  3. 48 hours has passed.
- (f) Knowing violation of emergency provisions is a gross misdemeanor.
- (g) Police must file a report with the administrator for the Courts.

#### **406.9 FEDERAL LAW**

- (a) Not a "search" within meaning of Fourth Amendment. *Smith v. Maryland*, 442 U.S. 735 (1979) (pen registers).
- (b) Not regulated by Title III. *U.S. v. New York Telephone Co.*, 434 U.S. 159 (1977) (pen registers).
- (c) For law enforcement, 18 USC 3121-3127 sets the minimum requirements which must be complied with. A court order is required, but it requires only a minimal showing: the identity of the Government attorney making the application, the identity of the law enforcement agency conducting the investigation, and a statement under oath that the information likely to be obtained is relevant to an ongoing criminal investigation being conducted by the agency.

#### **406.10 RELATIONSHIP BETWEEN WASHINGTON LAW AND FEDERAL LAW**

- (a) Because the federal law requires a lesser showing than the Washington law, use CAUTION in making use of federally-obtained pen register and trap and trace evidence.
- (b) Under the reasoning of *State v. O'Neill*, 103 Wn.2d 853 (1985), you probably can use the evidence to establish probable cause for a state search warrant, pen register order, trap and trace order, or one party consent recording order.
- (c) In *State v. Gunwall*, 106 Wn.2d 54, 720 P.2d 808 (1986), our Supreme Court decided that a pen register is an invasion of "private affairs" and therefore is governed by Art. I, \*7 of the Washington Constitution. The Court also said (strong dictum that the number dialed from a telephone comes within the definition of a "private communication transmitted by telephone," meaning that law enforcement must comply with RCW 9.73 to obtain a pen register order. Federal pen register information will be admissible at trial only if: (1) the court finds that the federal statute constitutes "authority of law" under Article I, section 7, and (2) the court either rejects the dictum of *Gunwall*, or finds that the federal law is a sufficient compliance with RCW 9.73.
- (d) In *State v. Riley*, 121 Wn.2d 22 (1993) our Supreme Court decided that a trap and trace does not intercept a "private communication, " and therefore does not come under RCW 9.73. Although not decided, it is likely (based upon *Gunwall*) that a non-consensual trap and trace will be held to involve "private affairs" and therefore be subject to Art. I, \*7 of the Washington Constitution. Federal trap and trace information may be admissible at trial, if the trial court finds that the federal law is sufficient "authority of law" under Article 1, Section 7.

# Establishing Reliability for Confidential Narcotic Informants

## 407.1 PURPOSE

Renton Police Officers use confidential informants (CI) during numerous investigations. The majorities of these investigations are related to narcotics enforcement and require that the informants remain confidential. It is therefore necessary to establish that the informants and the information that they provide are reliable. The following guidelines are to be used to establish their reliability.

Prior to establishing the reliability of an informant, the confidential informant checklist must be completed. Strong consideration should be given for disqualifying if the applicant reveals convictions for perjury, false reporting, or any other crimes of deception.

## 407.2 PROCEDURE

- (a) Established through prior reliability with outside agencies.
  - 1. The informant's reliability must be verified with the outside agency prior to use. Documentation must include:
    - (a) Case Agents name and phone number
    - (b) Case numbers of investigations where the informant was used.
    - (c) Interview with case agent.
    - (d) Positive recommendation from case agent.
- (b) Establishing reliability within our agency.
  - 1. The CI must supply verifiable information relative to narcotic traffickers and their locations if the CI is going to be used for narcotic investigations.
  - 2. The CI must complete two purchases of controlled substances while under the control and supervision of an investigator.
    - (a) Both controlled purchases should be separate from a case the CI will be working on, if feasible.
    - (b) The purchased controlled substances must field test positive for their desired drug.
    - (c) The CI will be strip searched prior to and after each purchase for additional contraband or currency. This is voluntarily agreed to by the CI before a controlled purchase. The purpose is to show that no evidence was brought to or taken away from the controlled purchase. Consent must be provided by the CI.
    - (d) Both reliability purchases should include corroboration independent of the informant's statement. For example, officer observations, audio wire recording, video recording, etc.

## Reverse Drug Operations

### 408.1 PURPOSE

Reverse sting operations are conducted when it is beneficial to an investigation in order to:

- (a) Obtain probable cause for arrests and/or search warrants;
- (b) Seize the proceeds of crime that will impact the local community.

### 408.2 PROCEDURE

- (a) All drug operations are inherently dangerous. Reverse sting operations are more so in that law enforcement is introducing contraband into the investigation. Typically, this contraband consists of narcotics that have been seized from other investigations, in which law enforcement has a duty to protect and preserve the narcotics from being released into the community.
- (b) Contraband narcotics used for reverse sting operations will be taken out of its originating case and placed into its own evidence with a new case number. This contraband will remain under this new evidence property number unless it becomes evidence in another crime.
- (c) Reverse sting operations will be planned with the same safety procedures and precautions as any other operation; however, there are certain additional factors to consider. These factors should be taken into account in order to control risks and insure that criminal charges can be filed against suspects.
- (d) The additional steps and factors in reverse sting operations may include:
  - 1. Consultation with a prosecuting authority detailed a description of the planned operation.
    - (a) A brief of the investigation is to be given along with a request for advice on the filing of criminal charges for the reverse sting.
    - (b) The prosecuting authority will determine if a completed transaction or if only a substantial step to a transaction will be required for charging.
  - 2. Documentation of Contraband:Narcotics that are to be used in operations will be taken from cases that have been adjudicated. If this is not possible and narcotics are to be used from ongoing investigations, then verbal prosecutor approval to use the narcotics will be obtained. Narcotics from other jurisdiction may be utilized for these operations.
    - (a) The narcotics will be weighed. If the narcotics have not been field tested or tested by the Washington State Crime Lab, then a presumptive field test will be conducted.
  - 3. Law Enforcement officers (undercover officers) will maintain constant custody of the contraband during the surprise flashes. The release of any contraband narcotics to suspects will not be allowed unless officer's safety is at risk. This is a decision made by the undercover officer that is determined by risk of life. The use of informants controlling narcotics contraband in surprise flashes is discouraged.

4. Generally, suspects will not be informed of flashes of contraband in order to reduce the risks of a robbery of the undercover officers.
5. After the conduct of a surprise flash and/or take down of a successful operation, the contraband narcotics will be weighed, field tested again. A sample will be taken from the surprise flash as evidence in the investigation and placed into evidence in that investigation. The remaining contraband narcotics will be placed back into its original property in evidence with a report detailing any changes to the contraband (weight, packaging, etc.).
6. Officer safety overrides all other concerns in these operations.

## Pawn Shop

### 409.1 PURPOSE

Many items pawned at pawn shops are later determined to be stolen. The items are not always stolen from within the City limits of Renton. Although the Renton Police Department does not have jurisdiction over the item, we do have a responsibility to help the victim retrieve their property.

### 409.2 PROCEDURES

- (a) The following procedure will be followed when a detective receives a stolen hit on an item stolen from the Renton jurisdiction:
  - 1. Notify the pawn shop the item is a reported stolen.
  - 2. Serve the pawn shop with a Stolen Property Hold/Intent to Seize Order form (RPD310).
- (b) The following procedure will be followed when a detective receives a stolen hit on an item stolen from a jurisdiction outside of Renton:
  - 1. Notify the jurisdiction from which the item was reported stolen.
  - 2. Notify the pawn shop the item is stolen.
  - 3. Place a temporary hold on the item for the agency having jurisdiction if requested.
  - 4. Advise the pawn shop and the agency that any further issues related to the item must be coordinated between the pawn shop and that agency.

### 409.3 REQUESTS FOR CIVIL HEARINGS

Parties who have items seized have a right to a civil hearing and may request one by submitting their request to the Chief of Police in writing. Upon receipt of the request the detective will:

- (a) Make two copies of the entire case relating to the stolen item.
- (b) Send a copy to the City Attorney.
- (c) Send a copy to the City Hearing Examiner.
- (d) Testify at the hearing upon request.

## Conversion of Property for City Use

### 410.1 PURPOSE

Personal property, which has been seized or recovered by the Renton Police Department, may be converted to city use under certain circumstances. The purpose of converting property is to further our law enforcement role. Examples of property that may be converted include vehicles, computers, cellular phones, etc.

### 410.2 PROCEDURE

- (a) A request for conversion will be submitted through the chain of command. This request will include:
  - 1. Description of item
  - 2. Case Number
  - 3. Evidence number
  - 4. Evidence item number
  - 5. Purpose of conversion
  - 6. Approximate replacement value
- (b) If approved, the requesting party will submit an evidence request form and a copy of the authorization to their Commander.
- (c) The Special Operations Division Commander will maintain a log of all converted property and will file a report via their chain of command.
- (d) The department's General Orders Chapter 84.1.7 and Chapter 63 of the Revised Code of Washington will govern what property can be converted to city use.

## Bait Car Program

### 411.1 PURPOSE

The purpose of the Bait Car program is to target problem areas, involving Auto Thefts and/or Vehicle Prowls. They will allow us to identify active auto thieves as well as having the potential to identify chop shops and criminal organizations that target specific makes. The success of the program and knowledge by the general public can also be an effective deterrent.

### 411.2 PROCEDURE

- (a) The assigned Officer/Detective will:
  - 1. Identify areas experiencing increased Auto Theft and/or Vehicle Prowls.
  - 2. Make arrangements for the placement of the Bait Cars.
  - 3. Notify Valley Communications and log the Bait Car onto CAD.
  - 4. Post a notification to all Renton Police personnel of the Bait Car deployment.
  - 5. Respond and coordinate response of Detective(s) upon theft of Bait Car.
- (b) Valley Communications should:
  - 1. Receive notification that the bait car tracking system has been activated by BSM Wireless (the tracking system company).
  - 2. Receive and relay to Patrol the type of activation and monitoring of the vehicle location.
  - 3. Switch the call to TAC.
  - 4. Refer to the bait car over the air as "Bait Car." This is to eliminate any confusion if the vehicle enters into another jurisdiction.
  - 5. Relay updates of the vehicle's location and other pertinent information, speed, direction of travel.
- (c) Patrol Officers should:
  - 1. Respond into the area to obtain visual contact with the bait car.
  - 2. Minus a "trunk activation", slow their response once in area, as the tracker will have a delay of 6 to 30 seconds or more.
  - 3. Limit the use of emergency lights and sirens in responding.
  - 4. Reset and re-arm the alarm if the vehicle is still on location and not occupied.
  - 5. Give the command to "Shut the engine off" via radio once the occupied bait car is located and sufficient units are in place.
  - 6. Allow 25 – 30 seconds from the time the command is given for the vehicle to actually be disabled.
  - 7. Give consideration as to the vehicles location and potential stopping location prior to disabling the ignition.

8. Give the command to “Unlock Doors” once the car is stopped and officers are ready to conduct a high risk stop.
9. Be aware suspects may or may not be able to exit the car without the remote activation to conduct a high risk stop.
10. Arrest the driver for investigation of Theft of Motor Vehicle (RCW 9A.56-065).
11. Arrest all passengers for the investigation of TMVWOP-2 (RCW 9A.56.075).
12. Under no circumstances make mention to the suspect(s) that the vehicle is a bait car.
13. Once the vehicle is cleared and the suspect(s) secured, request that the vehicle be disarmed by BSM (the tracking system company) through Valley Communications.
14. Respond to the last known location of the Bait Car. In the event BSM (the tracking system company) loses the GPS position of the vehicle, officers will.
  - (a) Upon arriving in the area give the command to “Activate the Horn.”
  - (b) Follow the appropriate search and seizure procedures for recovering the vehicle.
  - (c) Make a decision to disable the ignition early and in the interest of public safety if the car is not located in a reasonable time or it is traveling at excessive speeds.
  - (d) Give the command to disable the vehicle immediately if the suspect(s) in the bait car attempt to elude officers.
15. If the vehicle is unable to be disabled, PATROL UNITS WILL NOT PURSUE THE BAIT CAR outside of a specific incident wherein the need to stop the vehicle in the interest of public safety outweighs the risks of pursuit to the public.
16. Do not PIT or spike the Bait Car unless the situation dictates a specific need.
17. Notify Valley Communications of the last known location and have the vehicle entered into WACIC/NCIC as stolen to activate the Lo-Jack tracking system.
18. If possible, have BSM (the tracking system company) attempt to activate the horn immediately.
19. If the vehicle has been abandoned, search for evidence of the identity of the suspect(s), photograph any damage and complete appropriate reports.
20. Use gloves to preserve the presence of latent prints that may be on the vehicle as it will be processed.
21. Notify assigned Officer/Detective for response and interviews.
22. Have the vehicle driven, or if not drivable, towed to the Renton City Shops.

## Unmanned Aerial System (UAS)

### 412.1 PURPOSE

The following procedures are intended to promote safe, efficient and lawful operation of the Renton Police Department's Unmanned Aerial System (UAS). Safety, above all else is the primary concern in each and every operation, regardless of the nature of the mission.

### 412.2 PHILOSOPHY AND MISSION STATEMENT

It shall be the mission of those personnel of the Renton Police Department who are trained in the use of unmanned aerial systems (UAS), to use this resource to protect lives and property in a constitutional and legally sound manner. Unmanned aerial system can be utilized in circumstances which would save time, enhance data collection, enhance life safety and property protection and to detect possible dangers that could not otherwise be seen. Unmanned aerial systems can also be utilized in any circumstance where other means and resources are not available or are less effective.

UAS's can support any responder in any all-hazards incident that would benefit from an aerial perspective. Additionally, the UAS has suitable uses in locating and apprehending suspects, missing persons, search and rescue operations as well as any task that can best be accomplished from the air in an efficient and effective manner.

Every UAS operator will make reasonable efforts to not invade a person's reasonable expectation of privacy when operating the UAS. When operating the UAS, the Renton Police Department will abide by all FAA Regulations and receive the proper authorization for flight. Additionally, the need, availability and use of the UAS will not supersede the issuance of a warrant when necessitated.

### 412.3 PROTECTION OF RIGHTS AND PRIVACY

UAS unit commanders, operators and observers will have the protection of citizens civil rights and reasonable expectations of privacy as a key component of any decision made to deploy the UAS.

To accomplish this primary goal we will:

- (a) When a UAS is being flown, the onboard cameras will be operated so as to keep the area of interest in sight and minimize inadvertent close up video or still images of uninvolved persons or property.
- (b) All video and still images will be maintained in strict compliance with Renton Police Department policies and procedures and will comply with State Law.
- (c) The Renton Police Department UAS unit will not conduct random surveillance activities. The use of the UAS will be tightly controlled and regulated.
- (d) The authorized missions for the Renton Police Department UAS include, but are not limited to:
  1. Investigative support (TA, Major Crimes)
  2. HAZMAT Response
  3. Search and Rescue

#### **412.4 DEFINITIONS**

- (a) COA (Certificate of Authorization): Given by the FAA which grants permission to fly within specific boundaries and perimeters. Operations conducted under a COA are Public Air Operations.
- (b) Part 107: The regulatory framework laid out in 14 CFR Part 107. Operations conducted under Part 107 are Civil Air Operations.
- (c) sUAS (Small Unmanned Aerial System): An unmanned aerial vehicle (UAV), colloquially known as a drone is an aircraft without a human pilot on board. Its flight is controlled either autonomously by computers in the vehicle and on the ground or under the direct remote control of an operator on the ground or in another vehicle.

#### **412.5 ADMINISTRATION**

##### 412.5.1 STANDARD OPERATION PROCEDURE MANUAL

- (a) The policies and procedures contained in this manual are issued by authority of the Chief of Police. As such it is an official document of the Renton Police Department.
- (b) This manual is not intended to be all-inclusive, but as a supplement to other department guidelines, Federal Aviation Administration regulations, aircraft manufacturers' approved flight manual, etc.
- (c) This manual has been written to address UAS operations as they exist when it was drafted. Equipment, personnel, environment (internal and external), etc., change over time. The management of change involves a systematic approach to monitoring organizational change and is a critical part of the risk management process. Given this, it is essential that this manual be continually updated as necessary. The entire manual will be reviewed, at a minimum, annually to assure it is up to date. Any changes to the manual will be communicated as currently dictated by department policy.
- (d) A copy of the manual will be posted on the department's "H" drive and will be accessible, at a minimum, to every person having UAS responsibilities.

##### 412.5.2 ORGANIZATION

- (a) The UAS unit shall be comprised of those personnel approved by the Department's Chief Pilot and includes pilots, observers and others deemed necessary such as IT personnel, or others that have an assignment or additional duty as part of the UAS unit.
- (b) Assignment to the UAS unit is voluntary.
- (c) Assignment to the UAS unit may be canceled at the discretion of the Department's Chief Pilot

##### 412.5.3 PERSONNEL

- (a) The Department's Chief Pilot, currently the Special Operations Commander, is responsible for the overall direction and performance of the UAS unit and will exercise command and control over both.
- (b) The Department's Chief Pilot is responsible for the day to day supervision and command of the UAS unit.
- (c) Chief Pilot
  1. Responsibilities: 1) maintaining all training, flight and maintenance records for each pilot as well as individual airframes, 2) maintain contact with the FAA and monitor regulations as they change, 3) evaluate airframes based on mission needs. 4) The Chief Pilot must maintain proficiency on all UAS's operated by the unit.
- (d) Pilots
  1. Personnel selected to be Department sUAS pilots must successfully pass the Department's 24 hours Basic UAS Pilot School.
  2. Pilots must have an understanding of, and comply with FAA and Military Regulations applicable to the National Air Space where the UAS will operate.
  3. A pilot's primary duty is the safe and effective operation of Renton Police Department's UAS's in accordance with the manufacturer's approved flight manual, FAA regulations and agency policy and procedures. Pilots must remain knowledgeable in all applicable FAA regulations, UAS manufacturer's flight manuals and bulletins as well as Renton Police Department policy and procedures.
  4. Generally, pilots will be individually assigned a UAS. Each assigned Pilot is responsible for maintaining their assigned UAS and ensuring that it remains airworthy. This includes conducting all recommended physical maintenance and firmware updates.
  5. Pilots are responsible for conducting pre and post flight vehicle inspections.
  6. Pilots are also responsible for the proper handling of all evidence collected by a UAS. Photos and videos shall be uploaded using the proper Department application to ensure the proper maintenance of this evidence. All evidence collected by Department UAS's will be maintained in accordance with State Records Retention law.
  7. Pilots may be temporarily or permanently removed from flight status at any time by the Chief Pilot for any reason including performance, proficiency, physical condition, etc.
- (e) Observers
  1. It is the goal of the Renton Police Department that all commissioned personnel will be trained as UAS observers.

2. Observers will be provided with sufficient training to communicate clearly to the pilot any turning instructions required to stay clear of conflicting traffic. Observers will receive training on rules and responsibilities described in 14 CFR 91.111, operating near Other Aircraft, 14 CFR 91.13, Right-of-Way Rules.
3. An observer's primary duty is to be a second set of eyes for the pilot, looking for anything that may affect the pilot's primary duty (see and avoid).

#### 412.5.4 UAS AVAILABILITY

- (a) The Chief Pilot will make every effort to have UAS's broadly available to divisions needing this tool. To that end, Pilots will be assigned in every division when possible.
- (b) All assigned Pilots will make every effort to accommodate all requests.
- (c) When a division does not have an assigned Pilot and requires the use of a UAS, they may contact any assigned Pilot to request assistance.

#### 412.5.5 SCHEDULING

Requests for UAS support should be made as soon as possible so that the Pilots can properly prepare for the requested mission.

#### 412.5.6 MISCELLANEOUS

- (a) Inquiries from the news media will be forwarded to the Public Information Officer who will coordinate responses and press releases with the Chief Pilot
- (b) Requests for support from other government agencies within, or outside the City of Renton should be approved by a supervisor before responding. Should the request involve an immediate threat to life or property, a Pilot is authorized to accept or decline the request. Proper policy and procedure, as well as FAA regulations shall be followed when accepting mutual aid support requests for the UAS.

### **412.6 SAFETY**

#### 412.6.1 SAFETY POLICY

- (a) The Renton Police Department is committed to having a safe and healthy workplace, including:
  1. The ongoing pursuit of an accident free workplace, including no harm to people, no damage to equipment and no damage to the environment or property.
  2. A culture of open reporting of all safety hazards in which management will not initiate disciplinary action against any personnel who, in good faith, disclose a hazard or safety occurrence due to unintentional conduct.
  3. Support for safety training and awareness programs.
  4. Conducting regular audits of safety policies, procedures and practices.
  5. Monitoring the UAS community to ensure best safety practices are incorporated into the organization.

### Supplemental Procedures

#### *Unmanned Aerial System (UAS)*

---

- (b) It is the duty of every member within the UAS unit to contribute to the goal of continued safe operations. This contribution may come in many forms and includes always operating in the safest manner practicable and never taking unnecessary risks. Any safety hazard, whether procedural, operational or maintenance related should be identified as soon as possible after, if not before, an incident occurs. Any suggestions in the interest of safety should be made to the UAS unit Chain of Command.
- (c) If any member observes, or has knowledge of, an unsafe or dangerous act committed by another member, the Chief Pilot is to be notified as soon as possible so that corrective action may be taken.

#### 412.6.2 OPERATIONAL HAZARD AND OCCURRENCE REPORT (OHOR) AND INVESTIGATIONS

- (a) A hazard is something that has the potential to cause harm. Occurrences are unplanned safety related events, including accidents and incidents that could impact safety. The systematic identification and control of all major hazards is foundational to safety.
- (b) The OHOR concept provides a mechanism to report hazards and occurrences, real and perceived, to those responsible for UAS operations.
- (c) There is no specific format for the OHOR as the information provided is what is important. The OHOR system should be used without hesitation to report any anticipated, current, or experienced safety hazard or occurrence. Further, the OHOR can be submitted anonymously, and to whatever level in the chain of command, to get the matter proper attention, without fear of reprisal.
- (d) Written memorandums fully explaining the problem will be given to the Chief Pilot for investigation.
- (e) Every hazard and/or occurrence will be investigated, with the results and corrective action taken communicated to all members. The investigation will be conducted by the Chief Pilot, or any other member of the department who has the technical skill necessary to do it. The services of an independent subject matter expert may be necessary in some cases to assure a thorough and complete investigation.
- (f) Hazards requiring immediate attention will be brought to the attention of the Chief Pilot or direct supervisor, verbally and without delay.
- (g) ALL MEMBERS OF THE UAS UNIT ARE AUTHORIZED, AND EXPECTED TO TAKE ACTION TO CORRECT A HAZARD if in that member's opinion delay will result in accident or injury. The UAS unit chain of command will be notified as soon as possible in such situations.

#### 412.6.3 SAFE OPERATIONS IN PROXIMITY TO AIRPORTS, SENSITIVE INFRASTRUCTURE, CONTROLLED AIRSPACE AND AT HIGH ALTITUDES

- (a) In order to ensure safe operations in proximity to airports, sensitive infrastructure, controlled airspace and at high altitudes, all pilots will at all times comply with all conditions laid out in the COAs issued to the Renton Police Department or follow Part 107 rules.

# Renton Police Department

- (b) Whenever possible, pilots will communicate flight plans with the affected ATC even if not required by the COAs.
- (c) When necessary for safe operation, Pilots/Observers will utilize a handheld VHF transceiver to monitor manned aircraft pilot's communications in the area of operation.
- (d) When operating under one of Renton PD's COA's, pilots will file Notice to Airmen (NOTAMs) before all operations except as exempted by the COAs. NOTAMs are not required for Part 107 operations.

#### 412.6.4 SAFETY TRAINING

- (a) All members shall receive training in the following subjects prior to operating the UAS:
  - 1. Agency commitment to safety
  - 2. Agency policy
  - 3. UAS Unit member's role in safety
  - 4. Emergency safety procedures
- (b) In regards to safety, all members of the UAS unit are responsible for the following:
  - 1. Ensuring all flight operations personnel understand applicable regulatory requirements, standards and organizational safety policies and procedures.
  - 2. Observe and control safety systems by monitoring all operations.
  - 3. Review standards and the practices of department personnel as they impact operational safety.
  - 4. Communicate all reported safety related problems and the corrective action taken. If there were any in-flight problems (or learned experiences), the proper procedures for handling that problem should be discussed.
  - 5. Copy and circulate pertinent safety information.
  - 6. Copy and circulate emergency safety bulletins.
  - 7. Share any electronic copies of safety information or bulletins with UAS unit members.

It is emphasized again that safety is the responsibility of ALL members of the UAS unit

#### 412.6.5 MEDICAL FACTORS

- (a) Pilots and Observers shall only deploy the UAS when rested and emotionally prepared for the tasks at hand.
- (b) Physical ill ness, exhaustion, emotional problems, etc., can seriously impair judgment, memory and alertness. The safest rule is not to act as a pilot or observer when suffering from any of the above. Members are expected to "stand down" when these problems could reasonably be expected to affect their ability to perform flight duties.
- (c) A self-assessment of physical condition shall be made by all members during pre-flight activities.

- (d) Performance can be seriously hampered by prescription and over the counter drugs. The Chief Pilot will be advised anytime such drugs are being taken. If it is determined that the medication being taken could hamper a pilot or observer, that member shall be prohibited from the deployment or exercise.
- (e) No member shall act as a pilot or observer within eight hours after consumption of any alcoholic beverage, while under the influence of alcohol, or while having an alcohol concentration of 0.04 (FAR 91.17)

#### **412.7 TRAINING**

##### 412.7.1 OBJECTIVE

A professional level of competency is the key to continued safe operations. This high level of competency requires ongoing training and a commitment to excellence.

##### 412.7.2 INSTRUCTORS

- (a) Duties of instructing new UAS team members shall fall upon those who have been selected as Department UAS Trainers. These trainers will be designated by the Department's Chief Pilot.
- (b) Outside department Subject Matter Experts can be utilized for ongoing training.

##### 412.7.3 TRAINING PLANS

- (a) An annual training plan will be developed by the Chief Pilot each year.
- (b) All training events will be outlined in a Department Lesson Plan approved by the Chief.
- (c) All missions or exercises will be documented and count toward a member's training.

##### 412.7.4 INITIAL TRAINING

- (a) Observers must have completed sufficient training to communicate to the pilot any Instructions required to remain clear of conflicting traffic.
- (b) Pilots must be Part 107 certificated and successfully complete the Department's 24 hour Basic UAS Pilot School which will include at least 8 hours of solo flight time. Additionally, pilots will enroll in appropriate training as required, in order to obtain and meet any future FAA regulations.
- (c) In conjunction with fulfilling all FAA requirements for pilot/observer duties, the new member will also become familiar with UAS operations, all department aircraft and accessory equipment.
- (d) Any new member who fails to successfully complete the initial training may be denied as a member of the UAS unit.

##### 412.7.5 RECURRENT TRAINING

- (a) All members within the unit shall maintain proficiency in their operator/observer abilities.

# Renton Police Department

### Supplemental Procedures

#### *Unmanned Aerial System (UAS)*

---

- (b) Observers who do not have any documented training or mission time within a span of 120 days will have to show proficiency before being an observer during a mission or exercise.
- (c) Pilots must accumulate at least two take offs and landing per month.
- (d) Pilots must keep their Part 107 certification current. This requires recurrent training and testing at [www.faa.gov](http://www.faa.gov) every 24 months.
- (e) Recurrent training is not limited to actual pilot/observer skills but includes knowledge of all pertinent UAS/aviation matters.
- (f) Failure to maintain proficiency can result in removal from UAS responsibilities.

#### 412.7.6 MISCELLANEOUS

- (a) Depending on the nature of the training request, all efforts will be made to accommodate the hours of training so as to limit impact on staffing levels.
- (b) All requests for training shall be approved through the member's chain of command.
- (c) Members are encouraged to attend, and forward information on, FAA sponsored safety training.
- (d) Flight training shall comply with the provisions of the Department's COA's or Part 107.

#### **412.8 GENERAL OPERATING PROCEDURES**

##### 412.8.1 REQUEST FOR UAS SUPPORT

- (a) Requests for UAS support shall be made through department supervisors.
- (b) Requests for UAS support can be made at any time during the day or night.

##### 412.8.2 DEPLOYMENT PRIORITIES

- (a) The UAS shall not be used for the purpose of random surveillance.
- (b) If several separate requests for UAS support are received simultaneously, and there are insufficient resources available to approve all requests, they shall be prioritized.
- (c) Requests for UAS support are prioritized as:
  - (a) Life Safety
  - (b) Evidence I Documentation

##### 412.8.3 FLIGHT BOUNDARIES

- (a) The Renton Police Department operates under 2 FAA issued Certificates of Authorization (COA) and Part 107.
- (b) Our Jurisdictional COA grants authority to operate within the boundaries of this COAs 'Area of Operation'. This includes authorization to operate in Boeing Field's Class D airspace, Renton Municipal Airport's Class D airspace and Seattle-Tacoma International Airport's Class B airspace. Pilots must comply with all conditions of

this COA and ensure that all missions flown under this COA are within its 'Area of Operation', when operating under the Jurisdictional COA.

- (c) Our Blanket Area COA grants authority to operate in Class G airspace anywhere in the United States with some restrictions. When operating under the Blanket COA, pilots must ensure that all missions flown comply with all conditions of this COA.
- (d) Part 107 Operations can take place anywhere in the United States. When operating under Part 107, all Part 107 rules must be followed.
- (e) Before each flight, the pilot must decide what regulatory framework (Jurisdictional COA, Blanket COA or Part 107) the flight will operate under and those rules will be followed until the end of the flight.

#### 412.8.4 MINIMUM PERSONAL REQUIREMENTS

The minimum personnel for a Part 107 operation is a pilot. The minimum personnel for a COA operation is a pilot and an observer.

#### 412.8.5 PERSONNEL RESPONSIBILITIES FOR DEPLOYMENTS

##### (a) Pilot

1. The pilot is directly responsible for, and is the final authority over the actual operation of the UAS. Pilots have absolute authority to reject a flight based on personnel safety or violation of FAA regulations. No member of the police department, regardless of rank, shall order a pilot to make a flight when, in the opinion of the pilot, it poses a risk to personnel or is in violation of FAA regulations.
2. Pilots are responsible for compliance with this manual, department policy and procedure and FAA regulations.
3. The pilot's main duty during the deployment of the UAS is to operate the UAS safely while accomplishing the goals of the deployment.
4. Pilots shall see-and-avoid any obstacle that will lessen safety during the mission.
5. Pilots shall be responsive to the requests of the observer in order to safely accomplish the deployment.
6. Pilots are responsible to documentation all missions, training and airframe maintenance.

##### (b) Observer

1. Observers shall see-and-advise the pilot of any obstacle that will lessen safety during the mission.
2. Observers shall operate any attachments to the UAS, allowing the pilot to maintain complete focus on the operation of the UAS.
3. Observers shall remain alert for suspicious persons or activities on the ground and coordinate response by ground units.

4. Observers shall monitor the radio and give updates on mission progress where necessary.
5. Observers shall assist the pilot in the main objective of safe operations of the UAS.

#### 412.8.6 PERSONAL EQUIPMENT

- (a) Department UAS pilots/observers shall deploy in duty attire.
- (b) Pilots/Observers will take into consideration the current weather conditions when planning to deploy, and wear appropriate clothing to deploy comfortably.
- (c) There are no documented issues with the use of the radio or cellular phones during the deployment of the UAS, but the pilot/observer should at all times take into consideration safe operation of the UAS when using the radio or another device.

#### 412.9 PRE-FLIGHT / POST-FLIGHT ACTIONS

##### 412.9.1 INSPECTIONS

- (a) Pilots/Observers are both responsible for a thorough preflight inspection of the UAS.
- (b) Before and after each deployment (whether a mission or training), the operator and observer shall conduct a thorough inspection of the UAS in accordance with the instructions contained in the manufactures user's manual.
- (c) Any issues found that may jeopardize the safe operation of the UAS shall be documented and resolved immediately prior to flight.
- (d) Pilots/Observers will utilize all applicable Department Check Lists as part of the Department's comprehensive UAS Safety plan.
- (e) Any issues found with the physical equipment that cannot be resolved on-site, and which have an impact on safety or the mission, will necessitate the cancellation of the deployment.

##### 412.9.2 WEATHER

- (a) Before each deployment the pilot/observer will ensure that he/she gathers enough information to make themselves familiar with the weather situation existing throughout the area of deployment. They should utilize all available resources to ascertain the latest and most current weather conditions.
- (b) Best Judgment should be utilized in order to better estimate the wind speed and determine if it is within the capabilities of the airframe being flown.
- (c) If weather conditions are beyond the airframes capabilities, the deployment must be canceled.

##### 412.9.3 DOCUMENTATION AND EVIDENCE

- (a) Whenever feasible, pilots will utilize the UASs onboard camera to video record every mission.

- (b) After each flight, the operator will complete a Flight Log documenting the deployment if they did not fly with Axon Air. Multiple flights on the same airframe, occurring at the same location and on the same mission, may be documented on one Flight Log if the flights were not conducted with Axon Air.
- (c) After each deployment, all video and still photos obtained during the UAS operation will be submitted to evidence in accordance with department policy.
- (d) Aerial photography (still or video) shall be stored in accordance to department policy and procedure and in compliance with State Law.
- (e) The Pilot of the UAS is responsible for evidence handling as well as writing any supporting documentation for the incident.

#### 412.9.4 PLANNING

- (a) The pilot/observer shall familiarize themselves with all available information concerning the deployment including, but not limited to, the weather conditions, hazards, description of the incident, deployment goals, etc.
  - 1. Pilots will ensure that the location for take-off and emergency landing is adequate for a safe deployment.
  - 2. At least one emergency landing area should be identified per deployment.

## Service of Court Orders

### 503.1 RECORDS UNIT RESPONSIBILITY

The Records Unit will have primary responsibility for handling all court orders.

- (a) Any court can initiate an order. Only Superior Court can process orders involving children or the disposition of property.
- (b) The originating court may initiate an order and include a letter indicating the order is to be transferred to Superior Court.
  - 1. The originating court will provide Superior Court's cause number.
  - 2. If WACIC entry is needed, use the Superior Court ORI and cause number (ORC and RES fields).

### 503.2 PAPER SERVICE AND ENTRY

When papers are to be served and/or entered into WACIC:

- (a) An order is ENTERED into WACIC based on the home address of the petitioner. If the petitioner lives within the Renton city limits, enter the order into WACIC.
- (b) An order is SERVED based on the respondent information provided in the Law Enforcement Information Sheet (LEIS).
  - 1. Service is usually based on respondent's home address. The LEIS may indicate that service is more likely to be successful at a work address.
  - 2. If the address where service is requested is inside the Renton City limits, Renton Police Department will be responsible for processing for service.
- (c) If an order is received that is not for Renton Police service or entry, fax the order to the appropriate agency. Log the order in the court orders logbook maintained by the Records Unit.

#### 503.2.1 WACIC ENTRY

- (a) If the order is to be entered AND served, make one copy of the order.
  - 1. The original is for service. Refer to the Service of Orders subsection.
  - 2. One copy is eventually filed in the Orders Cabinet located outside the front counter. Refer to IV.F and IV.G.
- (b) Use the respondent information (i.e., name, date of birth) as reported on the LEIS to obtain DOL information. If not enough information is provided use other available resources such as:
  - 1. Department records management system
  - 2. Judicial Information Systems (JIS)
  - 3. Call the attorney
  - 4. Call the petitioner

## Application to Transfer Pistol

### 505.1 APPLICATION TO TRANSFER PISTOL

- (a) Federal Law requires that anyone intending to purchase a firearm submit a State of Washington Application to Transfer Pistol, form #FIR-652-001, to the local law enforcement official where the individual resides. Multiple sales are to be reported on ATF Form #F3310.4.
- (b) Purchasers showing a valid Washington State Concealed Pistol License (CPL) can take immediate possession of the firearm.
- (c) Purchasers not showing a valid Washington State CPL are required to wait five full business days before taking possession of the firearm.
- (d) The Firearms Dealer must submit the Application to Transfer by the end of the business day.
  - 1. The Renton Police Department will only accept Applications to Transfer for City of Renton residents.
    - (a) If the applicant is not a City of Renton resident, contact the gun dealer and advise which agency they are to send the application to. Once notified the Application to Transfer form is shredded.
  - 2. The Renton Police Department will only accept such Applications to Transfer via the US Postal Service or personal delivery.
  - 3. Applications to Transfer will not be accepted by phone under any circumstances. Fax delivery is acceptable, however should not be accepted as a general course of business.

### 505.2 PROCESSING APPLICATION TO TRANSFER

- (a) Date/time stamp each application and determine if the applicant is a City of Renton resident. If the applicant is not a City of Renton resident, the form is to be returned to the gun dealer, marked "not a city resident."
- (b) Review the application to ensure basic requirements for purchase are met:
  - 1. Applicant must be at least 21 years of age
  - 2. Applicant must be a United States citizen
    - (a) If the purchaser is not a United States citizen, the purchaser must supply a Washington State Alien Firearms License as issued by the Department of Licensing or a permanent resident card issued by ICE.
- (c) If the applicant has a valid Concealed Pistol License the firearm dealer will conduct the NICS check and note the NICS transaction number of the form. The dealer will receive notice from FBI NICS on whether or not the application can proceed. If the application is to proceed the dealer will forward the application to the Renton Police Department.
  - 1. Staff Services will then conduct the following background checks:

  - 1. DO NOT conduct a NICS check as this will create a new NICS transaction number for the same application.
  - 2. If there is no denial criteria forward the application to the Staff Services Supervisor for destruction.
  - 3. If there is a denial criteria, or if additional research is needed, call the dealer to place a hold on the purchase. Note whether or not the applicant has taken possession of the firearm. 9.414.090 (4) allows up to 90 days to complete research. Proceed to the Denial Process section.
- (d) If the applicant does not have a valid Concealed Pistol License there is a five day waiting period during which time every attempt to process the application must be made. If the application is received three or more days after the application date, place a hold on the purchase by calling the dealer. Advise the dealer more time is needed to conduct the required background checks.
  - 1. Staff Services will conduct the following background checks:
    - (a) DOL Concealed Pistol License File (DF)
    - (b) WACIC stolen status (WG)
    - (c) Local records
    - (d) JIS (Discus; Scomis) Before proceeding to the final check research all other checks to determine if the application can proceed or will be denied or placed on hold for additional research.
    - (e) NICS Inquiry (QNP) (NICS responses include WASIS, WACIC/NCIC, III, and DSHS) If the application can proceed note the NICS transaction number on the application and FAX it to the dealer. Multiple purchases for one person – use same NICS number. If the application is denied or placed on hold, immediately following the NICS check send the NICS Denial Notification (NDN) (mask F NDN). Call the dealer to notify of the denial and hold. If more time is needed to determine eligibility send the delay message prior to the denial message. Proceed to the Denial Process section. If after sending the denial (NDN) notification it is determined the application can proceed notify NICS using the overturn message (F NDO).
    - (f) If the NICS inquiry returns with a SID or FBI number run a QNR inquiry using the SID or FBI number.

1. If the applicant does not have possession of the weapon pending the five day waiting period, and the Staff Services Division Manager is unavailable during this time, refer to the Staff Services Division Supervisor.
  2. If the applicant has a valid Concealed Pistol License and took possession of the weapon at the time of purchase, refer to the Staff Services Division Lead Specialist who will prepare a revocation letter for the division manager's signature. If the Manager approves the denial letter for mailing:
    - (a) Scan the entire file to the subject's global jacket in the department records management system. Do not finalize the document.
    - (b) Mail original to the applicant.
    - (c) Wait 10 days for an appeal from the applicant. If there is no appeal or if it is unsuccessful, write DENIED on the copy of the application. Add the reason for the denial to the letter. Mail the application with a copy of the denial letter to: Department of Licensing Firearms Desk P.O. Box 9649 Olympia, WA 98504
    - (d) Mail photocopy to the dealer. If the applicant requests the reason for the denial, Specialists may look up the information in the Renton Police Department records management system and disclose to the applicant the reason for denial. If the applicant requests additional information, they may be referred to the Lead Police Service Specialist, the Staff Services Division Supervisor or the Staff Services Division Commander. After the denial, destroy the entire file and delete the document from the subject's global jacket in accordance with the Washington State Archives Retention Schedule, DAN LE17-01-03.
- (d) If an application is denied by a gun dealer as a result of a NICS check, the gun dealer is to refer the applicant to NICS.

#### **505.5 APPEALS PROCESS**

- a. If a person is denied the purchase or return of a firearm, he or she can appeal the denial through the denying agency and request the reason for the denial. The FBI does not accept challenges or provide reasons for delays or denials on state issued firearm permits.
- b. The denied individual may also appeal for a firearm through the NICS Section. If the denied individual chooses to appeal through the NICS Section, the denying agency may refer the denied individual to [www.fbi.gov/nics-appeals](http://www.fbi.gov/nics-appeals).
- c. If the individual is denied based on a federal or state prohibitor, verify identity by reviewing a valid, government issued photo identification such as a driver's license or passport.
- d. For prohibitors that are fingerprint based (example: felony conviction), the Renton Police Department requires the denied applicant be fingerprinted in order to verify the identity of the applicant.

##### 507.3.1 NON-DIRECTIONAL BEACON (NDB) ALARM

The NDB facility provides users who have appropriate radio compass receivers or other direction finding equipment with an accurate and reliable means of navigation. It may be used for homing, as a marker for holder areas, or as an obstruction marker. This allows any aircraft in the coverage to tell what direction the Renton Airport is in relation to their location.

This alarm indicates that the NDB is out of service. This can be due to it actually being out of service or can be activated by weather. When activated by weather it will usually restore within a few minutes. This NDB Off and NDB on can occur many times in succession when affected by the weather. Ideally, there would be a 10-minute wait to see if it does go back into service and stays in service. However, due to system constraints this is not always practical. Therefore at the first NDB out of service alarm:

- (a) Select the NDB off alarm
- (b) Enter
- (c) Follow on screen instructions
  1. Between 0700 – 1530 hours Call the Renton Tower (Renton FCT) advising the NDB alarm has sounded and is considered out of service. (206) 764-6632 Call the City Signal Shop advising the NDB alarm has sounded, the time it sounded, and that it is considered out of service OR that a malfunction of the NDB has been reported by the Renton Tower or Seattle TRACON (Seattle Terminal Radar Approach Control). Ext: 7423 On Call Pager: (425) 325-0535
  2. Between 1530 – 2000 hour October 1 through April 30 Between 1530 – 2100 hours May 1 through September 30 Call the Renton Tower advising the NDB alarm has sounded and is considered out of service. - (b) Line errors require no action other than to acknowledge it to clear it from the screen.
- (c) Lost Communications can be immediately acknowledged. Lost Communications alarms will usually restore within 1-2 minutes. If they don't restore after two minutes, call IS at numbers listed on screen.

#### **507.4 CITY HALL (1055 SOUTH GRADY WAY) FIRE ALARMS**

A fire alarm sounds on the floor it is activated on, as well as one floor above and one floor below. In addition to the siren there are strobes.

ADT monitors the fire alarms for city hall. They are responsible for calling Valley Communications.

All floors affected are to evacuate.

If a fire alarm sounds on the first floor call Valley Communications and the jail to advise you are evacuating the building. Take the keys and radio with you.

The fire department will evacuate other floors as they deem necessary.

The fire department will advise when the building can be re-entered.

## King County Regional AMBER Alert Plan

### 524.1 PURPOSE AND SCOPE

- (a) The King County Regional AMBER Alert Plan is a collaborative effort between law enforcement agencies and the local media within King County. The goal of the plan is the safe and swift return of children who are abducted or become missing under specific criteria, by providing accurate information to the public gaining their assistance in locating the child.
- (b) A national study conducted by the Washington State Attorney General's Office found that nearly seventy-five percent of the nations children, who were abducted and murdered, were dead within three hours of the time of their abduction. Given this small window of opportunity for a safe recovery of an abducted child, the police community must depend upon the assistance of concerned citizens to help us in our efforts for the safe recovery of our children.
- (c) The purpose of the AMBER Alert Plan is to utilize the locate radio and television media, to assist the police departments in the recovery of an abducted child. The local media will use the Emergency Alert System (EAS), to notify the general public of the AMBER Alert activation and request their assistance. The media will announce the description of the missing child, details of the abduction, abductor information, vehicle information, possible direction of travel, and any other information deemed helpful by the investigating agency. The broadcast will advise the public to call 911 with any possible information regarding the alert.

### 524.2 PROCEDURE

- (a) Criteria for initiation of the AMBER Plan
  1. The victim is under 16 years of age
  2. The victim is not a voluntary runaway (Previous history of runaway reports is not a sole factor for exclusion.)
  3. A risk of injury or death to the victim is present, in the judgment of the reporting law enforcement agency investigator.
  4. It must be reported to and investigated by the Renton Police Department.
- (b) Implementation
  1. The investigating officer verifies the details of the possible abduction with his/her supervisor. The supervisor will notify the Watch Commander or Command Duty Officer for approval.
  2. The investigating officer completes the standardized AMBER Alert Report, in addition to the required department report. Required information will include.
    - (a) Victim's name (includes any nicknames)
    - (b) Victim's age
    - (c) Victim's physical description (Recent photograph if possible)

- (f) CAD incident reports started, but not completed, will be kept in the TRU office for follow up, at least every 48 hours by Staff Services.

## Background Reinvestigations

### 528.1 PROCEDURE

- (a) ACCESS requires all personnel who use ACCESS to have a background re-investigation every five years. This mirrors the CJIS Security Policy recommendation. To complete this compliance measures:
  - 1. Run a criminal history inquiry using purposed code “J”. Use “Criminal Justice Re-background” as a reason. Renton Police Department records management system automatically logs criminal history inquiries. *DO not* retain rap sheet information.
    - (a) If there are felony findings within the employee’s rap sheet they will be denied continued use and certification with ACCESS. The TAC must notify the Washington State Patrol (WSP) Information Security Officer of any findings.
    - (b) If there are charges pending a disposition, the TAC must notify the WSP Information Security Officer.
    - (c) If there are misdemeanor findings, the TAC shall notify the WSP Information Security Officer but, the Renton Police Department will ultimately decide whether to limit ACCESS.
    - (d) Keep a log of all personnel SID numbers and the date of the background re-investigation for future ACCESS audits.

## Stolen Guns

### 529.1 PURPOSE AND SCOPE

The Gun File assists in the recovery of stolen or missing guns and locating guns used in the commission of a felony. It also aids in the return of recovered or pawned guns to legal owners. Agencies may inquire to see if a department holds an active stolen or loss report. They may verify if an agency is seeking the weapon in connection with a felony, has recovered the weapon, or if it has been pawned.

### 529.2 DEFINITION OF A GUN

- (a) Any weapon, including a starter gun that will or is designed to or may be converted to expel a projectile by compressed air or gas or by the action of an explosive is considered a gun. Included are antique guns, cannons, machine guns, pistols, rifles, shotguns, the frame or receiver of any such weapon, any firearm muffler or firearm silencer, destructive devices (such as grenades, mines, missiles, and rockets), and disguised guns (such as knife guns, pen guns, belt buckle guns, and cane guns).
- (b) BB guns are not considered weapons and should be entered in the Article File.
- (c) Pellet guns are considered weapons and are entered in the Gun File.

### 529.3 CRITERIA FOR ENTRY IN THE GUN FILE

- (a) Any stolen gun that has a unique serial number may be entered into WACIC/NCIC Gun File when a valid report has been signed. WSP recommends that the reporting party and the investigating officer sign the theft report.
- (b) Officers notify Staff Services of stolen gun reports as soon as possible. This notification is by phone or radio and by marking these reports as Urgent.
  - 1. Enter the gun as stolen in WACIC/NCIC. Refer to attachment A.
  - 2. Copy/paste the entry response to a word document.
  - 3. Run the gun and copy/paste the entry to the same word document.
  - 4. Print the word document.
  - 5. Initial the entry.
  - 6. A second Specialist must check the entry and date/initial that the second check has been done.
  - 7. At case entry scan the document into the case.
    - (a) Name the document "WACIC/NCIC – Stolen Gun"

## Missing Persons

### 530.1 PROCEDURE

- (a) The Missing Person File assists in the location and identification of missing persons by providing a computerized file of individuals who have been reported as missing. The agency holding the missing person report has the responsibility of entering the report into the system and to maintain the record in a current, up-to-date status.
  - (b) Any individual can be entered when there has been a missing person report filed. The entry should be made as soon as possible after the missing report has been taken.
  - (c) If the subject is a juvenile, the entry must be completed within two hours of the report. The missing report is sufficient documentation for entry into the missing persons file.
  - (d) If the subject is an adult, signed documentation is required. This documentation should be from a parent, legal guardian, next of kin, physician, or other authoritative source, including a friend or neighbor in unusual circumstances. This written document will aid in the protection of the individual's right of privacy. When such documentation is not reasonably attainable, a signed report by the investigating officer will suffice.
1. Officers notify Staff Services of missing person reports as soon as possible. This notification is by phone or radio and by marking these reports as Urgent.
    - (a) Enter the missing person in WACIC/NCIC. Refer to attachment A.
    - (b) Copy/paste the entry response to a word document.
    - (c) Run the missing person and copy/paste the entry to the same word document.
    - (d) Print the word document.
    - (e) Initial the entry.
    - (f) A second Specialist must check the entry and date/initial that the second check has been done.
    - (g) At case entry, scan the document "WACIC/NCIC – Missing Adult" or "WACIC/NCIC – Missing Juvenile"

## Stolen Articles

### 531.1 PROCEDURE

- (a) The purpose of the WACIC Article file is to assist in the recovery of identifiable stolen property (excluding motor vehicles, boats, motor vehicle and boat parts, guns, and securities) by providing a central repository for recording stolen, pawned, and recovered articles bearing a unique identifying number. Agencies may inquire to ascertain if any department holds an active stolen report has recovered the article, or if it has been pawned.
- (b) The WACIC Article File will accept and retain any stolen, recovered, or pawned item that has permanent unique identification serial number or owner-applied number composed of alphabetic and/or numeric characters. Credit cards and other documents which may be reissued with identical number are excluded.
- (c) NCIC will accept and retain only stolen articles. Not all stolen property items acceptable to the WACIC system meet the criteria for entry into NCIC. The NCIC requirements are:
  1. Any item in the theft report valued at \$500 or more that has a unique manufacturer-assigned serial number and/or an owner-applied number. Office equipment (adding machines, typewriters, dictating machines, etc.), color television sets, and bicycles can be entered regardless of the value.
  2. If the aggregate value of property taken in one theft exceeds \$5,000, any item in the theft report, regardless of the value, having a unique manufacturer-assigned number and/or owner applied number can be entered.
  3. Any item in the theft report, regardless of value, having a unique manufacturer-assigned serial number and/or owner-applied number may be entered if:
    - (a) The circumstances of the theft indicate there is a probability of interstate movement; or
    - (b) The seriousness of the crime dictates that an entry should be made for investigative purposes.
- (d) Officers notify Staff Services of stolen articles as soon as possible. This notification is by phone or radio and by marking these reports as Urgent.
  1. A signed stolen report is NOT required for stolen articles.
    - (a) Enter the article as stolen in WACIC/NCIC. Refer to attachment A.
    - (b) Copy/paste the entry response to a word document.
    - (c) Run the article and copy/paste the entry to the same word document.
    - (d) Print the word document.
    - (e) Initial the entry.
    - (f) A second Specialist must check the entry and date/initial that the second check has been done.

- (a) Pull the expulsions from their respective locations
  1. Delete the scan from the global subject jacket
  2. Complete Certificate of Destruction

## **Destruction After Digitization**

### **533.1 ELIGIBLE RECORDS**

- (a) Eligible records are non-archival and covered by a current, approved records retention policy (DAN GSS0-09-14).
- (b) Archival records are not to be destroyed. They may be scanned, but the paper copy is kept. Any archival records assessed for transfer to the State Archives must transfer both paper and image file.

### **533.2 SCANNING REQUIREMENTS**

- (a) Records are scanned and verified in a systematic and consistent fashion that ensures a complete and accurate copy of the record. Records that are not completely and accurately captured are not to be destroyed.
- (b) Quality control shall comprise of visual comparison and inspection of each imaged record and source document. Each document will be scanned, then the file opened up and checked for accuracy and completeness against the source document.
- (c) It shall also consist of an annual check of scanner calibrations.
- (d) If vendors are contracted for imaging services, an addendum to this policy will be added.

### **533.3 FORMATS**

- (a) For short-term retention, less than six years total, either a glossless or glossy image format may be used. Acceptable file formats include: TIFF, PNG, PDF, PDF//A, JPEG and JPEG 2000.
- (b) For retention of more than six years, the paper format is retained for the duration of the required retention period.
- (c) Records are scanned at a DPI between 150 - 300.
- (d) Images are named according to the current Naming Document Standards.
- (e) Scanned images may only be tossed if a retention review date has been added to the case entry.
- (f) Images are stored, maintained, and accessible for the entire length of the required retention period. If there is any question about length of retention paper copies are retained.
- (g) The Renton Police Department retains legal custody of the imaged record. If an outside agency is contracted for imaging, an addendum to this policy will be added.

### **533.4 SECURITY**

- (a) Imaged records are protected against alteration and/or deletion, damage, or loss throughout the entire retention period. These protective measures include:

## Supplemental Procedures

### Supplemental Procedures

#### *Destruction After Digitization*

---

1. Only Staff Services Division members trained on records retention and destruction are authorized to delete scans.
2. Storage of a regular backup is off-site to enable recovery and access to the images in the event of a disaster or emergency.

#### **533.5 TECHNOLOGY CHANGES**

In the event of technology changes, the Renton Police Department will maintain the ability to retrieve and view imaged records in systems and file formats currently used or migrate or export the record images and associated metadata to succeeding systems and file formats throughout their required retention period.

#### **533.6 DESTRUCTION**

- (a) Imaged Records are destroyed only after the minimum required retention period as specified by GS50-09-14.
- (b) Records are not destroyed when required for:
  1. Existing public records request in accordance with Chapter 42.56 RCW, or
  2. Ongoing or reasonable anticipated legislation, or
  3. Other legal requirements, federal statutes, grant agreements, etc., or
  4. Archival transfer
- (c) If changes to the records retention schedule have occurred between digitization of the record and their planned destruction, and those changes have altered the minimum retention period.

## Felony Filing Logs

### 534.1 PROCEDURE

Weekly, the department receives Filing Logs from the King County Prosecutor. The logs contain felony filing information for all King County law enforcement agencies.

This information is tracked in the department's records management system.

Until the implementation of this policy these logs were scanned to the case as a document.

Because there are multiple cases from various agencies on a page we no longer scan the Filing Log document to the case. This will help reduce the overload of documents in a case and will also streamline responses to public records requests.

### 534.2 ADDING THE FILING INFORMATION

- (a) Open the case. Pay attention to the year as it is not uncommon for the filing logs to contain cases from the previous year.
- (b) Open the Arrest Tab
  1. be sure the new world name is the same as the filing log – there can be multiple suspects in one case
  2. there may be some instances where there is not an arrest tab entry:
    - (a) Arrest tab entry was missed at case entry. Enter the arrest.
    - (b) If the case is a current year case or a case from the previous year and has already been submitted to IBR it will be necessary to do a Prior Month Adjustment (PMA).
    - (c) There was not an arrest at case entry, but the investigator determined there was sufficient PC to forward the case to the KC prosecutor for filing of charges. This information is obtained from Case Settlements, which are processed by the SSD Supervisor. In this instance, forward the filing log to the SSD Supervisor.
- (c) Open Arrestee
- (d) Open Arrest Charge tab
- (e) Open Offense
- (f) Open the court icon
- (g) In the Other Information Section:
  1. Court Disposition = Charges Filed
  2. Disposition Date = Date of Event from the Filing Log This date must be after the Arrest Tab arrest date. The arrest tab date may need correction  
Summons Number = Court number on the Filing Log  
Remarks: Enter the charge/s
- (h) Shred Filing Log

## NCIC Validations

### 535.1 POLICY

The NCIC (National Crime Information Center) requires that entries into the NCIC system are routinely reviewed and confirmed as complete, accurate, and still outstanding or active.

References:

- Washington State Patrol ACCESS Operations Manual Procedure 01.08.000 Quality Control and Validations (Revised 09/2019)
- Washington State Archives Local Government Common Records Retention Schedule (CORE) Version 7.2, January 2017; DAN GS2016-009

NCIC Validations are processed by the Records Specialists and are assigned on a rotating quarterly schedule.

### 535.2 VALIDATION DOWNLOAD

CJIS Validations will send both an AM message to the main device ID and an email notification to the TAC when validations are ready for the month.

- (a) The TAC or their designee needs to log on to CJIS Validations to process the records: <https://cjisvalidations.wsp.wa.gov/validations/>
  1. User Name and password are the same as Omnixx/nexTEST
  2. For login issues, contact ITDHelp@wsp.wa.gov or (360) 705-5999
- (b) The TAC or their designee click on “reports” and utilize the various methods for validations.
- (c) The TAC or their designee must go back the next day after validations are completed for the month, run the “summary report” and see if any records are stuck in “Pending ACK” status. If they are, the record must be reviewed and either modified and resubmitted or 'confirmed' for removal from the validation list before your validations are finished
  1. Validations are not done until the summary report shows 100% in the “validated” column
  2. For step by step instructions for handling “Pending ACK” please refer to the CJIS Validations User Guide pages 8 to 10: [http://www.wsp.wa.gov/\\_secured/access/docs/cjis\\_validation\\_user\\_guide.pdf](http://www.wsp.wa.gov/_secured/access/docs/cjis_validation_user_guide.pdf)
  3. For records that you cannot determine why they failed to validate, email [access@wsp.wa.gov](mailto:access@wsp.wa.gov)

The following entries are validated once 60-90 days after initial entry. No further validation is required:

- Stolen vehicles
- Stolen parts

#### **535.5 STOLEN VEHICLES, PARTS, LICENSE PLATES, BOATS AND SECURITIES**

- (a) Send the appropriate validation letter to the victim, complainant, or insurance company, requesting confirmation that the item is still stolen.
  - 1. Validation letters for vehicles, license plates, parts, boats and securities will include notification that after 90 days, unanswered letters will result in the property being cancelled from the system and no further notification sent.
  - 2. If the victim of a stolen license plate has asked that validation letters no longer be sent Renton Police Department will assume the responsibility for the entry and allow it to remain in the system until the NCIC annual purge.
- (b) Enclose a stamped return envelope.
- (c) If the case file contains information that an insurance claim was paid, update the records management system and the WACIC entry with that information.
- (d) Validation letters are filed in a pending file in the Records Unit.
- (e) Upon receipt of reply indicating recovery or location of the vehicle, part, license plate, boat, or security, clear the entry from WACIC and/or NCIC.
- (f) Check undeliverable letters using DOL, ACCESS, JIS, Internet address directories, and Department records for a current address. If unable to find a current address, entries on stolen vehicles, parts, license plates, boats, and securities are immediately canceled.
- (g) Document all attempts to confirm the validity of the stolen property in the department records management system including who conducted the validation, how the record was validated, date of validation and the disposition of the record.
- (h) Once an entry has been cleared or cancelled, the entire validation file is scanned to the case. After the scan is checked, the documents are destroyed.

#### **535.6 MISSING PERSONS**

- (a) Send a validation letter (form RPD624-F) to the assigned detective requesting confirmation the person is still missing.
- (b) If the person has been located the assigned detective will notify a Staff Services Police Service Specialist who will clear the entry from WACIC and/or NCIC. The assigned detective will complete a supplement to the case to support clearing the entry.
  - 1. Missing person entries will remain in the system until the person is located.
- (c) In addition to the NCIC validation of missing persons, the Washington State Patrol Missing and Unidentified Persons Unit requests dental records and a State Missing Person Report on persons missing for more than 30 days.

- (a) License Plates and Vehicle Parts remain as purged. The purge statement is added to the most recent validation letter. The entire validation packet is scanned to the case. After the scan is second checked, the documents are destroyed (see 05-11484 for example). Update retention review date to five years after purge date.
- (b) Stolen Vehicles are re-entered. This entry will require validation 60 to 90 days after entry.

##### **535.16 TRIENNIAL AUDIT**

Auditors will review the previous three months of NCIC validations during the triennial audit.

# Order to Surrender Weapons and Concealed Pistol Licenses

## 536.1 POLICY

Frequently, courts order persons to surrender weapons, primarily firearms and their concealed pistol licenses to their local law enforcement agency. The order can originate from a variety of case types related to marriage dissolution, criminal domestic violence incidents or protective orders issued by the court. The most common orders are Order to Surrender (pre-trial) and Firearms Order Form (post-sentence).

## 536.2 RECEIPT OF AN ORDER TO SURRENDER OR FIREARMS ORDER FORM

Upon receipt of an Order to Surrender or Firearms Order Form, Records will:

- (a) Either include OTS/Y in the WACIC entry or update the existing WACIC entry
  1. WACIC entry OTS:Y
  2. WACIC entry POS: N
- (b) Scan the Order to Surrender or Firearms Order Form with the WACIC hit to the global subject jacket separate from the NCO/PO. The scan is named:
  1. Firearms Order Form Post-Sentence RMC 6Z#####16-####
  2. Order To Surrender Pre-Trial RMC 6Z##### 16-####
- (c) The Order to Surrender is filed with the underlying order.

## 536.3 SURRENDER OF FIREARMS AND/OR CONCEALED PISTOL LICENSE

Respondent is directed to call the non-emergency dispatch number from the police department lobby phone. The respondent should have instructions from the court. A supply of Renton Municipal Court instructions is located in the forms rack at front counter.

## **ACCESS Misuse**

### **537.1 USE OF ACCESS SYSTEM**

- (a) Central Computerized Enforcement Service System (ACCESS) is a computer controlled communications system operated and maintained for all law enforcement and criminal justice agencies within the state. The Chief of the Washington State Patrol (WSP) administers all operating phases of the ACCESS System.
- (b) The ACCESS System shall only be used for official law enforcement business. The following rules and policies ensure proper and efficient use of the ACCESS System. All terminal operators, including mobile data terminal users, must be certified at the appropriate level every two years. All personnel will conform to these policies and rules. Any questions regarding these policies shall be referred to the ACCESS Section.

### **537.2 TERMINAL AGENCY COORDINATOR**

- (a) Responsibility for proper operator performance, strict adherence to regulations, prompt notification of CJIS violations to the ACCESS Section, and training rests with the TAC.

### **537.3 INFORMATION FROM ACCESS AND DISSEMINATION**

- (a) All personnel who use or work on the connection to ACCESS must observe all restrictions placed on the use or dissemination of information received through ACCESS. Policies contained within the ACCESS Operating Manual and other related manuals must be adhered to. Some records may be public information; however, if the information is obtained through ACCESS it must only be used for criminal justice purposes. Those records that may be considered public would have to be released through a formal public disclosure request.
- (b) Queries or messages not pertaining to law enforcement business (e.g., personal inquiries) are prohibited.
- (c) Persons shall not use any information obtained through the ACCESS system, including all Department of Licensing (DOL) and Department of Corrections (DOC) information, for private business or personal reasons.

### **537.4 SYSTEM MISUSE**

- (a) Violations of the rules, regulations, policies, or procedures developed by NCIC and adopted by the WSP or any other misuse or abuse of the ACCESS System may result in agency disciplinary measures and/or criminal prosecution.
- (b) If an agency initiates an internal investigation for ACCESS misuse, an ACCESS Violation Incident Report must be filled out and sent to the ACCESS Manager. If the allegations are founded, the investigating agency will choose the level of discipline. The violation report can be found on the ACCESS website.
- (c) Disciplinary measures imposed by the WSP may include revocation of individual certification, discontinuance of the system access to the department, or purging the department's records.

## Criminal History Use and Dissemination

### 538.1 PROCEDURE

- (a) The criminal history inquiry must contain the following information:
  - 1. Identify the specific type of request (QH, QWH, QR, QI)
  - 2. The Attention (ATN) Field must contain the following:
    - (a) Requestor Information
      - 1. First initial and last name and/or unique identifier of the person requesting the information. Do not use a period (.) in the field as this will truncate the information.
        - (a) A unique identifier of the requestor might be a personnel number that does not change throughout their career
    - (b) Criminal Justice Reason
      - 1. The reason can be a case number or a specific criminal justice reason
        - (a) Generic reasons (investigation, employment, risk, ID verify, etc.) are considered too vague and will be a compliance issue
        - (b) If no case number is available, one of the following abbreviations may be used:
          - (a) DV - Domestic Violence
          - (b) ORT - Organized Retail Theft
          - (c) DUI - Driving Under the Influence
          - (d) VUCSA INV - Violation of the Uniform Controlled Substance Act.

3. Proper purpose codes must be used.
  - (a) If you are unsure about which purpose code to use, you may refer to the ACCESS Operations Manual – Criminal History Chapter
    1. C - Use this purpose code for official duties in connection with the administration of criminal justice (i.e. crimes, non-applicant riders and contractors or vendors not involved in the administration of criminal justice)
    2. J - Use this purpose code when conducting the background check on new criminal justice applicants, applicant riders and the five year re-background for certified ACCESS users
    3. F - Use this purpose code for silencer/ suppressors and for Federal Firearms Licensors (FFL)
    4. D - Use this purpose code when the criminal history is being requested for a stalking and/or domestic violence case in a court hearing
4. The subject's information that you are querying:
  - (a) Full name and date of birth
  - (b) State Identification (SID) number or Federal Bureau of Investigation (FBI) number
- (b) Secondary dissemination is when criminal history is run for one criminal justice agency and then released to another criminal justice agency for their use.
  1. Secondary dissemination must be logged. The log must contain the following information:
    - (a) The name of the person requesting the information
    - (b) The full name of the agency
    - (c) The date of the dissemination
    - (d) A case number or specific reason
- (c) Each agency will store all Criminal Justice Information (CJI) in a secure case file and/or dispose of all documents according to agency required policies. For disposal and transportation of CJI, refer to the Criminal Justice Information Services (CJIS) Security Policy
- (d) Agency must ensure that all personnel have been apprised that criminal history data may only be used in the administration of criminal justice. It is strictly protected by state and federal law. Refer to the Introduction chapter of the ACCESS Operations Manual for applicable laws.

## Physical Protection

### 539.1 PURPOSE

The purpose of this policy is to provide guidance for agency personnel, support personnel, and private contractors/vendors for the physical, logical, and electronic protection of Criminal Justice Information (CJI). All physical, logical, and electronic access must be properly documented, authorized and controlled on devices that store, process, or transmit unencrypted CJI. This Physical Protection Policy focuses on the appropriate access control methods needed to protect the full lifecycle of CJI from insider and outsider threats.

The intended target audience is personnel, support personnel, and private contractor/vendors with access to CJI whether logically or physically.

### 539.2 PHYSICALLY SECURE LOCATION

A physically secure location is a facility, a criminal justice conveyance, or an area, a room, or a group of rooms within a facility with both the physical and personnel security controls sufficient to protect staff (non-commissioned and commissioned) by physical barrier/locking systems, CJI and associated information systems. The physically secure location is subject to criminal justice agency management control. The perimeter of the physically secure location shall be prominently posted and separated from non-secure locations by physical controls. Security perimeters shall be defined, controlled, and secured. Renton City Hall provides locked doors (no unauthorized access) and physical barriers between public areas and restricted police/records areas.

### 539.3 VISITORS ACCESS

Visitor specifications need to be established per agency purview and approval. A visitor is defined as a person who visits the agency on a temporary basis who is not employed by the Renton Police Department and has no unescorted access to the physically secure location within the agency where CJI and associated information systems are located.

Visitors must:

- (a) Be accompanied by an agency personnel escort at all times to include delivery or service personnel. An escort is defined as authorized personnel who accompany a visitor at all times while within a physically secure location to ensure the protection and integrity of the physically secure location and any CJI therein. The use of cameras or other electronic means used to monitor a physically secure location does not constitute an escort
- (b) Show a valid form of photo identification
- (c) Follow policy for unescorted access
  - 1. Noncriminal Justice Agency (NCJA) like city or county IT who require frequent unescorted access to restricted area(s) will be required to establish a Management Control Agreement between the Renton Police Department and NCJA. Each NCJA employee with CJI access will appropriately have state and

- national fingerprint-based record background check prior to this restricted area access being granted
2. Private contractors/vendors who have frequent unescorted access to restricted area(s) will be required to establish a Security Addendum with each private contractor personnel. Each private contractor personnel will appropriately have state and national fingerprint-based record background check prior to this restricted area access being granted
- (d) Not be allowed to view screen information mitigating shoulder surfing
  - (e) Be escorted to a public area of the facility when they do not have any legitimate business in a restricted area. Strangers in physically secure areas without an escort should be challenged
  - (f) Not be allowed to sponsor another visitor
  - (g) Not enter into a secure area with electronic devices unless approved by the Information Technology point of contact to include cameras and mobile devices. Photographs are not allowed without permission of the Renton Police Department assigned personnel
  - (h) Be referred to the proper agency point of contact for scheduling requests for tours. Visitor rules apply for each visitor within the group. The group leader will provide a list of names to front desk personnel for instances of emergency evacuation and accountability of each visitor while on agency premises

#### **539.4 AUTHORIZED PHYSICAL ACCESS**

Only authorized personnel will have access to physically secure non-public locations. The agency will maintain and keep current a list of authorized personnel. All physical access points into the agency's secure areas will be authorized before granting access. The agency will implement access controls and monitoring of physically secure areas for protecting all transmission and display mediums of CJI. Authorized personnel will take necessary steps to prevent and protect the agency from physical, logical and electronic breaches.

All personnel that are not escorted with CJI physical and logical access must:

- (a) Meet the minimum personnel screening requirements prior to CJI access.
  1. Agencies must conduct a state of residency and fingerprint-based background check for all agency personnel and IT personnel who have direct access to CJI and those who have direct responsibility to configure and maintain computer systems and networks with direct access to CJI prior to employment or assignment.
  2. Support personnel, private contractors/vendors, and custodial workers with access to physically secure locations or controlled areas (during CJI processing) shall be subject to a state and national fingerprint-based record check unless these individuals are escorted by authorized personnel at all times.
  3. Refer to the CJIS Security Policy for handling cases of felony convictions, criminal records, arrest histories, etc.
- (b) Complete Security Awareness Training

#### *Physical Protection*

---

1. All authorized Renton Police Department and NCJA personnel, like city or county IT and private contractor/vendor, will receive Security Awareness Training within six months of being granted duties that require CJI access and every two years thereafter.
- (c) Be aware of who is in their secure area before accessing confidential data.
  1. Take appropriate action to protect all confidential data.
  2. Protect all terminal monitors with viewable CJI displayed on the monitor and not allow viewing by the public or escorted visitors.
- (d) Properly protect and not share any individually issued keys, proximity cards, computer account passwords, etc.
  1. Report loss of issued keys, proximity cards, etc. to authorized agency personnel.
  2. If the loss occurs after normal business hours, weekends or holidays, personnel are to call the Renton Police Department POC to have authorized credentials like a proximity card de-activated and/or door locks possibly rekeyed.
  3. Safeguard and do not share passwords, Personal Identification Numbers (PIN), Security Tokens (i.e., Smartcard), and all other facility and computer systems security access procedures.
- (e) Properly protect from viruses, worms, trojan horses, and other malicious code.
- (f) Web usage - allowed versus prohibited; monitoring of user activity.
- (g) Use of electronic media is allowed only by authorized personnel. Controls shall be in place to protect electronic media and printouts containing CJI while in transport. When CJI is physically moved from a secure location to a non-secure location, appropriate controls will prevent data compromise and/or unauthorized access.
- (h) If CJI is transmitted by email, the email must be encrypted and email recipient must be authorized to receive and view CJI.
- (i) Report any physical security incidents to the Renton Police Department's IT POC to include facility access violations, loss of CJI, loss of laptops, Blackberries, thumb drives, CDs/DVDs and printouts containing CJI.
- (j) Properly release hard copy printouts of CJI only to authorized personnel in a secure envelope and shred or burn hard copy printouts when no longer needed. Information should be shared on a "need to know" basis.
- (k) Ensure data centers with CJI are physically and logically secure.
- (l) Keep appropriate agency security personnel informed when CJI access is no longer needed. In the event of ended employment, the individual must surrender all property and access managed by the local agency, state and/or federal agencies.
- (m) Ensure the perimeter security door securely locks after entry or departure. Do not leave any perimeter door propped opened and take measures to prevent piggybacking entries.

Violation of any of the requirements in this policy by any authorized personnel will result in suitable disciplinary action, up to and including loss of access privileges, civil and criminal prosecution and/or termination. Violation by any visitor can result in similar disciplinary action against the sponsoring employee, and can also result in termination of services with any associated consulting organization or prosecution in the case of criminal activity.

## MED-PROJECT KIOSK

### 541.1 GENERAL INFORMATION

The MED Project was formed to facilitate cooperative efforts among pharmaceutical producers to address the collection, transportation, and disposal of unwanted pharmaceutical products from households. Once collected, the unwanted pharmaceutical products are destroyed in accordance with applicable laws and regulations.

The Staff Services Division will maintain and service the MED-Project Kiosk which will be accessible to the public during business hours. A Staff Services supervisor will be responsible for the security of the MED-Project Kiosk (security of kiosk, chain of custody, log book, and control of access key).

### 541.2 PROCEDURE

MED Project Kiosk Procedures:

- Medication in any dosage form in their original container or sealed bag are accepted. To protect privacy, remind patient to remove all personally identifiable information on medication labels or packaging before disposing on unwanted medicine.
- Once collection box is full, place the OUT OF SERVICE sign on kiosk until it can be serviced.

Servicing the Med Project Kiosk

1) Retrieve the kiosk keys from the lock box; log the check in and check out of keys in the Kiosk Key Log (different from the Inner Liner Step Log); 2) Unlock the kiosks door using the designated upper/lower keys; 3) Visually inspect the inside of the kiosk and areas surrounding the inner liner and box for any leakage, punctures, damages, or spillage; *(If any issues are discovered lock the kiosk and hopper and call MED-Project Help Desk to report the issue)*; 4) Remove box with inner liner, seal inner liner, and match the inner liners unique identifier to the unique identifier in the step log, then record all required information on the Inner Liner Step Log; In order to be in compliance with DEA requirements, a second witness signature is required.; 5) Prepare a new box and liner making sure the unique identifier on inner liner matches tracking number on the box; 6) Place new box and liner in kiosk, close, and lock the door; 7) Securely seal box and prepare for shipping; 8) Log all steps with protocols outlined in the Step Log book;

Requesting collection service

- (a) Use the customer account to request collection service. Username and password will be accessible to all Specialists.

Retention

- (a) Retain logs for 3 years.

Loose sharps

- (a) If loose sharps are found the liner when service, place box/liner back in the kiosk.

- (b) Use the Tamper Evident Labels to seal the Kiosk door. Place one (1) label near the bottom of lock of the kiosk door. The labels can be found in the MED Project binder.

#### Safety

- Never unbolt or move kiosk without first calling Med Project Help Desk.

#### **541.3 TRAINING**

A Staff Services supervisor is responsible for training staff on these procedures.

## Hit Confirmation

### 542.1 POLICY

The originating agency must be available 24 hours a day to confirm record entries. Originating agencies must place a 24/7 hit confirmation phone number in the Miscellaneous (MIS) Field of all entries

### 542.2 ENTERING RECORDS

As an agency that enters records into WACIC/NCIC, the Renton Police Department responds with the necessary confirmation of the hit and other details within a specific time period. Valid hit confirmation is based on two levels of priority: urgent or routine

Priority 1: Urgent - The hit must be confirmed within ten minutes. In those instances where the hit is the only basis for detaining a suspect or the nature of a case requires urgent confirmation of a hit, priority 1 should be specified

Priority 2: Routine - The hit must be confirmed within one hour. Generally, this priority will be used when the person is being held on local charges, property has been located under circumstances where immediate action is not necessary, or an urgent confirmation is not required

- The response will confirm the information contained in the record
- If the agency requesting confirmation does not receive a substantive response within the designated timeframe, the agency should generate a second request with a copy to the WSP Customer Service Group

### 542.3 CONFIRMING A HIT

Confirming a hit: A WACIC or NCIC hit alone is not probable cause to arrest a subject, but indicates a stolen property report, missing person report, or warrant, etc., may have been filed.

An inquiring agency must contact the originating agency of the hit for confirmation of data. To confirm a hit means to contact the agency that entered the record to:

- (a) Ensure that the person or property inquired upon is identical to the person or property identified in the record
- (b) Ensure that the warrant, missing person report, protection order, or theft report is still outstanding
- (c) Obtain a decision regarding:
  - (a) The extradition of a wanted person when applicable
  - (b) The return of the missing person to the appropriate authorities
  - (c) The return of stolen property to its rightful owner
  - (d) The terms and conditions of a protection order

The source documents used for hit confirmation may be electronic if the agency has implemented the proper controls for electronic documents supporting WACIC and/or NCIC records

# Renton Police Department

## Supplemental Procedures

### Supplemental Procedures

#### *Hit Confirmation*

---

- (a) A confirmed hit can be adequate grounds to arrest the wanted person, detain the missing person, seize the stolen property, or charge the subject with violating a protection order, etc.
- (b) When an agency receives a record(s) in response to an inquiry and no enforcement action is contemplated or possible because of extenuating circumstances, the hit should not be confirmed and the record must not be located.
- (c) The Renton Police Department uses Nlets for hit confirmation of out of state records. Nlets should be used for documentation, even if the initial confirmation is handled by a telephone call/fax
- (d) Nlets cannot be used for hit confirmations between Renton Police and other agencies within the state of Washington. While the same information and time constraints apply, a normal terminal message should be sent via ACCESS

#### **542.4 LOCATING A HIT**

Locating a hit: Locate messages indicate (until the originating agency clears the record) the wanted person has been apprehended or the property has been located. In the Missing Person File, a locate message indicates a missing person has been found and, in the case of NCIC, retires the record from the file. Locate messages must be sent once a record has been confirmed with the entering agency.

- (a) If an agency receives a hit containing "NOEX" in the Miscellaneous (MIS) field and they are outside the specified extradition, the record must not be located
- (b) If a record is located twice, the record will automatically clear from the system
- (c) Disposition (DIS) of the Locate must be one of the following:
  - Extradition (EXTR) – Indicates the wanted person will be extradited
  - Detained (DETN) – Indicates the wanted person will be detained (on local charges) and returned to the wanting agency upon release

1. Review the Citizen-Observer Rider Request and Waiver form and check off sheet and forward to the Administrative Secretary.
- (e) The Administrative Secretary will:
1. File the forms
  2. Retain rider request forms for 3 years

## Bomb Threat

### 601.1 POLICY

It is the policy of the Renton Police Department to insure the safety of the public and its personnel in situations involving the use or potential use of explosives.

### 601.2 PROCEDURE

- (a) A bomb threat means any communication reported to anyone warning of an explosive device or substance placed where it may cause injury or damage.
  - 1. When Valley Communications receives a call of a bomb threat, bombing or undetonated explosive substance, a police officer will be dispatched by appropriate means immediately and the Patrol Supervisor notified.
  - 2. When dispatching a bomb threat:
    - (a) The nature of the call and the location will be given to all patrol units;
    - (b) Any unit near the scene will drive away from it before responding over the radio.
  - 3. No use of electronic devices will take place from an area closer than 300 feet to the scene because the device may generate a radio frequency that could cause detonation. All electronic devices will be turned off prior to entering this area.
  - 4. While at the scene, officers will communicate with dispatch only by use of a landline telephone.
- (b) In cases of bomb threats where no specific evidence exists of explosive substances, the officer or supervisor will use discretion in searching the premises.
- (c) The evacuation of the premises is at the discretion of the person responsible for the property. The officer may order evacuation when information or evidence is compelling that a bomb is present.
- (d) When searches are made, they will be thorough, systematic, and supervised. An officer should ask an adult familiar with the premises to assist in the search.
  - 1. Civilians should be instructed not to move any suspicious or unidentified object;
  - 2. Suspicious objects discovered by officers should be brought to the immediate attention of the owner/occupant of the building. If they cannot be identified, they should be treated as an undetonated explosive substance and not moved or touched.
- (e) When no explosive substance is found, the officer will notify the dispatcher and complete the appropriate report.

#### 601.2.1 UNDETONATED EXPLOSIVE DEVICES

When an officer discovers any undetonated explosive device, he/she will notify the dispatcher by telephone. The dispatcher will immediately notify the Duty Supervisor.

# Renton Police Department

## Supplemental Procedures

### Supplemental Procedures

#### *Bomb Threat*

---

- (a) The appropriate Bomb Squad will be contacted at the direction of the Duty Supervisor. In the event a situation exists which calls for a bomb disposal unit, the Department may utilize the services of:
  - 1. Port of Seattle Police;
  - 2. King County Police;
  - 3. Seattle Police
  - 4. EOD, Fort Lewis.
- (b) The highest ranking on-scene supervisor will take command of security operations. A command post with telephone communications will be established near the scene, but not closer than 600 feet and protected from the effects of any potential explosion.
  - 1. Minimum scene security consists of a safe area beyond a 900 feet radius from the explosive substance.
  - 2. No person will be admitted into the danger zone except as authorized by the supervisor.
  - 3. Only explosive ordnance specialists and investigators are authorized to enter danger zones except to prevent injury or death to a person.
- (c) The dispatcher will advise the Fire Department and request they stand by at 600 feet from the scene.
  - 1. The supervisor will inform the bomb removal specialists of the nearest suitable place for detonation of explosive substances. A suitable area is one that provides open space for a 300 feet radius. This area may or may not be used at the discretion of the bomb disposal specialists.
  - 2. If an escort is requested by the bomb removal specialists, the supervisor will provide two marked police cars. All emergency lights and headlights will be turned on but the siren and radio will not be used.

#### 601.2.2 DETONATED EXPLOSIVE DEVICES

In cases where an explosion has occurred, the procedures for notification, scene security, and responsibility for follow-up investigation are the same as in undetonated explosive substances.

- (a) When the scene is secured, the supervisor will coordinate the preservation of evidence and allow no one into the danger zone except rescue personnel, investigators, and bomb specialists.
- (b) The investigators will notify the supervisor when examination of the scene is complete.
- (c) Explosions may cause structural damage and other undetonated explosives may still be present. People on the scene should use caution and no person should enter the danger zone except to prevent injury or death to another person. This does not apply to investigators or specialists examining the scene.

## **K-9 Unit**

### **602.1 K-9 MISSION**

The mission of the K-9 Unit is to locate suspects attempting to escape arrest, locate discarded evidence, perform building and area searches, and backtracks. They provide psychological and physical backup on calls deemed appropriate by the handler. Generally, the K-9 Unit is considered a specialized tool designed to enhance police efforts at a crime scene.

### **602.2 ORGANIZATION AND CHAIN OF COMMAND**

- (a) Organizationally, the K-9 Unit will be placed in the Patrol Operations Division. The 3rd Watch Sergeant will be responsible for the supervision of the unit and will report all K-9 activities directly to the Division Commander.
- (b) Members of the K-9 Unit are subject to, and bound by the directives and procedures set forth in the Renton Police Department's General Orders Manual. K-9 Officers are responsible to the K-9 Unit Supervisor and to the Patrol Operations Division Commander.

### **602.3 DEFINITIONS**

**Announcement** - A loud, verbal warning that a building/area will be searched by a generalist police dog and that anyone inside must immediately show and identify themselves.

**Application** - The use of a police dog in any actual police situation.

**Canine Handler** - The team consisting of a trained canine handler and a police dog.

**Dog Log** - A log book, maintained by the canine handler, which contains a complete record of all training exercises, applications, public demonstrations and veterinary care.

### **602.4 DUTIES**

- (a) The primary responsibility of the K-9 Unit is to respond to calls for service where a K-9 Unit might reasonably be of use.
- (b) Normally, a K-9 Unit will NOT be used in the following circumstances:
  - 1. Crowd and/or riot control
  - 2. Apprehension of mentally disturbed persons, when no crime is involved.
  - 3. Searching for lost persons
  - 4. In areas containing hazardous materials which could harm the canine.
  - 5. Searching for animals
  - 6. In circumstances which might discredit the Renton Police Department.
- (c) Prior to the search of any building or enclosed area, the handler will give a loud announcement of the intent to use the police dog. This announcement need not be given in circumstances where, to do so would endanger the safety of the K-9 Unit.

  - 4. Water
  - 5. First Aid Kit

#### **602.6 RESPONSIBILITIES**

- (a) Under no circumstances shall any person other than the handler be allowed to handle the dog unless:
  - 1. That person is directed to do so by the K-9 Unit Supervisor.
  - 2. The handler is injured and/or unable to command the dog and there is an immediate need for the dog to be controlled.
- (b) While on duty the canine must always be under the canine handler's direct or immediate control as follows:
  - 1. Under control by voice command.
  - 2. On a leash
  - 3. Contained in a police vehicle.
- (c) The canine handler is responsible for the care and maintenance of both the dog and the assigned vehicle. While off duty the canine will be under the handler's direct control, secured in a kennel, or safely contained within the residence/yard of the handler.

#### **602.7 TRAINING**

- (a) The K-9 Unit will receive specialized training and conform to Washington Administrative Code 139.05.915 prior to any police application.
- (b) Each K-9 Unit will establish and participate in a schedule of in-service training in order to maintain skills. A written record of all training exercises and applications will be maintained by the handler in his Dog Log. This log will be available for inspection by the K-9 Unit Supervisor on request.

#### **602.8 INJURY TO CANINE**

- (a) Any injury suffered by a canine will be attended to immediately.
- (b) Whether the injury occurs on or off duty, the handler will, as soon as practical, notify the K-9 unit supervisor.
- (c) The handler will provide proper care and maintenance for the canine, including feeding and regular veterinary care.

  - 6. If the person involved refuses examination or medical treatment, the refusal must be witnessed by another officer.

#### **602.10 CALL OUT PROCEDURES**

- (a) A request for an on-duty K-9 Unit assistance may be made directly by any member of the department. The K-9 Unit is available to assist outside agencies with the approval of the on-duty supervisor.
- (b) A request for an off-duty K-9 Unit, whether from the Renton Police Department or from an outside agency, must be made only with the approval of the on-duty supervisor.

## Bloodborne Pathogens

### 603.1 PURPOSE

The risk of Hepatitis B, AIDS and other infectious diseases are occupational risks for emergency service providers. The risk of infection is directly related to the degree of contact, with either blood, contaminated needles or airborne illness. Although the risk is low the Renton Police Department will take extra precautions to minimize the exposure to the diseases. Employees shall adhere to City Policy Procedure 300-55: Occupational Exposure to Bloodborne Pathogens.

### 603.2 PROTECTIVE CLOTHING

Gloves and masks will be available in all patrol vehicles.

### 603.3 PRECAUTIONS

- (a) Employees shall be aware of and comply with procedures when dealing with occupational exposure to any blood or other infectious materials.
- (b) Do not eat, drink or smoke at crime/accident scenes where blood or bodily fluids are present or contagious factors exist.
- (c) Employees shall report any direct contacts with blood or bodily fluids in the line of duty to their immediate supervisor.
- (d) Extreme caution shall be used during the search of suspects to prevent accidental needle sticks. This caution is extended to vehicle searches, particularly when reaching into areas that are not visible.
- (e) All crime scenes and accident scenes should be considered contaminated and caution shall be taken to prevent exposure.
- (f) All procedures involving blood or other potentially infectious materials shall be performed in such a manner as to minimize splashing and spraying.
- (g) Whenever it is necessary to transport a subject who has blood or bodily fluids on their person or clothing, transportation shall be separate from other individuals.
- (h) When the interior of the patrol vehicle has been potentially contaminated, employees shall not smoke, eat, drink, apply cosmetics or lip balm, or handle contact lenses in the vehicle until it has been thoroughly decontaminated.
- (i) Personnel involved in "blood runs" shall wear gloves while handling the containers and ensure they are not opened.
- (j) Employees shall inform other support personnel (e.g., deputies, jailers, specialists, etc.) whenever a change or transfer of custody occurs and the subject has blood or bodily fluids on their person. This procedure shall also apply when subjects state they have a contagious disease.
- (k) Employees with wounds or abrasions on exposed body surfaces such as hands or face should protect those areas from contact with blood.

#### **603.4 CLEANING OF PERSONAL OR DEPARTMENT GARMENTS**

- (a) Contamination in the field may be unavoidable in certain circumstances. When department issued or personal property is contaminated by blood or infectious materials, employees shall notify their immediate supervisor.
- (b) Garments penetrated by blood shall be removed immediately or as soon as possible. The items will be washed in the jail washing machine by the person who was wearing the clothes or packaged as contaminated clothing and sent to a laundry facility capable of laundering this material.
- (c) Under no circumstances will contaminated garments be removed from the workplace by an employee to be washed at home.
- (d) Contaminated shoes and gun belts will be decontaminated with disinfectant provided in the jail sally port.

#### **603.5 CLEANING OF EQUIPMENT**

- (a) Any items that may have come into contact with an infectious material should be reviewed for possible contamination, such as vehicles, handcuffs, pens, clipboards and keys. When in doubt, decontaminate.
- (b) Employees shall take immediate steps to properly clean any portion of their city vehicle that may have become contaminated with an infectious material. Vehicles shall be decontaminated with the disinfectant provided in the jail sally port prior to going back into service.

#### **603.6 DISPOSAL OF CONTAMINATED ITEMS**

- (a) Contaminated items such as gloves, towellettes and booties will not be left loose in a vehicle.
- (b) Contaminated items will be placed in a leakproof bag marked with the recognized "Biohazard" symbol and transported to a collection site.
- (c) A collection container will be available in the jail sally port for the disposal of all non-evidentiary items.

#### **603.7 NEEDLES OR SHARPS**

- (a) Contaminated needles and sharps shall not be bent, recapped or removed from the scene except as follows:
  - 1. Sharps having evidentiary value at a major crime;
  - 2. Scene shall be processed by the detective division.
  - 3. All needles and sharps shall be disposed of in a Sharps container.
- (b) Needles which have evidentiary value will be photographed before disposal.

#### **603.8 HANDLING AND STORAGE OF PROPERTY AND EVIDENCE**

- (a) Persons working in areas for extended periods of time where blood and body fluids have been shed (crime scenes and fatality accidents) shall wear protective gloves.

- (b) Evidence containing suspected blood or body fluids shall be handled with gloves. Remember, safety is of the utmost importance. Extreme caution should be used when collecting or handling wet clothing. Liquid samples shall either be collected as a liquid and stored in a bottle or if located on clothing or similar materials, shall be air-dried. An evidence tag, an evidence processing request, and a special label that states, "CAUTION: POTENTIALLY CONTAMINATED MATERIAL" shall be affixed to the outside of the package or the item put in a properly marked container.
- (c) Property officers and crime scene investigators shall be notified whenever contaminated blood, body fluids or other possibly contaminated substances are transferred to their custody.
- (d) All bloody clothing shall be treated as if it were contaminated.
- (e) All bloody clothing or evidence and sacks containing the clothing shall be handled with protective gloves.
- (f) All personnel shall thoroughly wash their hands with a germicidal soap after handling any possibly contaminated property or evidence.

#### **603.9 AFTER EXPOSURE ADMINISTRATIVE REQUIREMENTS**

- (a) If Occupational Exposure occurs, these procedures are required:
  - 1. A supervisor shall be notified immediately. The supervisor will determine if the employee requests medical attention.
  - 2. Send the employee to Harborview Hospital or Valley Medical Center if medical attention is requested.
  - 3. The supervisor shall complete a City Injury Report.
  - 4. A detailed case report will be made, to include the route of exposure and the circumstances under which the exposure occurred.
- (b) If substantial exposure occurs, these procedures are required:
  - 1. A supervisor will be notified immediately and respond to the scene.
  - 2. The exposed employee will be sent to Harborview Hospital or Valley Medical Center for medical attention.
  - 3. The supervisor shall attempt to obtain consent from the exposing party for testing.
  - 4. The supervisor shall contact the King County public health officer if the person (suspect) refuses a test and attempt to obtain an order for the test.
  - 5. Complete a City Injury Form.
  - 6. Make a detailed case report and include the details of the exposure and the exposing party.

#### **603.10 TESTING OF PERSON INVOLVED**

If the employee experiences what is determined to be a "substantial exposure", it is important to learn about the health of the person involved to determine if any protective measure should be

taken. This can be accomplished only through testing and will require the person's permission, a health officer's order or a superior court order. The complete process is contained in RCW 70.24.703. The statute provides for testing of persons who have exposed law enforcement personnel, firefighters or health care providers to substantial risk of exposure to Aides or HIV.

The first option is consent. Lacking consent the employee's immediate recourse is a public health officer, who may order the subject to submit to testing, based on the facts or the exposure. The need for testing must be well documented and applied for within seven days after the exposure incident. The exposing party can refuse the order and request a superior court hearing.

It is the health officer's responsibility to decide on whether or not to petition the court. The superior court hearing procedure may take several days. The court's standard of review for the order is whether "substantial exposure" occurred. Upon conclusion of the hearing, the court shall issue the appropriate order.

If the person involved tests positive or declines testing, the employee should be clinically and serologically tested for evidence of the Aids or Hepatitis B viruses and tested for Hepatitis B immune status. If the person is not identified or the court process takes longer than 48 hours, decisions, the employee's decisions regarding appropriate follow-up should focus on the severity, type and/or risk factors involved with the exposure.

## Minimum Staffing

### 604.1 PURPOSE

The Patrol Operations Division will require a minimum number of patrol officers present for duty at any given time to ensure safety and to respond to the needs of the community.

### 604.2 STAFFING

The following number of officers will be scheduled for work.

- SHIFT 1A - Seven officers and a supervisor.
- SHIFT 1B - Seven officers and a supervisor.
- SHIFT 3A - Seven officers and a supervisor.
- SHIFT 3B - Seven officers and a supervisor

### 604.3 EMERGENCY STAFFING

One officer less than minimum staffing. A patrol supervisor may not schedule emergency staffing without prior consent from the Patrol Commander. Should any shift be at the minimum level and any one officer become ill, injured, or for any other reason is unable to perform his/her duties, the continuance of an emergency status is authorized, but not mandated.

- Should the number of officers present for duty be less than the emergency level, the supervisor shall hold over or call in whatever number of officers necessary to attain at least emergency staffing.
- The supervisor shall determine the number of officers needed and may require their presence on an overtime basis to meet minimum manning.

## Spike Strips

### 605.1 PURPOSE

Spike Strips will be used to prevent a vehicle from leaving a particular area when an officer believes the occupants may endanger themselves or others if they are allowed to leave, and to bring a vehicle pursuit to a safe conclusion. Under no circumstances will spike stripes be used when the suspect vehicle is a motorcycle or three-wheel, all-terrain vehicle.

### 605.2 POLICY

- (a) When deploying spike strips, officers will:
  - 1. Notify dispatch and other police units by radio of the location where the spikes will be deployed;
  - 2. Select a location for deployment that provides a safe stopping distance for the suspect vehicle. Spike strips will not be deployed on a curve;
  - 3. Only activate the spike strip when the suspect vehicle is visible and there is a minimum risk of uninvolved motorists driving over the spikes.
- (b) All officers deploying spike strips will receive training on this standard operating procedure, and will receive training on the actual deployment of spike strips.
- (c) Supervisors are responsible to monitor the circumstances indicating the use of spike strips.
- (d) The use of spike strips to stop a vehicle will be documented in a case report, and if used to stop a vehicle in a pursuit, documented also in the pursuit report. All pursuit reports are reviewed by the Chief of Police via the chain of command.

# Responding to Reports of Suspected Biological or Chemical Agents

## 606.1 PURPOSE

This document outlines the Renton Police Department protocol for responding to reports of letters, packages and other items suspected of being contaminated with biological or chemical agents.

## 606.2 RECEIPT OF A SUSPICIOUS ITEM

- (a) When officers receive a call about a suspicious letter, package or other items suspected of being contaminated with a biological or chemical substance, they should remember the four DON'TS for first responders for Weapons of Mass Destruction
  1. Don't become a victim yourself.
  2. Don't rush in.
  3. Don't test, taste, touch, or smell anything.
  4. Don't assume anything.
- (b) Upon arrival on the scene, interview the reporting person outdoors to avoid any airborne contamination from the item. The purpose of the interview is to access the threat presented by the item.

## 606.3 ASSESSING THE CREDIBILITY OF THE THREAT

- (a) The following questions should be asked when the officer talks to the reporting party:
  1. What is it that makes the letter/package/substance seem suspicious to the person reporting?
    - (a) Lack of return address
    - (b) Postage stamp does not match return address
    - (c) Handwritten or poorly typed address
    - (d) Misspelling of common words
    - (e) Suspicious sender
    - (f) Postmark from a place addressee was not expecting correspondence
    - (g) Bulky or strange shaped package
    - (h) Unusual liquid, spray or vapor
    - (i) Oil stains, discoloration or odor
    - (j) Unexplained substance found in a suspicious location, etc.
    - (k) Reporting party has unexplained physical symptoms
  2. Is there a reason to believe the recipient, business or organization would be a likely target of terrorism?

3. Are there any threatening messages on the letter or package?
  4. Has the reporting person received any threatening notes, phone calls or messages?
  5. Is powder or some other suspicious substance visible on the outside of the package? If so, what does the substance look like?
  6. What were the circumstances of the exposure to the substance or the object? What was the nature of contact or potential exposure to the substance for any persons present?
  7. Did the person see particles in the air, or a cloud of particles?
- (b) Based on the answers to the above questions, officers should make an assessment of whether or not the letter, package or item presents a credible threat. Officers are encouraged to utilize their law enforcement training and experience, judgment and common sense.
- (c) Officers are encouraged to call Public Health, 24 hours a day, at 206-296-4774 for consultation and advice regarding situations suspected to pose a credible threat. The Health Department will not respond to the scene but can give advice for a potential exposure to the substance. They cannot assess the credibility of the threat for you.

#### **606.4 ACTIONS**

- (a) There is no vapor, powder or other substance visible, and the officer believes there is no evidence of a credible threat.
1. Advise the reporting party of the results of your threat assessment.
  2. Encourage them to dispose of the item themselves.
  3. Take the item for destruction if reporting party insists.
  4. Make a report of the incident listing all parties involved.

## King County Regional AMBER Alert Plan

### 607.1 PURPOSE

- (a) The King County Regional AMBER Alert Plan is a collaborative effort between law enforcement agencies and the local media within King County. The goal of the plan is the safe and swift return of children who are abducted or become missing under specific criteria, by providing accurate information to the public gaining their assistance in locating the child.
- (b) A national study conducted by the Washington State Attorney General's Office found that nearly seventy-five percent of the nation's children, who were abducted and murdered, were dead within three hours of the time of their abduction. Given this small window of opportunity for a safe recovery of an abducted child, the police community must depend upon the assistance of concerned citizens to help us in our efforts for the safe recovery of our children.
- (c) The purpose of the AMBER Alert Plan is to utilize the locate radio and television media, to assist the police departments in the recovery of an abducted child. The local media will use the Emergency Alert System (EAS), to notify the general public of the AMBER Alert activation and request their assistance. The media will announce the description of the missing child, details of the abduction, abductor information, vehicle information, possible direction of travel, and any other information deemed helpful by the investigating agency. The broadcast will advise the public to call 911 with any possible information regarding the alert.

### 607.2 PROCEDURE

- (a) Criteria for initiation of the AMBER Plan
  1. The victim is under 16 years of age
  2. The victim is not a voluntary runaway (Previous history of runaway reports is not a sole factor for exclusion.)
  3. A risk of injury or death to the victim is present, in the judgment of the reporting law enforcement agency investigator.
  4. It must be reported to and investigated by the Renton Police Department.
- (b) Implementation
  1. The investigating officer verifies the details of the possible abduction with his/her supervisor. The supervisor will notify the Watch Commander or Command Duty Officer for approval.
  2. The investigating officer completes the standardized AMBER Alert Report, in addition to the required department report. Required information will include.
    - (a) Victim's name (includes any nicknames)
    - (b) Victim's age
    - (c) Victim's physical description (Recent photograph if possible)

  - (e) Victim's illnesses and/or medical concerns
  - (f) Last location seen (including date and time)
  - (g) Any suspect information (name, description, clothing, vehicle, direction of travel, etc.)
3. The investigating officer will fax the AMBER Alert form to the Valley Communication Center (Valleycom). The investigating officer will contact Valleycom to ensure that the fax was received.
  4. Valleycom will notify the King County Emergency Alert System Center (EAS – King County 911 Communication Center), via fax and confirm by phone contact. Valleycom will also broadcast the information to all "Valley-com" law enforcement agencies.
  5. King County EAS will make the initial broadcast using the EAS system. Additional information and updates will be disseminated by the Renton Police Department.
  6. The information will be broadcasted four times an hour for the first two hours, reducing to two times per hour for the next four hours, then once an hour until cancelled by the Renton Police Department or the media's discretion if longer than 24 hours.
  7. Citizens with information about the case provided in the AMBER Alert will be instructed to contact 911. The local 911 centers will document calls and information on the standardized AMBER Alert Tip Sheet, and forward it to the Renton Police Department.
  8. Investigative updates will be phoned and/or faxed by the Renton Police Department to Valleycom and the media as they become available.
  9. Valleycom will update regional communication centers as information changes.
  10. The Renton Police Department will notify Valleycom if recovery is made, or the alert is cancelled. Valleycom will notify area communication centers.
  11. The media may cover any news of the abduction within its normal news guidelines, but will not compromise the alert plan with updates or information other than what they receive from the Renton Police Department, via the official alert protocols.
  12. Following the recovery of the child and completed investigation, a copy of the case will be submitted to the Review Committee, as soon as is reasonably possible, without jeopardizing the case investigation and any criminal prosecution.

## **Chapter 7 - Budget**

## **Budget**

### **700.1 PURPOSE**

This section will provide guidance regarding the department's budget authority, review and expenditure approval process.

### **700.2 BUDGET AUTHORIZATION**

Budget authority - The Chief has the authority to spend funds in an approved budget for day to day operations of the organization. The Chief's budget authority is limited by the City's approved budget for the police department during each years budget cycle.

### **700.3 BUDGET REVIEW**

Budget review - The Chief makes regular reviews of the organization's budget. The Chief may also designate this review to Command staff regarding each divisional budget within the organization. Divisional budget review should be conducted throughout the year and reported to the Chief during individual reviews or Command staff meetings.

### **700.4 EXPENDITURE APPROVAL**

Expenditure approval - The Chief may designate Command staff to maintain and manage divisional budgets. Expenditures shall be reported through verbal, written or electronic communication through the chain of command. Proof of purchase is required and documentation shall be forwarded to the finance department. Expenditures are reviewed by finance and the Chief during budget reviews. Expenditures should be discussed with a supervisor or with finance regarding appropriate budget accounts when necessary.

## **Chapter 8 - TeleStaff and Overtime Approval**

## TeleStaff Approval - Overtime Approval

### **800.1 PURPOSE**

The purpose of this procedure is to provide guidance regarding TeleStaff time sheet approval and Overtime approval.

### **800.2 TELESTAFF APPROVAL**

The Renton Police Department requires a supervisor approval for all employee's electronic TeleStaff (time sheet) entries. If the pay period has closed without TeleStaff approval, then supervisors must sign off on a payroll adjustment form. Supervisors can submit the payroll adjustment form through the Chief's Administrative Assistant or other designee responsible for the department's payroll.

### **800.3 OVERTIME APPROVAL**

The Renton Police Department requires a supervisor to approve employee overtime electronically submitted in TeleStaff (time sheet). If the pay period has closed without Telestaff approval, then supervisors must sign off on a payroll adjustment form. Supervisors can submit the payroll adjustment form through the Chief's Administrative Assistant or other designee responsible for the department's payroll.
