

CITY OF RENTON INCLEMENT WEATHER INFORMATION

During inclement weather situations, the City of Renton follows guidelines established by Renton School District.

Renton School District is closed: all city recreation classes and activities are canceled.

Renton School District has a late start: all city morning classes and activities are canceled.

Renton School District has an early release: call the city's inclement weather line at 425-430-6719 for updated class and cancellation information.

If there is no power to a city facility: city staff will evacuate all customers and facility will be closed until power is restored. City facilities will not remain open for business without power.

Weekend or evening event: The status of an evening or weekend class during inclement weather can be determined by calling the inclement weather line at 425-430-6719 or the Renton Community Center at 425-430-6700.
