Sunset Area Community Revitalization CELEBRATION

Investing in Housing • Jobs • Education • Health • Environment • Transportation

Glennwood Townhomes Ribbon Cutting & VISION 2040 Award Presentation

Wednesday, September 26, 2012
Open House 10 a.m. - Noon, Program 10:30 a.m.

1147 Glennwood Avenue NE, Renton
RSVP to: dced@rentonwa.gov or 425.430.6580

Please be our guest at this event celebrating two achievements of the Sunset Area Community Revitalization Program. The Glennwood Townhomes, eight 4-bedroom townhomes in the Sunset Area, are the Renton Housing Authority's first replacement housing for the planned redevelopment of the Sunset Terrace public housing project. This project is one of many community enhancements envisioned in the Sunset Area Community Revitalization Program, which will also receive a 2012 VISION 2040 Award from the Puget Sound Regional Council.

Special thanks to King County and the Washington Community Reinvestment Association for providing the majority of the funds for the construction of the Glennwood Townhomes. The City of Renton and Renton Housing Authority have many community partners for the Sunset Area Community Revitalization Program and are actively seeking additional partnerships. To date, investments of over \$42 million have been committed to the Sunset Area by the City, RHA, and our partners including the Renton School District, State of Washington, King County, King County Library System, and private partners, in addition to multiple regional, state and federal agencies.
