

## What does it mean to be Ahead of the Curve?

Valley Medical Center knows. It means being ranked #1 in Washington for Joint Replacement, *HealthGrades 2010 & 2011*. #1 in Washington for Overall Orthopedic Services, *HealthGrades 2011*. Top 10% in the Nation for Spine Surgery, *HealthGrades 2011*. Only Level III Trauma Center and Level III Neonatal ICU between Seattle and Tacoma. Get with the Guidelines Gold Performance Achievement Award Winner for Heart Failure, *American Heart Association 2011*. Ranked Top 10 in the Nation Best Place to Work, *Modern Healthcare 2010 & 2011*.

And on July 1, 2011, Valley Medical Center formally affiliates with UW Medicine.

## Valley Medical Center and UW Medicine keep Renton Ahead of the Curve

Congratulations on forming a strategic alliance focused on increasing access to healthcare services and expansion of clinical, teaching and research programs to improve the health of our community.
