Events in Liberty Park: July 26 – 28

“Specquackular” Volunteer Opportunities at River Days

This year's “specquackular” IKEA Renton River Days is set for July 26-28 and is jam packed with events, entertainment, recreation, arts and food for all to enjoy. If you'd like to volunteer during festival weekend helping in the information booth, at various children's activities, art-related events, helping to keep the park sparkling and litter-free, or for the parade, email Sharon Murphy, Assistant Volunteer Coordinator at [rrdvolunteer@comcast.net](mailto:rrdvolunteer@comcast.net) or call 425.235.4614. Most tasks are outdoors and require physical ability.

You can also visit [www.RentonRiverDays.org](http://www.RentonRiverDays.org) for festival volunteer information and to download a Festival Volunteer Application. Volunteering for the festival is one of the most fun and rewarding ways to get involved. While most of the opportunities are intended for those 16 years and older, there may be positions available for those under 16. Come be a part of the “specquackular” team that makes it all possible.
