SUBJECT: April 2016 Financial Status Report

At the end of April, general governmental revenues show \$4.3 million or 11.9% over budget. Revenue source(s) that are higher than expected are: sales tax (\$345k); utility taxes (\$301k); gambling taxes (\$287k); real estate excise taxes (\$195k); business & occupation taxes (\$1.8 million); state shared revenues (\$147k); building permits & development service fees (\$477k); seizure funds (\$658k, restricted to drug enforcement and not available for general purposes) and interest earnings (\$108k). If we remove business & occupation tax (CIP portion) and seizure funds, general governmental revenues are \$1.9 million or 5.1% over budget. On the down side, the revenue source(s) that are underperforming the year to date budget is EMS levy (\$228k below, due to the timing of when it was recorded in the current year compared to 2014).

General government expenditures showed a favorable variance of \$1.3 million or 3.6%. See page 10 of report for further expenditure over-spent explanations.

The attached report provides more detailed discussion of each revenue source and our updated projections for the year. Please do not hesitate to contact me at x6952 should you have any questions or any suggestions about the report.

OVERVIEW

This financial overview reflects the City’s overall financial position for the fiscal year through April 30, 2016. Except as noted, year-to-date budgeted revenues and operating expenditures are generally based on the collection/disbursement patterns for the same period of the preceding two years. The table on the previous page summarizes the general governmental fund revenues and expenditures.

Revenues

Taxes

The combined collection of property, sales/use, utility, gambling, admissions, and real estate excise taxes represents 78% of all resources supporting general governmental activities. The following section provides detail information on property, sales, utility, and other taxes.

Property Tax

April’s collection is \$7.9 million, making the total year-to-date collection \$9.5 million or 25.5% of the total budget. In comparison to the previous year, the City collected \$2 million or 17% less. Compared to the budget, the City is under projections by \$92 or 1%. The April variance is due to the timing of collections in the current year compared to the prior year.

Business & Occupation Tax

Business and Occupation (B&O) Tax is a new revenue source for the City in 2016. It was adopted by the Council in the 2015/2016 biennial budget. Businesses with gross receipts of \$1.5 million or more per year, earned within the City of Renton, will be required to file and pay B&O tax, in lieu of the Per Employee Fee, which is currently reported as Business License revenue. April (1st quarter activity) receipts totaled \$4.6 million. This is due to one business reporting a full year's worth of activity.

Fines and Penalties

These revenue sources contain civil (penalties, infractions, and parking), criminal (traffic, non-traffic, and costs), and non-court fines, forfeitures, and penalties. The table below breaks down these fines by type. The year-to-date total fines and penalties is \$869k. This is \$9k or 1% higher than a year ago but is \$79k or 8% below the budget. The reason for the variance with the budget is due to a change in accounting for December 2014's revenue. In the past we would record December through November, but starting in 2015 we are recording January through December. 2016's budget is based on 2014/2015 activity.

The associated costs includes the equipment provided by American Traffic Solutions, Inc. (ATS), dedicated 1 FTE in the Court Services Department to process the increased caseload and 1.1 FTEs in the Police Department for support services. This staff time, along with a 50% pro tem budget and interpreter costs amounts to \$320k for personnel costs. The total costs for the program equates to \$1.1 million which is represented in the table. Due to the timing of when the invoice was received, January 2016’s equipment rental cost was recorded in February.

EXPENSES

Overall the City has expended 29% of its budgeted general governmental expenditures at the end of April. This is \$1.3 million or 3.6% below year-to-date budgeted expenditures. See below for summary of unfavorable items for general governmental departments.

Executive department is over the year-to-date budget by \$115k or 22.9%. This is due to the timing of when Sound Cities Association, Association of Washington Cities (AWC) and Communities in Schools memberships were corrected in 2015 (August).

Administrative Services (Finance and City Clerk) department is over the year-to-date budget by \$86k or 7.9%. This is due higher than expected merchant fees and spending patterns of professional services (utility tax audit services) compared to prior years.

ENTERPRISE FUNDS

The table below gives an analysis of all City Enterprise funds. Displayed are the year-to-date revenues and expenditures for each enterprise. The negative beginning fund balance for the Golf Course fund is due to receiving less than anticipated user fees in 2015. This negative balance will be corrected at the end of 2016 due to the Golf Course making its final payment for debt service (interfund loan) in 2015. Included in each fund are the capital revenues and expenditures.

FUND BALANCE

Page 14 shows the ending fund balance as of April 2016. The City's fund balance is a combination of current deficit/surplus of funds which have accrued from unexpended operating budgets, unanticipated excess revenues, and from balances accumulated from prior years.

The prior year's balances (or beginning balance) include funds identified as being reserved for specific purposes or required to meet the current year's appropriations. These balances also provide financial stability to the City's operation during uncertain times and provide a layer of security to bondholders.

At the end of April, the City has \$25.1 million reported in the combined general governmental fund balance of the current year's operating budget, which is approximately 20% of budgeted operating expenditures. This is an increase of \$5.2 million from the year's beginning balance. April's ending fund balance is over the anticipated General Governmental Fund Balance of \$19.5 million by \$5.6 million or 28.8%. Although the ending fund balance is above projections, it is consistent with the prior years' trends.
