Disclaimer: Buffered sites are based on Liquor Control Board (LCB) I-502 rules which do not allow marijuana related businesses within 1,000 feet of any elementary or secondary school, playground, recreation center facility, child care center, public park, public transit center,library, or game arcade. The LCB does not provide a database or source information of these sites to jurisdictions. The sites as indicated on this map represent the City's interpretation of the LCB rules as of January 2014 and are not intended to supplant LCB determination of buffered sites or be used as the determinant of where the buffered sites are located. This map merely represents the City's informed identification of the sites in combination with the zones the City has permitted marijuana retail in.
