**COMMUNITY SERVICE AGREEMENT**

Name: \_\_\_\_\_ Case #: \_\_\_\_\_

The court has approved community service hours for your case. Community service is authorized by state law for persons found to be indigent or unable to pay fines.

I, \_\_\_\_\_, agree to comply with the following requirements for community service:

1. Community service must be performed at a nonprofit organization or corporation established under Washington State Laws.
2. Community service must be reported at the minimum following rate: \_\_\_\_\_ hrs per month.
3. All community service reports must be presented on official stationery of the nonprofit organization or corporation along with supervising person's name and telephone number. The hours and dates of community services performed must be included.
4. The court will not accept any proof of community service that does not comply with these standards.
5. The court will verify all community service hours prior to crediting them to your fine.
6. Any reported community service hours found to be fraudulent will be rejected and subject you to sanctions to include imposition of a jail sentence.
7. Failure to comply with any requirements of this agreement will result in your community service option being removed. The fine will be immediately due and payable.
8. Once community service option is removed it may not be restored.
9. Renton Municipal Court will not accept community service hours performed for any other court's order.
10. Community service hours will not be accepted if dated prior to this agreement being signed.

I have read and understand the above community service agreement.
