

# Please Join Us

## Tuesday, July 12, 10:00 a.m.

For the launch of Renton's first  
**Electric Vehicle Charging Stations**

# “PLUG IN”

The first electric vehicle charging stations installed by the City of Renton will be inaugurated in a ceremonial “Plug In” event. The kick off will take place at the City Center Parking Garage located at 655 S. 2nd St. Join us as we unplug an electric powered vehicle at the City Center Garage and then caravan with city officials and local electric vehicle owners and enthusiasts, to the second level of The Landing parking garage (810 N. 10th Pl, ) for a special presentation. These are the first 8 stations of 15 to be installed by the city in 2011.

To RSVP and for more information
