Instructions

No Voucher will be paid unless this form has been completed.

Item 1: Unduplicated Count of Persons Assisted

Reporting Period:

- Insert the projected number of clients to be served as specified in your HCD Contract Scope.
- Insert the unduplicated number of clients served during the reporting period. Unduplicated means that one person served by your agency is counted once during the calendar year. You may report only those persons for whom you maintain written records. This record must be established at the time the person is first served by your agency.
- Insert the total unduplicated number of clients served to date.

Race:

Insert the ethnicity for the unduplicated clients served during this reporting period. When completing this section, if the individual is not Hispanic or Latino, use the first column labeled #Total. If the individual is Hispanic, use the first column to identify race (which gives us a total), then count the individual in the second column, which is a subset of the first column.

Single Head of Household by gender:

Insert the unduplicated number of single male and/or female head of households with dependents/children served during the reporting period.

Income (only for non-presumed benefit projects):

If your HCD Contract Scope requires verification of each client's household size and income, insert the unduplicated clients (not households) served who are **Moderate Income** (51-80%), **Low-Income** (31-50%) and **Extremely Low-Income** (0-30%).

Items 2-4: Service Units

Insert the projected number of service units for the Reporting Period as specified in your HCD Contract Scope. Insert the actual number of service units provided during the Reporting Period. The actual number of service units provided may be duplicated counts. Duplicated means that a client served by your agency may receive service one or more times during the calendar year in one or more of the service unit categories.

Item 5: Performance Measures

You must provide a narrative explanation if your agency is behind in numbers served and/or units of service as specified in your HCD Contract Scope.

Item 6: Program Narrative.

Provide information you would like shared in the Consolidated Annual Performance and Evaluation Report (CAPER) that highlights your program and activities.
