Narrative Report
January, 2011

1. Performance Report

For the month ending January 31, 2011 and year to date we have met our monthly contract service goals.

2. Program Review

The Youth Development and Mental Health counseling programs are running as anticipated. We continue to be challenged by the diversity of our client base, and have enhanced our Hispanic staff capacity to improve our response this specific group.

RAYS also held a holiday breakfast with Santa and gifts for 400 families.

Narrative Report
February, 2011

1. Performance Report

All of the year to date performance measure units are met or exceeded.

2. Program Review

The Youth Development performance measures all relate to our Spark THIS program which currently serves 3 middle schools and 2 high schools in Renton. In May, 2011, the program will expand to Hazen High School. The existing groups just did a volunteer day at Northwest Harvest, which supplies food to area foodbanks. Community volunteer work is a strong component of the program.

Renton Area Youth & Family Services
Narrative Report
March, 2011

1. Performance Report

Measure 1 – No new program enrollments took place during March. The majority of enrollments will take place in the fall and winter. We are on track annually.

Measure 2,3,4 – As above, we are meeting or exceeding our annual goals, but not our quarterly goals. I do not know if this problematic contractually in any way for this report.

Note: Performance measure categories will be reviewed with staff to ensure that proper categories are being utilized for types of activities.

2. Program Review

We are in the process of hiring an additional staff person for Spark THIS to work at Hazen High School. This may impact (increase) our City numbers.
