Spring Neighbor to Neighbor Forum
“Building for the Future”

Saturday, May 13th, 2017

9:00 a.m. to 12:00 p.m.

Renton Senior Activity Center

211 Burnett Avenue N.

Renton, Washington 98057

The City of Renton Neighborhood Program will be hosting the **Spring Neighbor to Neighbor Forum on Saturday May 13th, from 9 a.m. to 12 p.m. at the Renton Senior Activity Center (211 Burnett Avenue North)**. The theme of this year’s spring forum is “Building for the Future”. The event will feature the following topics that showcase ways the city is “Building for the Future” for our residents:

- An update from Jay Covington, The City of Renton’s Chief Administrative Officer, will highlight many of the exciting projects and developments that are currently underway within the city.
- An overview of how the Renton School District is working to provide higher quality learning both in and out of the classroom, as well as a status update on Renton School District’s two new schools, Sartori Elementary and Risdon Middle School.
- An overview from the City of Renton Transportation Division and Washington State Department of Transportation on how both are planning to deal with Renton’s current and future transportation needs.

Based on the feedback collected from our most recent neighborhood survey, these are exciting topics that were of interest to our Renton neighborhoods. If you would like to attend the event, **please RSVP by Friday, May 5th, by calling 425-430-6595 or email dhicks@rentonwa.gov**. The event will feature a raffle for a chance to win some exciting prizes, as well as a catered breakfast buffet provided by Renton Technical College’s catering program.

A new addition we are offering is child care in hopes of encouraging attendance and participation among Renton’s families. If you have children age 3 and up, and would like to bring your children to the event, please let us know. Our staff are trained in CPR and first aid. We plan to have games and activities for children during the forum to allow parents to participate. Space will be limited, so be sure to RSVP as soon as possible.

Thank you for taking interest in the City of Renton Neighborhood Program, and we look forward to having in you attendance!
