

Media Advisory

City of Renton - 1055 South Grady Way
Renton, WA 98057

June 4, 2008

For more information contact:

Ryan Plut, Project Manager 425-430-7372

City of Renton Open House: Jones Avenue NE Sidewalk Improvements

WHAT:

Residents, businesses, and community groups are invited to attend a public information meeting on sidewalk improvements on Jones Avenue NE. The planned improvements will provide a walking route for children to get to schools in the area. A new sidewalk is being planned along the east side of Jones from NE 20th Street to NE 26th Street, including driveway drops, and curb ramps. Several properties will be directly affected, and we wish to discuss ways to have this project meet your needs. This is an opportunity for you to express your thoughts about the project.

WHEN & WHERE:

Tuesday, June 10, 7-8:30 p.m.
Kennydale Elementary School
1700 NE 28th Street, Renton 98056
