# CITY OF RENTON

Public Works Department  
Gregg Zimmerman P.E., Administrator

June 2, 2008

**Subject: City of Renton Open House**

Dear Resident:

The City of Renton is currently designing sidewalks and curb ramps for construction in the summers of 2008 and 2009.

One of these areas of improvement, Jones Avenue NE, is in preliminary design and is planned to provide new sidewalk along the east side from NE 20<sup>th</sup> Street to NE 26<sup>th</sup> Street, including driveway drops, and curb ramps. This will provide schoolchildren with a walking route to schools in the area. There will also be some construction on the west side of Jones Avenue NE near NE 20<sup>th</sup> Street.

We urge you to attend an open house to introduce this project to homeowners in the area, and to obtain any input you may have. Several properties will be directly affected and we wish to discuss ways to have this project meet your needs. It will be held at Kennydale Elementary School on Tuesday, June 10, 2008, from 7:00 pm to 8:30 pm. The school is located at 1700 NE 28<sup>th</sup> Street. There will be signs directing you to the proper room when you arrive.

If you are unable to attend, please send comments to my attention at the address below, or call me at 425.430.7372 if you have any questions.

Sincerely,

TRANSPORTATION SYSTEMS DIVISION

Ryan Plut  
Project Manager
