

Court-Ordered Community Service Hours Opportunities

Court-Ordered Community Service

The court system commonly issues court-ordered volunteer hours as an option for individuals with tickets or infractions. The City of Renton does not have volunteer opportunities to assist these individuals with their hours. We recommend the following options:

Visit www.uwkc.org (the website for United Way King County)

Visit justserve.org (website that has volunteer opportunities by zip code)

Highline Botanical Garden Foundation in SeaTac, visit <http://highlinegarden.org/get-involved/volunteering/>

Look in the volunteer opportunities section of the local newspaper (often located near the community calendar listings)

Contact thrift stores, clothing banks, food banks, or The Salvation Army
