

RENTON DOWNTOWN UTILITY IMPROVEMENT PROJECT

Final Grinding and Paving Work Areas

The Downtown Utility Improvement Project (DUIP) construction is nearing completion. **As soon as April 20** we will begin repaving Mill Ave S where we improved underground utilities, replacing temporary roadway patches. Crews will first grind old pavement from the roadway, before returning approximately a week later to repave.

Sections of roads will be restricted and closed during the noted grinding and paving dates; access will be open between grinding and paving workdays. Please note that dates are subject to change depending on weather. Any updates to the grinding and paving schedule will be posted on our web page and distributed on our email list. **Visit www.rentonwa.gov/duip for more information.**

**Dates for grinding and paving are weather dependent. Work will require a day for grinding and a day for paving.*

PARKING NOTICE:

Starting April 18, sections of street parking within the project work area will be removed until completion of paving through spring. In addition, the City Center Garage will be impacted by work on S 2nd St. In addition, the City Center Garage will be impacted by work on S 2nd St. Grinding and paving dates noted above are subject to change depending on weather. To avoid risk of towing and vehicle removal, please move your vehicle from the streets by the dates noted on the no-park signage.
