Sunset Neighborhood Park

Phase I of the Sunset Neighborhood Park opened with a grand Sunset Celebration on June 16, 2018. Over 500 visitors joined in the celebration of the opening of the first phase of Sunset Neighborhood Park and the Renton Highlands Library.

Phase I features an entry plaza leading from the library, a major north-south pedestrian walkway reflecting the connection along Harrington Avenue, restroom facilities, a rain garden storm water detention facility, pergola with seating, walkways and seating areas throughout the park, and a large lawn area for gathering and playing.

Over 500 visitors celebrated the opening of Phase I of Sunset Neighborhood Park and Highlands Library.

With the successful opening of phase I of Sunset Neighborhood Park, design has commenced for the second phase. Working within the parameters set forth in the [Sunset Neighborhood Park Master Plan](#), and with input from stakeholders and citizens, the second phase of the park will feature two engaging and exciting playgrounds, one for two to five year age group and another for the five to 12 age group, picnic and adult fitness areas, picnic gazebo with tables, pergolas with seating areas, performing and event lawn areas, walkways with a looped circulation/path system, and an unique interactive water feature.

Construction of Phase II is anticipated to commence in late spring or early summer 2019 with completion scheduled for spring of 2020. The completion of the second phase of Sunset Neighborhood Park will complete the 'gateway facility' as it becomes part of the vibrant Sunset area.
