**TEAM**  
 Environment • Art • Math

The City of Renton's Recreation and Neighborhood Division is committed to providing a high-quality out-of-school program for elementary and middle schools students at the Highlands Neighborhood Center.

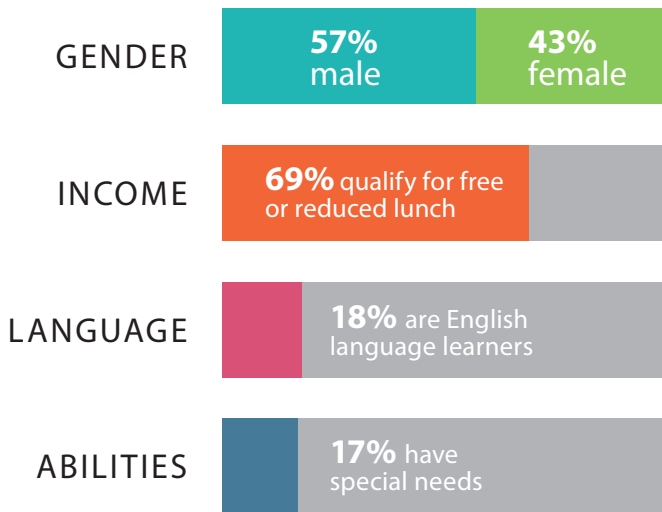

This is made possible through a generous grant from King County's Best Starts for Kids Out-of-School-Time Program, coordinated through School's Out Washington. STREAM Team brings high-quality, culturally-appropriate programming featuring a variety of engagement options and a strong focus on science, technology, reading, recreation, environment, arts and math.

**GOAL OF PROGRAM**

Youth are thriving and demonstrate persistence, confidence, problem solving skills, interest in learning, and leadership readiness after engaging in an array of cultural arts, recreational, science, and technology program activities where they learn and develop skills.

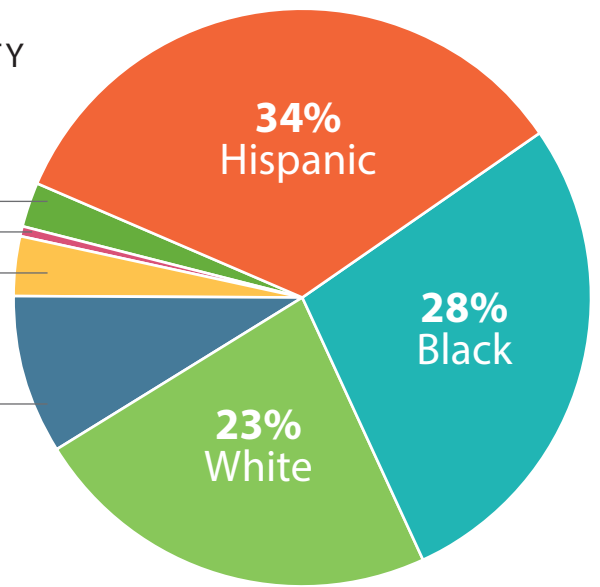

The STREAM Team program **served a total of**

**162 unduplicated youth** for the 2018-2019 school year  
**128 elementary youth // 34 middle school youth**

**ETHNICITY**

2.3% Unknown  
 0.5% American Indian  
 3.4% Pacific Islander  
 9% Asian
