homeowners in numerous gross police officers handle and we have too many examples of women being killed in this community by husbands or boyfriends.

Domestic violence statistics continue to be alarming. Every nine seconds in this country a woman is beaten by her husband or boyfriend in many cases the result is serious injuries or fatalities. Police respond to an estimated 11 million calls for help annually in domestic abuse situations. One gross police officers handle and we have too many examples of women being killed in this community by husbands or boyfriends.

Domestic violence also takes a huge toll on children and is playing a part in the growing homelessness crisis as some women try to escape from their abusers. We should all be aware of how many women, children, and some men are killed in domestic violence. Information on how to report domestic violence can be found on our

Renton pioneer Chuck Divelbiss passes

Renton has lost a number of prominent pioneers from this community over the past couple of years that have become an important part of Renton’s history. This group of pioneers played a significant role in the health and stability of Renton over 70 years, from their successful professional careers to years of supporting many local organizations that improved the quality of this city.

Fire Prevention Week is a great time to remind families of the importance of smoke detectors throughout your home. It is proven smoke alarms reduce the death toll from fire in your home. Renton Regional Fire Authority is committed to assisting you with obtaining alarms and providing assistance to victims or others who need help in changing batteries and checking to make sure that the alarms are operating properly.
