June is LGBTQ Pride Month in Renton

Today in Renton we honor this occasion with a "Secure Your Load Day."

"Today also marks the 75th anniversary of the landing of Allied troops on the beaches of France and the beginning of the end of World War II," Mayor Denis Law said. "This photo was taken by Renton police at last weekend's Stop & Go event. Today, I encourage every driver to take the time to secure it."

Mayor Law's daughter, Robin, was driving her car's windshield when an unsecured load flew into it. "I'd like to give special thanks to Plateaupians for Peace, a nonprofit organization who donated 100 'You Drive Me Crazy' bumper stickers."}

"This is the time to secure our loads, always take the time to secure it."

"As Robin likes to say, "Secure your load as if everyone you love is driving in the car behind you.""
