## Small Business Grants available from CARES Act

Several Renton businesses are displaying their new "Open for Business" or "Open for Pick-Up" banners courtesy of our Economic Development division.

Our Economic Development Division is now accepting applications from Renton small businesses for almost \$1.4 million in CARES Act funding.

Renton businesses with 25 or fewer employees that meet specific criteria are eligible for up to \$15,000. More information on the program can be found at [whyrenton.com/rentoncares](http://whyrenton.com/rentoncares).

## Happy Fourth of July!

Traditionally, July 4 has been the day families and friends come together and celebrate our nation's birth. Thanks to COVID-19, Fourth of July celebrations that we are all planning for this coming Saturday are not quite at the same level as in previous years.

When you gather this weekend, I hope that in addition to looking inward at family you also take time to look outward at your community. The events of the past months have given us time to think, especially about some of the inequities in our society. Those inequities can be traced back 400 years, including 1776 when the founding fathers declared their freedom from England. They forgot, however, to include the thousands of slaves in that declaration of independence; slaves who would not get their freedom until decades later. Today, 243 years later, their ancestors continue that fight for equality.

We are listening and we are committed to identifying and addressing unethical, immoral and racist behavior. We want it to be known, unequivocally, that discrimination, in all its forms, will not be tolerated by the City of Renton. I am personally committed to ensuring our community survives and thrives without the threat of racism. As your mayor and a life-long Renton resident, it is a responsibility I take very personally.

On behalf of the city council and employees of the city, my sincere best wishes for a happy and safe Fourth of July for you and your family.

## Fourth of July message from police chief VanValey

Police Chief Ed VanValey

Hello, and happy 4<sup>th</sup> of July weekend everyone! I wanted to provide information on the Renton Municipal Fire code and safety information as we enter the long weekend celebration.

First, and most importantly, fireworks are banned in Renton. In 2005 voters passed a ban on all fireworks. This was to keep the community and its properties safe from damage. The safety of our communities extends beyond law enforcement and fire departments. It takes a collaborative effort from us all working together.

As a result of the vote in 2005, the city created several [municipal codes](#) to assist both police and fire. In short, the possession and/or lighting of illegal fireworks are a misdemeanor and can be subject to a fine and confiscation of fireworks.

There are however two things worse than losing your fireworks or having your neighborhood celebration interrupted by a visit from Renton Regional Fire Authority or Renton police: a significant injury or death and the destruction of someone's property.

Please help us by doing your part to ensure everyone has a safe and enjoyable holiday weekend. If you would like more safety and information about this weekend, please watch our videos on Facebook [@RentonPDWA](#).

## Renton is doing its part to help the homeless during the COVID-19 crisis

In April, King County established a temporary shelter at the Renton Red Lion Inn to house residents displaced by the closure of the Downtown Seattle Emergency Services Center. The City of Renton has done its part to support

this shelter, the local community, and those experiencing homelessness during this difficult time.

Unfortunately, King County established the shelter without regard for city zoning, licensing, and permitting requirements and without first coordinating its placement with Renton. As a result, the city has issued a [finding of code violations](#). Council President Ruth Perez and I also wrote an [Op-Ed](#) in the Renton Reporter.

After two months of working with King County to try and reach an agreement on many issues related to the shelter, the city is giving the county and shelter operators until August 9 to relocate to a legally permitted location. This is about following the law, not limiting resources for people in crisis. Renton supports compassionate, innovative, and inclusive measures to address issues of homelessness.

The Renton Ecumenical Association of Churches (REACH) agrees with the city's efforts to encourage King County to find more permanent shelter. A [letter to the city from REACH this week](#) states "An adequate long-term solution for those who are currently living at the Red Lion is an urgent matter and we support all efforts by the City of Renton and our partners to prioritize their care and health."

The shelter residents deserve compassion and a plan beyond this emergency location. We need a transition plan for the shelter's relocation, so residents can get the long-term service they need, county taxpayers don't incur the high costs of an expensive and temporary solution, and Renton citizens and businesses can be relieved of extraordinary impacts the shelter has brought to the city.

Renton is doing its part during this time of crisis. King County needs to prioritize plans for a more permanent, safe, and sustainable location for the shelter residents.

## City distributing 20,000 masks free to residents

We gave out over 4,250 masks earlier today in our free mask distribution to residents. We have an allocation of 20,000 masks, which came from King County.

If you didn't make it today, members of our Recreation and Neighborhoods and Human Services divisions will be at the [Renton Community Center](#) (1715 Maple Valley Hwy) on Wednesdays from 4 to 6 p.m. and on Thursdays from 9 to 11 a.m. throughout July or until they run out of masks. Residents are asked to drive to the main entrance; each vehicle will receive two (2) five-mask packets. We're not checking ID and ask that you only go through once. Seniors getting their lunches at the Renton Senior Activity Center will also receive masks.

[Public health experts](#) agree that by wearing masks or face coverings, along with repeated hand washing and proper social distancing, we can help slow the spread of COVID-19. This is an easy way to be a part of the solution.

## Blood Donations needed

**Mayor Pavone's video message [invites everyone](#) to come to the [Bloodworks NW pop-up donation center](#) and donate.**

Blood supplies of all types are in short supply and [Bloodworks NW](#) has made it easy for you to help.

They're hosting a series of pop-up donation centers in Renton throughout this month at Renton Community Church (316 S. 3rd St.).

- Friday, July 3, 9 a.m. to 5 p.m.
- Wednesday, July 8, 10 a.m. to 6 p.m.
- Friday, July 10, 9 a.m. to 5 p.m.

As an incentive, anyone who donates by July 31 will be automatically entered into their [Pump It Up Sweepstakes](#) for a chance to win a Peloton Bike. Entries are doubled through July 11.

[Appointments are required](#) and last one hour. Walk-ins, guests and people under the age of 16 are not permitted. There is plenty of space to maintain social distancing and donors are required to wear a mask or face covering.

## Inspections - Building and Development Engineering

Community and Economic Development Department (CED) continues to update homeowners and contractors regarding how the city is implementing the construction-related provisions of Gov. Inslee's COVID-19 construction restart plan and related guidance issued by the governor's office.

Upon approval for King County jurisdictions to move to Phase 2 of the Governor's "Safe Start" plan, CED hopes to perform physical onsite and virtual inspections for all construction projects under the [Governor's Phase 2 construction COVID-19 job site requirements](#) effective as of May 15, 2020.

Whenever possible, virtual inspections will be accomplished. If you are interested in more information about virtual inspections, please contact the Building Division: 425-430-7200.

The phase 2 construction COVID-19 job site requirements permit all construction activity to proceed, whether previously authorized, newly authorized, existing, or not existing. In effect, new construction is no longer limited to construction that was previously authorized under Proclamation 20-25.

Under phase 2, all construction, including those activities for which social distancing may not be maintained, and the start of new construction projects, is authorized to resume. Adherence to the health and safety points in the phase 2 job site requirements will be strictly enforced. Under the phase 2 requirements, any paused and existing construction activity, may resume/continue immediately if:

- The employers and employees can meet and maintain all requirements listed in Phase 2 – construction COVID-19 Job Site Requirements document; and
- The employers and employees conduct only those activities that are allowed under their county's phase status.

The safety plan was developed as part of a working group that included contractors and workers. The plan includes requirements related to safety training, physical distancing, PPE, sanitation and cleanliness and monitoring employees for symptoms.

Before calling for an inspection, please be sure you have met the minimum requirements necessary for an onsite inspection:

### 1. COVID-19 Site Supervisor

A site-specific COVID-19 Supervisor shall be designated by the contractor at every job site to monitor the health of employees and enforce the COVID-19 job site safety plan. A designated COVID-19 Supervisor must be present at all times during construction activities.

Exception: single-family residential job sites with 6 or fewer people on the site.

### 2. Posting of COVID-19 exposure control, mitigation and recovery plan available on job site

Before commencing work, all contractors are required to develop for each job site a comprehensive COVID-19 exposure control, mitigation, and recovery plan. The plan must include policies regarding the following control measures: PPE utilization; on-site social distancing; hygiene; sanitation; symptom monitoring; incident reporting; site decontamination procedures; COVID-19 safety training; exposure-response procedures; and a post-exposure incident project-wide recovery plan. The plan must also include a Job Hazard Analysis (JHA), including a list of engineering controls and proper Personal Protective Equipment (PPE), for all job site activities defined by Washington State Department of Labor & Industries (L&I) as medium and high transmission risk.

**No job site may operate until the contractor can meet and maintain all requirements of the Phase 2 Construction COVID-19 Job Site**

## Requirements, including providing materials, schedules and equipment required to comply.

These COVID-19 job site safety practices are required as long as the "Stay Home, Stay Healthy" [Gubernatorial Proclamation 20-25](#) is in effect or if adopted as rules by a federal, state or local regulatory agency. All issues regarding worker safety and health are subject to enforcement action under L&I's Division of Occupational Safety and Health (DOSH).

- Employers can request COVID-19 prevention advice and help from [L&I's Division of Occupational Safety and Health](#) (DOSH)
- Employee Workplace safety and health complaints may be submitted to the L&I DOSH Safety Call Center: (1-800-423-7233) or via e-mail to [adag235@lni.wa.gov](mailto:adag235@lni.wa.gov)
- General questions about how to comply with the agreement practices can be submitted to the state's [Business Response Center](#)

## Republic Services

- [Republic Services](#) has put into effect new temporary guidelines for waste collection procedures in the interest of safety for both the public and their drivers. All recycling and organics materials must be placed in a cart or can; any loose, bundled, or bagged items outside of a cart or cannot be collected. Extra garbage must be placed in a cart, can, or secured in bags. Bulky waste collection and Clean Sweep collections are suspended until further notice. All collection routes are on a normal schedule. Questions? Contact Republic Services at 206-777-6440.
- Republic Services will waive late fees and penalties and will not activate any service suspensions for 90 days. (*March 23*)
- Businesses with solid waste accounts and operating during "Stay Home, Stay Healthy" can call Republic Services at 206-777-6440 to request necessary service changes including increased/decreased container size or frequency of service. The city's mandatory garbage code requires at least the minimum level of service (20-gallon cart) and one collection per week.
- Businesses with solid waste accounts and temporarily closed as a result of COVID-19 can contact Republic Services at 206-777-6440 to request a temporary hold on their account. No service will be provided during the temporary hold and businesses MUST NOT place any garbage or recyclables in their containers during the hold period, as this could result in a public health problem. All COVID-19 holds will be reinstated to normal collection schedules once the "Stay Home, Stay Healthy" order is lifted.

- [May 4](#) - Reopening guidance for business and workers
- [Updated - Governor's clarifying memos by phase for businesses](#)

### Phase 1

(May 6) Washington state is currently in Phase 1, with construction and other essential activities underway. The additions such as outdoor activities and additional sales and retail activities begin Tuesday, May 5. When the state moves to Phase 2, all components of Phase 1 will continue.

#### Includes

Phase 1 builds upon recent decisions made around re-opening some activities, including construction activity (allowed as of April 29) and outdoor activities such as fishing, hunting, playing golf and some park areas, which Inslee announced last week.

Also adds (as of May 5):

- Drive-in spiritual services with one household per vehicle
- Auto/RV/Boat/ORV sales
- Retail open for curbside pick-up orders only
- Car washes
- Landscaping
- Some pet services (not including grooming)
- Essential travel and limited non-essential travel to engage in Phase 1 activities are permitted.

### Phase 2

When COVID-19 disease burden is low and decreasing and the four capabilities (health care system readiness; testing capacity and availability; case and contact investigations; and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 2.

As noted above, each phase will be at least three weeks, data and metrics will determine when the state can move from one phase to another.

#### Includes

All components of Phase 1 will carry into the start of Phase 2, which will include outdoor activities in small groups with people from outside one's

household, as well as limited non-essential travel within proximity of one's home.

Additional modifications to restrictions in Phase 2 affecting business will include:

- Remaining manufacturing and construction phases
- Restaurants/taverns less than 50% capacity/table size no larger than 5 people and no bar area seating
  - [May 11](#) - Dine-In Restaurant and Tavern Industry
  - [May 11](#) - Restaurant/Tavern Reopening COVID-19 Requirements

- Professional services/office-based businesses (telework remains strongly encouraged)
- In-home/domestic services (i.e., nannies, housecleaning)
- Pet grooming
- Essential travel and limited non-essential travel to engage in Phase 1 and Phase 2 activities is permitted.

### Phase 3

If COVID-19 disease burden stays low and the four capabilities (health care system readiness; testing capacity and availability; case; and contact investigations and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 3.

#### Includes

All components of phases 1 and 2 will carry into the start of Phase 3, which will include resuming non-essential travel and allowing gatherings of no more than 50 people.

Phase 3 also includes resuming some public activity, such as:

- Outdoor group recreational sports activities (50 or fewer people)
- Recreational facilities at less than 50% capacity (gyms, public pools, etc.)
- Professional sports (horse racing, baseball, etc.) without audience participation
- Restaurants and taverns at less than 75% capacity with table size no larger than 10
- Bar areas in restaurants and taverns at less than 25% capacity
- Indoor gyms at less than 50% capacity; theaters at less than 50% capacity
- Customer-facing government services (telework remains strongly encouraged where possible)
- Libraries
- Museums
- All other business activities not yet listed except for nightclubs and events with no more than 50 people.

### Phase 4

If COVID-19 disease burden stays low and the four capabilities (healthcare system readiness; testing capacity and availability; case and contact investigations; and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 4.

#### Includes

All components of phases 1, 2 and 3 will carry into the start of Phase 4 which would be a full return to public interactions (with appropriate physical distancing).

Phase 4 also includes resuming some public activity, such as:

- Nightclubs
- Concert venues
- Large sporting events
- Resume unrestricted staffing of worksites, but continue to practice physical distancing and good hygiene

### COVID-19 Risk assessment dashboard

The state's COVID-19 dashboard provides a high-level overview of the main data points discussed among state leaders and the level of risk experts perceive around the current numbers. It is not intended to represent the totality of all COVID-19 related data. The state is currently developing several new systems for collecting, compiling and reporting much of the data outlined below and this dashboard will link to those new systems as they are completed. In the meantime, where possible, we've linked to the data that is currently available or created a snapshot that summarizes the most recent information available. The dashboard is updated weekly on Wednesdays.
