

# COVID-19 Update

from Mayor Armondo Pavone

Tuesday, April 28, 2020 / Issue: 24

[Click to learn more...](#)

With information regarding COVID-19 continually being updated, I've decided to publish this newsletter to share what we know with the residents of Renton. In each edition our team will bring you the latest updates from around the city as well as information from county, state and federal officials and agencies.

Google Translation available on website. For additional translation services contact [communications@rentonwa.gov](mailto:communications@rentonwa.gov).

**Renton's IKEA will begin welcoming back a limited number of employees this Sunday.**

## Governor's news is good for Renton

Gov. Inslee had two pieces of good news for Renton.

The governor announced Monday that nearly [\\$300 million in funding](#) will be awarded to cities and counties from the state's portion of the federal CARES Act. To be eligible, cities and counties must have populations under 500,000 and be ineligible for direct CARES funding. Each county will receive a minimum distribution of \$250,000 and each city will receive a minimum distribution of \$25,000. It'll be a few weeks before we know how much Renton will receive as distribution must be reviewed by the state legislature, but we have been talking to our representatives and sharing our needs.

Gov. Inslee also announced a May 5 [partial re-opening of some outdoor recreational activities](#), including golf courses. I will be meeting this week with our community services staff to develop a process to safely re-open Maplewood Golf Course based on guidance from the state. We do know that play will be limited to twosomes, unless a foursome lives in the same household, and social distancing rules will be in effect. No public gatherings, events or team sports are allowed under this order.

## IKEA to welcome back some staff

It is my pleasure to welcome Ken Bodeen as the store manager at the Renton IKEA store. This morning he let me know they will welcome back a limited number of employees to the store on May 3. The store will remain closed to customers and the employees will help fulfill online orders. Ken assured me they have implemented several measures to ensure they maintain a safe working environment.

IKEA Renton is a worldwide icon offering 10,000 exclusively designed items and a unique IKEA shopping experience. It also has installed Washington's largest rooftop solar array, complementing its current U.S. goal of a renewable energy presence.

I know this is a small step, but it is another step towards safely re-opening businesses in Renton.

## Paycheck Protection Program accepting applications

The Small Business Administration (SBA) began accepting applications yesterday for additional funding through the [Paycheck Protection Program](#). Demand will be high so I encourage you to apply as soon as possible. If you're not sure you qualify for assistance, our [Business Response Team](#) through Startup 425 can help with free, personal assistance, available in [multiple languages](#).

The SBA is also offering low-interest [Economic Injury Disaster Loans](#) to small businesses who have suffered substantial economic injury as a result of the Coronavirus (COVID-19).

## Support REACH through GiveBIG Washington

REACH has been an integral part of the Renton community since 1970, providing resources for all who are in need. Over their five decades of service, they have provided shelter for the homeless and meals for the hungry while advocating for more and more resources. Now in this time of unprecedented need, they are reaching out for our help.

REACH is part of GiveBIG Washington, an ongoing campaign to support non-profits providing food, shelter, health and social services. The drive began in April and will culminate with GiveBIG Day on May 5-6.

REACH Board members past and present have pledged to match donations up to \$16,500, so every dollar donated up to that amount will be doubled.

Here's how you can help REACH through GiveBIG:

- Give now via [early donation](#).
- Give on [May 5 & 6](#).
- Spread the word via sharing tools on REACH's website.
- Follow REACH on [Facebook](#) and [Instagram](#) and share #GiveBIG posts with friends and networks.

## Hydrant art honors sister city of Nishiwaki

The latest addition to the city's [hydrant artwork project](#) pays homage to Renton's sister city relationship with Nishiwaki, Japan, which celebrated 50 years in 2019.

It's the second creation by Rachel, a Renton teen. The front side of the hydrant symbolizes Japan while the side facing the sidewalk focuses on Nishiwaki. Included is a bowl of sweet noodles, some strawberries, cityscape, a traditional textile print and the city's mascot characters (yuru-chara). The hydrant is located at the intersection of Houser Way South and Main Avenue South. Rachel's other hydrant, "I want to believe" features Big Foot and is on the corner of South Seventh Street and Morris Avenue South.

## Inspections - Building and Development Engineering

Community and Economic Development Department (CED) has been receiving questions from homeowners and contractors regarding how the city is interpreting the construction-related provisions of Gov. Inslee's Stay Home, Stay Healthy Proclamation and related guidance issued by the Governor's Office.

- CED has interpreted the Stay Home, Stay Healthy order to deem new residential and commercial construction as non-essential activities, except that construction of public projects (such as public affordable housing projects) and public components of private projects (such as utilities and streets intended for turnover to the city) are essential activities. Furthermore, CED has interpreted the Stay Home, Stay Healthy order to allow construction related to the order's list of essential activities including supply chain for goods, services, and healthcare.
- Under these interpretations, CED will continue its physical inspections associated with the following city-issued permits:

- Building permits for occupied residential structures necessary to avoid damage or unsafe conditions;
- Building permits for buildings that are a necessary component of the community's supply chain for goods, services, and healthcare;
- Engineering permits for facilities intended to be made part of the city's public infrastructure. Such facilities include water, sanitary sewer, and stormwater utilities intended to be transferred to the city at completion and street improvements intended to be transferred to the city at completion.
- Although CED will not be performing physical onsite inspections for new unoccupied homes or other projects not falling into the above list, some inspections can be accomplished virtually. If you are interested in more information about virtual inspections, please contact the Building Division: 425-430-7200.
- These interpretations are valid as of March 30, 2020 under the governor's guidance in effect as of that date. Please note that these interpretations are subject to change as more information becomes available regarding the efforts to contain COVID-19 or if further guidance is issued by the governor's office.

## Republic Services

- [Republic Services](#) has put into effect new temporary guidelines for waste collection procedures in the interest of safety for both the public and their drivers. All recycling and organics materials must be placed in a cart or can; any loose, bundled, or bagged items outside of a cart or can will not be collected. Extra garbage must be placed in a cart, can, or secured in bags. Bulky waste collection and Clean Sweep collections are suspended until further notice. All collection routes are on normal schedule. Questions? Contact Republic Services at 206-777-6440.
- Republic Services will waive late fees and penalties and will not activate any service suspensions for a period of 90 days. (*March 23*)
- Businesses with solid waste accounts and operating during "Stay Home, Stay Healthy" can call Republic Services at 206-777-6440 to request necessary service changes including increased/decreased container size or frequency of service. The city's mandatory garbage code requires at least the minimum level of service (20-gallon cart) and one collection per week.
- Businesses with solid waste accounts and temporarily closed as a result of COVID-19, can contact Republic Services at 206-777-6440 to request a temporary hold on their account. No service will be provided during the temporary hold and businesses MUST NOT place any garbage or recyclables in their containers during the hold period, as this could result in a public health problem. All COVID-19 holds will be reinstated to normal collection once "Stay Home, Stay Healthy" order is lifted.
- Any service level change, including COVID-19 holds due to temporary closure of business, will be shown as adjustments on the solid waste bill.
