

Proclamation

Whereas, the future is, to a large measure, dependent on the good health of our children and families; and

Whereas, good health can be achieved in part through good dental habits and oral health care learned early and reinforced throughout life; and

Whereas, good oral health contributes to better nutrition, improved ability to concentrate, and improved school attendance; and

Whereas, the City of Renton is dedicated to a strong commitment to all children in our community through many early childhood and school programs; and

Whereas, National Children's Dental Health Month is celebrated each February in order to raise awareness about the importance of good oral health; and

Whereas, the University of Washington Center for Pediatric Dentistry will welcome children from throughout our Renton community for free preventive dental care on February 20, 2018;

Now, therefore, I, Denis Law, Mayor of the City of Renton, do hereby proclaim February 2018 to be

National Children's Dental Health Month

in the City of Renton, and I encourage all citizens to join me in this special observance.

In witness whereof, I have hereunto set my hand and caused the seal of the City of Renton to be affixed this 5th day of February, 2018.

Denis Law, Mayor
City of Renton, Washington
