## Duvall Avenue NE Pavement Preservation Project

August 3, 2016

### City of Renton Contacts:

**Preeti Shridhar**, Deputy Public Affairs Administrator, 425-430-6569

*Extends Life of Pavement by 12-15 years*

*Daytime lane restrictions will be in effect along with three night-time closures*

The City of Renton began a pavement preservation project on Duvall Avenue between NE 4th Street and NE 10th Street on July 25, 2016. The project is expected to be completed in the fall.

The project will extend the life of pavement by 12 to 15 years and includes:

- Resurfacing Duvall Avenue between NE 4th Street and NE 10th Street
- Constructing landscaped center medians just south of NE 6th Street and just south of NE 8th Street
- Installing radar speed signs

Duvall Avenue NE is classified as a principal 4-lane arterial that serves as an alternate route to I-405 connecting Renton to Newcastle and Bellevue.

Construction work will be performed during daytime from 7:00 a.m. to 6:00 p.m. There will be short-term daytime closures and reduced travel lanes on Duvall Avenue NE from NE 4th Street to NE 10th Street from 8:30 a.m. to 3:30 p.m. A full closure of Duvall Avenue NE for approximately 600 feet from NE 4th Street north from 8:00 p.m. to 5:00 a.m. is planned for up to three nights during the week of August 29, 2016. Detour routes will be available on both Union Avenue NE, west of Duvall Avenue NE, and Hoquiam Avenue NE, east of Duvall Avenue NE.

The project is following strict noise abatement guidelines. All construction and stationary equipment, such as light plants, generators, compressors, and jackhammers will utilize noise mitigation shields, noise blankets, skirts, or other means available. Truck trailing banging is prohibited as is scraping activities. Pavement milling will be permitted for approximately 600 feet from NE 4th Street north during the full closure of Duvall Avenue NE. Paving activities will be permitted throughout the project at night.

Anyone hearing excessive noise during construction hours may contact the project manager [Flora Lee](#) at 425-430-7303. For more information visit [rentonwa.gov/duvall](http://rentonwa.gov/duvall).
