Community Point of Distribution Drill Offers Free Girl Scout Cookies

City's Office Emergency Management to practice distribution of emergency supplies

RENTON, WA – The City of Renton Office of Emergency Management is partnering with the [Emergency Feeding Program](#) to host a Community Point of Distribution (CPOD) drill on Saturday, May 13th from 9 to 11 a.m. at 851 Houser Way N., Renton.

Renton community members are invited to drive through the CPOD and receive supplies including bottled water, some emergency preparedness items, and a box of Girl Scout cookies. Items available while supplies last.

A CPOD is a designated distribution point for emergency supplies during a disaster, when such supplies might not be otherwise available. The Emergency Feeding Program may assist the City of Renton with supply distribution.

The CPOD drill will allow staff from the Renton Emergency Management and the Emergency Feeding Program to work with Community Emergency Response Team volunteers to practice the distribution of emergency supplies.
