CITY OF RENTON MUTI-PURPOSE TAX RETURN GENERAL INSTRUCTIONS

GENERAL INFORMATION: Every person, firm, association or corporation engaging in business activities in the City, unless otherwise exempted, is subject to taxation and must file a tax return under the appropriate tax classifications. The City of Renton administers business & occupation taxes (gross receipts tax). In addition, the City administers taxes on admissions, gambling activities, and utility business and occupation activities.

Descriptions of the various tax classifications and allowable deductions are provided in Title 5 Chapter 26 of the Renton Municipal Code (RMC). In addition, the City publishes a pamphlet entitled "Guide to the City's Business & Occupation Tax". The pamphlet provides general filing information regarding common types of businesses. If you have any questions or would like to request a copy of the Guide please contact the Tax & License Division at (425)

GROSS RECEIPTS B&O TAX: The gross receipts B&O tax is measured on gross proceeds of sales or gross income for the reporting period. For purposes of the gross receipts tax, business activities are reported by classification.

UTILITY & OTHER TAXES: Following is a brief synopsis of other taxes that may apply to your business:

Utility Taxes: This tax is similar to the gross receipts tax, but it is imposed on utility businesses. Businesses engaging in the following activities are subject to these taxes: telephone, cellular, gas, electric, water, sewerage, drainage, cable TV and garbage.

Admission Tax: This tax is levied upon admission charges for entrance to an event or establishment. It is collected for the City by the business charging the admission, similar to the sales tax. The admission tax is computed on the admission price.

Gambling Taxes: All persons licensed by the Washington State Gambling Commission to conduct gambling activities in the City are required to pay gambling taxes. Gambling activities include: bingo games, raffles, cards, amusement games, punchboards and pull-tabs.

CALCULATING YOUR TAX LIABILITY: If you claim a deduction, a Multiple Activities Tax Credit, and/or you apportion income that is taxable under the Service and Other gross receipts tax classification, you must include the appropriate schedule form with your return. If a required form is not provided, the deduction, credit, or apportioned amounts will be denied.
