

Engraved Tiles List

Veterans Memorial Park

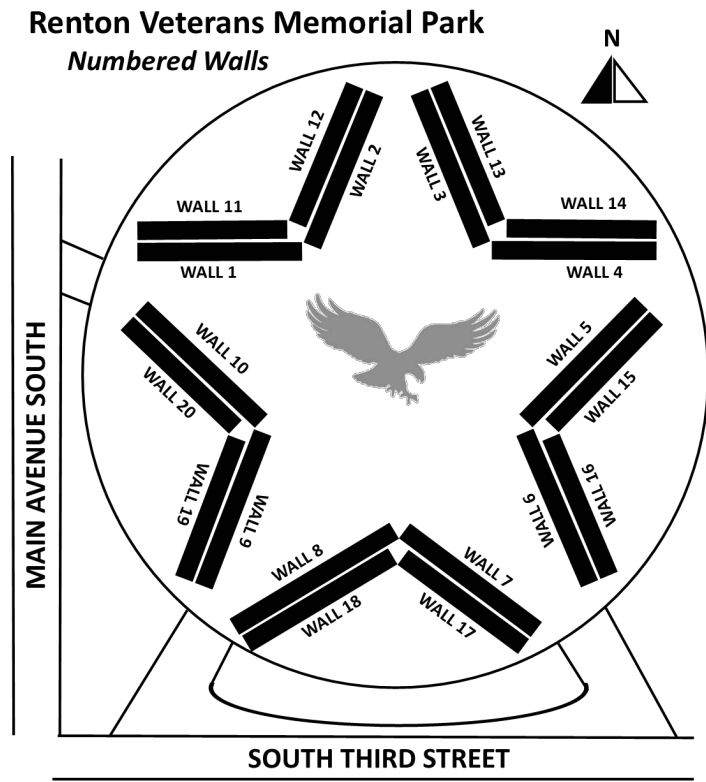

This list contains over 2,000 engraved tiles that have been purchased at the City of Renton Veterans Memorial Park between 2003 and 2024.

Tiles are listed in this document in alphabetical order by the veteran's last name, including the inscription. Each listing also includes the wall number, row letter and column number for locating that specific tile.

Use the wall, row, and column information of your veteran and the instructions below to find the tile.

- In the list below, find the honoree's name (in alphabetical order by last name)
- Using the location information:
 - Match the wall number to the map image below.
 - Go to that wall.
 - Starting at the top, far left corner of the wall, move down the rows naming the letter, till you get to the one you need.
 - Then count across the columns till you reach the number you're looking for.

Locating example: Wall 2 Row B Column 3

Locate the wall using the Numbered Walls Map. Start at far top, left corner of the wall. Go down to the row and across to the column.
