HELLO FROM THE MAYOR

Spring and summer are approaching, and it's the perfect time to connect with your community, get outside, and explore Renton's 1,254 acres of green space and 13 miles of trails.

Enjoy a tee time at the newly upgraded Maplewood Golf Course driving range, support local businesses and farmers by shopping the Renton Farmers Market, dive on in to the newly restored Henry Moses Aquatic Center, or grab a lawn chair and take in the Summer Concert Series at Gene Coulon. Our Parks and Recreation team works year-round on exciting experiences and programs for all ages and

abilities, and this upcoming summer should be one to remember.

Save the date for Renton River Days—a celebration that brings our entire city together each July.

Remember to put on some sunscreen, make your plans, and enjoy all the fun this spring and summer here in Renton. I look forward to seeing you at many of these fantastic events and community opportunities!
