

City of Renton – Community Services Department Urban Forestry Informational Brochures

About the Brochures

The City of Renton Community Services Department provides urban forestry informational brochures. These cover 20 topics related to urban forestry and are free to the general public. The brochures are provided by the International Society of Arboriculture, an international organization that promotes trees. The brochures can be obtained at the Community Services Department office during regular business hours or mailed upon request. The following topics are available:

• Why Hire an Arborist?	• Pruning Mature Trees
• Pruning Young Trees	• New Tree Planting
• Why Topping Hurts Trees	• Plant Health Care
• Buying High-Quality Trees	• Tree Selection
• Trees and Turf	• Tree Values
• Insect and Disease Problems	• Avoiding Tree Damage During Construction
• Recognizing Tree Hazards	• Treatment of Trees Damaged by Construction
• Benefits of Trees	• Proper Mulching Techniques
• Avoiding Tree & Utility Conflicts	• Think Trees
• Mature Tree Care	• Benefits of Trees

Placing an Order

To place an order for brochures, select one of each that interests you then contact the Community Services Department at 425-430-6600 or [Email the City Forester](#) with your order and include your mailing address. Our business office is open Monday through Friday from 8:00 a.m. until 5:00 p.m. and is located at Liberty Park, 1101 Bronson Way North. Limit of one brochure of each topic per customer.

In addition, these brochures can be accessed online by visiting the International Society of Arboriculture website at: <http://www.treesaregood.org/treecare/treecareinfo.aspx>
