### WOMEN'S PERSONAL SAFETY CLASS

May 21, 2008

6:30 p.m. to 9:00 p.m.

This class is appropriate for women 14 years of age and older and is designed to teach crime prevention techniques. This is not a self-defense course. The focus is awareness and other simple concepts that can help a woman reduce her chance of becoming a victim.

Some of the topics that will be covered:

- How to prevent becoming the victim.
- How to handle "road rage" and "fake" accidents.
- How to make your home a "hard target."
- Use of force and your rights within the law.
- Discussion of weapons for personal security, pros and cons.
- How to decrease your odds of becoming a victim while at home.

I have included a copy of the application for the class. If you need more than one, feel free to make copies. Class normally fills to capacity **quickly** – so apply now! You do not have to be a City of Renton resident to attend. (Criminal background checks will be conducted on all applicants; results of background check could exclude an applicant's acceptance into class.) If you have any questions regarding this class, please contact the Renton Police Crime Prevention Unit at: (425) 430-7521 / (425) 430-7520 or via email at [cparks@ci.renton.wa.us](mailto:cparks@ci.renton.wa.us).
