National Night Out 2012 Heritage Park

This year's National Night Out surpassed past attendance records with an approximate count of 1, 200+ attendees! The weather cooperated and allowed us to enjoy a breather from the hot weather and gave us the opportunity to get to know our neighbors!

Barbeque expert, "Chef George", was kept busy feeding the never-ending line of hungry folks who wanted to sample his culinary delights!

The public was given a rare look at the Valley SWAT Team's Bearcat. I wouldn't want to be in front of those tires when it's moving!

Police personnel were on hand to fingerprint hundreds of children. Participants were given a Child ID Kit to take home in the event they ever become lost or missing.

Children were given the opportunity to play a safety game that reinforced the safety tools they learn at home. They were also pleased to find there was a reward for their participation at the end!!

There was plenty of fun for the kids, who especially enjoyed the face painting and party hoppers!

The Seattle Seahawks "Blue Thunder" drum line rounded out our evening with a spectacular performance!
